

Caruso to Head Panhel Council

Joanne Caruso, Delta Delta Delta, will succeed Louise Moreman as president of Panhellenic Council for the coming year, council announced last night. Miss Caruso, along with the other newly-elected officers, will be installed on April 16.

Barbara Nicholls, Alpha Gamma Delta, was named vice president by the Panhel executive board.

Other officers elected, by the council were Nita Messinger, Alpha Xi Delta, treasurer; Patricia Spatz, Chi Omega, corresponding secretary; and Mary Catherine Craig, Phi Mu, recording secretary.

Rotation System

The vice president is chosen by a rotation system of the sororities in order of their founding on campus. The sorority submits its vice presidential recommendations to the Panhel screening board which in turn selects the candidate it feels most competent. The vice president automatically becomes president the following year.

In other action the council passed two amendments to the revised constitution. One amendment states that a sorority which misses three consecutive meetings will be dropped from the council. However, the sorority can apply for reinstatement at the next council meeting.

Passes Amendments

The other amendment concerns the spring rushing code for next spring. The amendment states that a sorority may take as many second semester freshman women as it has graduating seniors plus freshmen or upperclass women to bring its quota to 50.

A motion was also approved to split proceeds from the IFC-Panhel Ball with Interfraternity Council on a 75-25 per cent ratio.

Counseling Program

The council decided to establish a counseling service next year during formal rushing which would work through the dean of women's office and disaffiliated alumni. Both sororities and rush-ees could apply to the service.

The sorority could benefit in that they would be able to find out if coeds had stopped rushing.

Changes for the rushing booklet were unanimously approved. One of the rules states that open bidding will begin one week after the formal rushing period. There will be a semi-silent period during that week. Originally there was a strict silent two-week period between formal and informal rushing.

Hillel Graduate Club

Hillel Graduate Club will hold a planning committee meeting at 7:30 tonight at Hillel Foundation.

The present Pennsylvania constitution, drawn up by a convention in 1873, has been amended 40 times.

Joanne Caruso
Panhel President

Free X-Rays Will Be Given

Employees of the University and seniors may have free chest x-rays on May 2, 3, or 4, when a mobile unit from the Bureau of Tuberculosis Control, Pennsylvania Department of Health, Harrisburg, will visit the campus.

Plans call for the location of the unit near the University Hospital; but, since wings are under construction, it may be necessary to locate the unit elsewhere on the campus.

The program, started two years ago, is intended largely for graduating seniors since many employers want a chest x-ray report before accepting an applicant for a position.

UCA Will Sponsor Square Dance Lessons

The University Christian Association will sponsor a series of lessons in square dancing techniques beginning Tuesday in the ballroom of the Hetzel Union Building.

The lessons, taught by Kevin Gelderman, sixth semester business administration major, will be held from 6:45 to 7:30 p.m. every Tuesday for the next six weeks. They will precede the weekly UCA square dance which will be held from 7:30 to 9:30 p.m.

All interested persons may sign for the lessons at the Hetzel Union desk. The fee is \$1.

'Flight' to Make 1st Full Dress Showing May 10

Angel Flight has tentatively set May 10 for its first full dress appearance, Ann Lederman, Flight Lieutenant, announced last night.

Miss Lederman also announced that the Flight will march on Armed Forces Day.

Uniforms for members of Angel Flight have arrived, Miss Lederman said. The uniforms are Air Force blue and have a straight skirt, half cape trimmed in silver, white gloves, and an air hostess cap. Skirts that are the wrong size should be returned to the Reserve Officer's Training Corps office in MacAllister Hall and new skirts ordered, she said.

Mrs. Buhrman, wife of Colonel Buhrman of Air Force ROTC, presented colored slides on "The Life of a Service Wife in Alaska." The slides included pictures of Eskimo family life and pictures of the accommodations afforded servicemen wives.

Miss Lederman set April 18 and 19 as the first dates for drill practice. Practice will start at 8 p.m. on April 18 and at 7 p.m. April 19.

Weather Man Predicts Rain For IFC Ball

It's spring. There's a big weekend coming up. Man's fancy turns to love. There'll be spooning by the moon. What moon? There may not be one.

Officials of the University weather station report there is a "good chance" for rain tomorrow night, the night of the big dance.

A low pressure area is heading for Nittany valley and there's a good chance it will arrive tomorrow, ushering in precipitation. The station officials said it is too early to predict the weather for the entire weekend.

Last year it was cloudy for the night of the dance. It rained Saturday.

Theta Sig to Meet

Theta Sigma Phi will nominate officers at its meeting at 7:30 tonight in 9 Carnegie, Mary Lee Lauffer, President, has announced.

Spring Exam Schedule

The spring semester final examination schedule will be published in tomorrow's issue of the Daily Collegian.

Senate Passes Rule On Jeans, Khakis

Women's Student Government Association Senate last night passed a ruling forbidding the wearing of jeans of all colors and khakis in dormitory dining halls. A blackmark will be given for each violation of this rule.

The rule, along with other WSGA rules as revised and approved at a previous meeting of Senate, will go into effect in the fall.

Senate also discussed a recommended ruling that Bermuda shorts and skirts above the knees be forbidden in dining halls, in administration buildings, on the golf course, and in classes, except in labs and on field trips where the instructor has given women permission to wear them. Senate will also look into the possibility of forbidding Bermuda shorts and short skirts in the Hetzel Union Building.

WSGA Retreat

April 30 was set as the date for the WSGA retreat. At this retreat members of Senate, House of Representatives, Freshman Council, and Judicial will discuss administration problems and policies.

Applications for membership on the Judicial Committee and Freshman Regulations Board are now available in the Dean of Women's office, 105 Old Main.

The applications must be returned by Wednesday. Applicants must have a 1.5 All-University average and no major judicial record.

Sixth and seventh semester women are eligible for positions on Judicial. Applicants should plan to serve until their eighth semester. Second semester freshman women may apply for Freshman Regulations Board.

Applicants will be interviewed by a screening board before appointments are made.

No Action on Drinking

The committee to discuss the drinking rule reported that no new action has been taken and that questionnaires to obtain student opinion are being considered.

The revised WSGA by-laws were present at last night's meeting. The new Senate will take over after Easter vacation.

Senate will not meet until after the Easter vacation.

WSGA House to Meet

Women's Student Government Association House of Representatives will meet at 6:30 tonight in Grange playroom.

Tourists provide Colorado with its third largest industry. In 1951 the income derived from more than three million travelers was estimated at \$220 million.

Prof Named Adviser

Dr. Earl P. Strong, director of the Bureau of Business Research at the University, has been elected to the editorial advisory board of "Personnel Management Abstracts," a bi-monthly publication in the field of personnel management.

Thru the Looking Glass

with Gabbi

Elections, Greek Week, I.F.C.—what else does one need to occupy his time and keep him from studying—later curfews, less classes, nicer weather?—vote for the House Party, a chicken in every garage, a car on every plate; what a crazy campaign we could have! Speaking of campaigns, you better start on some over the vacation—to kinda offset below grades that may be heading homewards—so take a peace-offering home from ETHELS.

Glasses without prescriptions

and more varied than State College weather (if that's possible). Heard someone say the other day, if you don't like our weather, just wait 5 minutes. For mixed drinks, glasses, patterned to appeal to the sportsman, that is the hunter, fisherman, the cotton picker, etc. are really masculine and handsome. For the feminine appeal, delicate shadings of rainbow colors that mom would be proud to put in the china closet or break in the dishpan. Or modernistic black and gold motifs that somehow belong in pine-paneled rooms (any rathskellar will do).

Decorate to be different

and this includes table settings, particularly placemats. We've seen them before, but have you ever seen them imbedded with real butterflies, leaves, ferns, and foliage? Delicate and unusual—nature's notions pressed between sheets of gold-speckled plastic make a lovely, dramatic design. Now don't disrupt your precious butterfly collection for a do-it-yourself campaign, nothing could be as unique as these!

Spike your salads

with chives, salt, herb blends, mustard sauce or garlic, add wine, vinegar and others—all available at the appetizing gourmet counter at ETHELS. Rich, infusions of unusual extract flavors steeped in the finest wine vinegar. Just try it and watch that lettuce salad stand up on end. While browsing, pick up a free copy of recipes for canapes, salads and main dishes. Many variations of tea, spiced and flavored to taste different from the stuff you drink when you're sick in bed. Stop in today. Have a vociferous vacation gang...
