

AIM Reports OK'd; Allotments Approved

Three year-end committee reports were accepted last night by the Board of Governors of the Association of Independent Men and allotments were designated to the four area councils from the AIM treasury.

Edward Stoops, chairman of the AIM Judicial Board of Review, gave a brief run down of the board's activities for the year as well as an historical sketch of its progress since its organization in September 1953.

More Cases Heard

Stoops said that more cases of student delinquency had been heard by the board already this year than were heard in the two previous years. This is not due to increased student misconduct, he explained, but should be attributed to the administration's growing confidence in the activities of the board.

The judicial board, which is made up of eight members and a chairman, will accept applications for members for next year's board in the near future, Stoops said.

'Debut' Report Read

James McDowell, AIM vice president and chairman of the Dink Debut dance which was held last fall, read the dance committee report. The board accepted this report along with a report of the Autumn Ball committee.

The AIM treasury allots money every year to the four area councils according to the number of independent men living in each of them. The allotments for the coming year are: West Residence Halls, 1167 men—\$114.76; Pollock, 488 men—\$48.47; Nittany, 908—\$89.69; and Town Independent Men, 3083—\$304.18.

Raymond Rubner, TIM vice president said the student-town committee, set up by All-University Cabinet, would handle town independent problems for all independents and not just problems of independents living in town.

Rubner also announced that Donald Weidner, TIM president, has resigned because of personal reasons.

The board will meet at 7:30 p.m. next Wednesday in 203 Hetzel Union Building to nominate officers for the coming year, McDowell announced. Final nominations and elections will be on April 27.

Graduation--

(Continued from page one)

Kenworthy also said that "a number of seniors expressed the opinion that they would not want to select two of their guests to go indoors and not be able to include the others. Rather than this, they felt that they would prefer to remain together and listen by radio.

"In spite of these problems, no one is looking for the easy way out, and every effort will be made to find the best possible arrangement," he said.

The present plans provide for a broadcast of the basic graduation program from a closed location if storm conditions prevail.

The decision as to what constitutes "storm conditions" would be made by the commencement committee and probably the secret services attaches to the president, Kenworthy said.

Student Auto Involved In Borough Accident

Christopher Ernst, sixth semester industrial engineering major, was involved in an automobile accident Thursday at W. College avenue, near S. Frazier street.

Police reported that Ernst's car pulled from a parking stall and collided with one operated by Dessa Keller, State College. Damage was estimated at \$150.

Showers Are Forecast

Spring showers are forecast for today by the University weather station. Today is also forecast to be cloudy with little change over yesterday's temperatures.

The high mercury reading yesterday was 48, and the recorded low was 39 degrees.

Programs INVITATIONS

COMMERCIAL PRINTING
352 E. College Ave.

Classroom--

(Continued from page one) have the Latin American students attending the University as their guests for dinner.

Radio program on WDFM and WMAJ will also commemorate the day. A discussion about the republics between the Pan-American students and United States students who have visited other of the republics will be heard from 8 to 8:30 p.m. on WMAJ.

Students listening to station WDFM will hear Pan American Music from 9 to 9:15 p.m. Listeners of WMAJ will hear Pan American Music from 10:30 to 11 p.m.

Informal Dance

An informal dance from 9 to 12 p.m. Saturday in Waring Lounge will be in honor of the Pan American Republics. Mrs. Sheppard's School of Dance of Boalsburg will lead the group in the "La Raspa" and other Latin American dances during the intermission.

A Pan-American exhibit will be displayed in the Pattee Memorial Library today through Saturday.

The All-University Pan American Day Committee was composed of students representing the student organizations.

5 Thefts--

(Continued from page one) that the boys were after only small change.

The only known items taken from Theta Chi were two bottles of ginger ale and one of soda water taken by two of the 12 youths.

Most of the high school boys apprehended by police are in the eighth or ninth grades. Police said several of them admitted participating in a series of small incidents several months ago when windows of a number of homes and cars were broken.

Police questioned about six other youths, besides the 12, last night. The 12 will be turned over to county juvenile authorities for further action.

Police cited another theft in State College during the past three days which may possibly be connected with the fraternity burglaries. Twenty-five dollars was taken from the Penn Sandwich Shop sometime between 6 p.m. Monday and 8 a.m. Tuesday, they said.

Ed Council Nomination Slips Are Available

Nomination blanks for Education Student Council elections will be available at the Hetzel Union desk today through April 22.

In order to be eligible for nomination a student is required to have a 1.2 minimum All-University average.

Elections will be held on April 27-28 in front of Schwab Auditorium.

Accounting Club to Meet

Alvin Peterson, of the Arthur Anderson accounting firm, Pittsburgh, will address the Accounting Club at 7 tonight at Sigma Alpha Epsilon fraternity.

PA System Use To Be Restricted To Noon, After 5

Organizations using the mobile public address system to publicize events will henceforth be restricted in the use of the equipment to the hours of noon to 1 p.m. and after 5 p.m., the Senate Committee on Students Affairs decided last Thursday.

Wilmer E. Kenworthy, director of student affairs, said the use of the equipment by an increasing number of organizations had become an annoyance to classes, laboratories, offices, meetings, and the general atmosphere of the campus thus necessitating the Senate committee's action.

Organizations desiring permission to use the equipment at hours other than those specified may present a request to the Senate committee through the All-University president.

Prexy Recovering From Pneumonia

President Milton S. Eisenhower is resting comfortably and regaining strength at his campus residence after suffering an attack of virus pneumonia during the Easter vacation period.

President Eisenhower first became ill March 31 while in Washington D.C. to address a meeting of alumni class agents for the Centennial Alumni Fund.

His condition was diagnosed as influenza at that time. President Eisenhower has remained at home since returning to the University and has not been able to work at his office, but has been doing some work at home.

Froth Circulation Staff

All boards of Froth circulation staff will meet at 6:30 tonight in 217 Willard.

9 Appeals Boards To Be Proposed

A recommendation calling for the creation of student-faculty-administrative boards in the nine Colleges will face All-University Cabinet tonight.

Purpose of the boards would be to consider "student appeals on the matter of educational procedures and standards," according to the proposal, to be presented by Robert Dennis, Association of Independent Men president.

Cabinet's new officers, elected March 30 and 31, will be sworn in at the meeting along with several new Cabinet members.

AGENDA

Old Business
1. Student-Faculty Board proposal

New Business
1. WDFM Finances
Installation of officers and members

Cabinet will meet at 7 tonight in 207 Hetzel Union. All meetings of Cabinet are open to the public.

Ross Clark, Tribunal chairman, will swear in All-University president-elect Earl Seely, vice president-elect Robert Sturdevant, and Phillip Beard, secretary treasurer-elect.

Other new Cabinet members, including the new presidents of the junior and senior classes, Women's Student Government Association, Interfraternity Council, Panhellenic Council, Leonides, and Women's Recreation Association, will also be installed, as provided for in the newly-adopted Cabinet constitution.

Ted Bair, station manager of WDFM, will present a report at Cabinet's request, on the system of financing used by the student station. Bair was asked to report why the station does not use the facilities of the Associated Student Activities office for handling its finances.

Bair said last night the station's

funds are handled through the purchasing department of the University.

Dennis' recommendations, if approved by Cabinet, will go to three groups.

The Colleges will be asked to create the boards, the nine student councils will be asked to act as screening boards for student appeals, and the University Senate will be asked to approve the boards which would work in coordination with Senate's Academic Honesty Committee.

Dennis' recommendation states: "It is desirable that the student have the right to express his opinion concerning the methods of education under which he is enrolled."

Attention College men--

UNITED AIR LINES needs pilots and flight engineers!

Wonderful career opportunities with the nation's number one airline now open to qualified men. Company benefits include excellent pay, broad insurance program, retirement income plan and others.

Qualifications: Height 5'-7" to 6'-4". U. S. citizen, commercial pilot license with 165 hrs. or more, pass flight physical with no waivers. Age 21-28.
