More than 350 Pennsylvania educators will attend the 6th annual conference of the Pennsylvania Association for the Study and Education of the Mentally Gifted, to be held tomorrow at the University. The theme of the conference is "The Nature of Enrichment."

The opening session, scheduled for 9:30 a.m., will include greetings from Dr. Marion R. Trabue, dean of the College of Education; Dr. Charles M. Long, professor and head of the department of education; and Lawrence Dennis, administrative assistant to the president of the University.

The Physical Education and Athletics Student Council has ruled that officers of the newly-formed Student Major Club will be elected by the combined votes of outgoing and incoming council officers.

The club will plan and conduct the social functions of the College which formerly were under the supervision of the council. Officers must have a 1.0 All-University average.

Plans were also announced for Sportsmen's Holiday which will be held May 22 on Holmes Field.

The program will include informal team sport participation and a dinner at 5 p.m., according to program chairman Ralph Cryder. The event is open to students and faculty of the college.

newly formed Joint Committee on Town Affairs, are Robert Sturdevant, Ray Rubner, Donald Weidner, Jane Gutteron, and John Russell.

#### Encampment Committee

Appointed to the Student Encampment Committee were Richard Seng, Sanford Lichtenstein, Hugh Cline, and Ann Lederman.

Roger Beidler was appointed chairman of the Elections Committee. Elizabeth K. Abel was named chairman of the Dean of Men's Coffee Hour Committee.

Eugene Wethers was appointed chairman of Traffic Court. Four other students will be appointed to Traffic Court next week.

A report was presented by John Speer, chairman of the Ring Committee, on allowing two-year students from University centers to own class rings.

#### Request Rings

The problem Speer presented was that of having students off-campus buy rings. About 200 students from centers have requested to own rings, but this is against University policy.

The Rings Committee is sending out questionnaires to other universities to determine whether they allot class rings to off-campus students. Results of this poll will be presented at next week's meeting.

A decision will also be made by Cabinet on the problems at this meeting.

WHAT'S THIS?  
For solution see paragraph below.

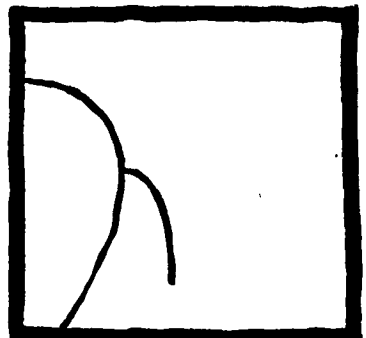

A WONDERFUL SLANT on smoking! You'll find it in the Droodle above, titled: Tourist enjoying better-tasting Lucky Strike while leaning against tower of Pisa. If your own inclination is toward better taste, join the many college smokers who prefer Luckies. From any angle, Luckies taste better. They taste better, first of all, because Lucky Strike means fine tobacco. Then that tobacco is *toasted* to taste better. "It's Toasted"—the famous Lucky Strike process—tones up Luckies' light, good-tasting tobacco to make it taste even better. Little wonder that Luckies tower above all other brands in college popularity!
