

### TIM Dance To Feature Band Concert

The annual Spring Dance of the Town Independent Men will have a "So You Want to Lead A Band" contest as its highlight. The contest will be patterned after the Sammy Kaye television show of the same name. Contestants lead the band for one musical number. Judging is based on the conducting ability shown.

The semi-formal dance will be held from 9 p.m. to midnight Saturday in the Hetzel Union ballroom. Music will be provided by the Campusers, who will also conduct the contest. Anyone attending the dance may compete. Three winners will be chosen, and prizes, donated by local merchants, will be awarded for first, second, and third places.

Marvin Bollman, TIM social chairman, has announced there will be no admission charge for the dance. Couples only will be admitted but men do not have to be members of TIM.

### Cabinet—

sity vice president, junior and sophomore class presidents, traffic court committee members, student handbook editors, junior and senior prom chairmen, and Spring Week chairman and business manager.

Groups that have been dropped from the proposed budget entirely are National Student Association, \$600; Tribunal, \$20; Traffic Court, \$30; and the Annual Report, \$400.

However, the Senior Class Permanent Reunion Fund was upped from \$1750 to \$2000 and the carry-over fund from \$1600 to \$2000.

It will also be proposed that a Student - Faculty - Administrative board be set up in each college to consider student appeals on educational procedures and standards.

The various college student councils would act as preliminary screening boards for student appeals, then sending them on the Student-Faculty board.

Robert Dennis, AIM president, who wrote the report, said that students should have the right to express his opinion on the methods of education in his college.

Cabinet will also hear a proposal for a Joint Student Committee on Town Affairs, which is suggested by the Town Independent Association.

The joint committee would be a liaison between town students and the town and would make reports on town affairs to interested groups.

The committee will be composed of a member from Association of Independent Men, Interfraternity Council, Women's Student Government Association Cabinet, and an adviser from the Dean of Men's office. The committee would not have legislative powers.

The University had opened its doors to students only three years before the Civil War broke out.

### Lost, Found Center Starts In Library

A variety of odds and ends are slowly building up into a lost and found department in the receiving room of the Pattee Library.

The receiving room which is normally a clearing place for new books coming into the Library is being swamped with everything from raincoats to slide rules, which forgetful students have left behind.

The long list of items found in the library includes dozens of men's wool scarves, rubbers, boots, textbooks, umbrellas, and gloves in all sizes and colors. Mrs. Grace Holmes, receiving room clerk, said that if students who have lost these articles, do not claim them by next week, they will be sent to the Student Union desk to be disposed.

If any student has lost a personal article in the library he should call Mrs. Holmes at the University extension 513 or go to the receiving room by the northeast entrance of the Pattee Library.
