FAITH GALLAGHER is crowned 1955 May Queen by Patricia Ellis, Women's Student Government Association retiring president, above. Freshman Maid of Honor Katherine Dickson is seated at Miss Gallagher's left. Below, Bobby Burcik, one of the queen's trainbearers, and Gretyl Yeager, flower girl, look a wee bit weary as they watch the May Day festivities from the foot of the queen's throne. The program was held Saturday afternoon in front of Old Main. Miss Gallagher wore a white eyelet organdy gown with wide straps and a full unpleated skirt. She was attended by two attendants from each of the senior, junior, sophomore, and freshman classes. Twenty outstanding seniors formed the honor arch through which the queen walked, and thirty-six senior women made up the Hemlock Chain.

Spotlighting K A T

By BECKY ZAHM

The Beta Phi chapter of Kappa Alpha Theta was established at the University in 1931. Before becoming national, it was a local group known as the Nit-A-Nees.

Theta was founded nationally in 1870 at DePauw University in Greencastle, Ind., and is the second oldest women's college fraternity. There are 78 collegiate chapters.

Kappa Alpha Theta's national philanthropy is contributing to the Institute of Logopedics in Wichita, Kan. The local chapter raises money for this project by holding an annual Theta Bazaar in the fall. Last year the chapter contributed the highest amount of the national chapters. They also hold an annual Christmas party for underprivileged children and support a war orphan in France.

The Beta Phi chapter has won the IFC-Panhel sing for the past two years, and last year won the Intramural sports award. The chapter also participates in Spring Week and has a booth in Mardi-Gras.

Six Thetas are members of Mortor Board, three are members of Scrolls, one is a member of Chimes, and four are Cwens. Miriam Jones is president of Cwens. Another Theta, Patricia Farrell, is president of Women's Recreation Association.

Each year the sorority presents a scholarship bracelet to the member of the pledge class having the highest average. Dorothy Swanson, a Theta sister, won the Sparks Award last year. This award recognizes the student who shows the greatest improvement in achieving a perfect average. The scholarship average of the 49 sisters is 1.97.

The Thetas have had finalists in the Homecoming and Junior Prom queen contests and Nancy Scofield and Anne Cain served as attendants to the May Queen this year.

Officers of Kappa Alpha Theta are Elizabeth Kraabel, president; Patricia Farrell, first vice president; Ann Lederman, second vice president; Kathleen Greytok, recording secretary; and Barbara Easter, treasurer. Mrs. Shirley Bernreuter is advisor.

MISS BARBARA FORREST

Okay, Joe?

Besides Miss Gallagher, there were two girls at May Day festivities who caught my eye as unusual beauties. One is Kitty Dickson and the other Lillian Hamer. Both wonderfully relaxing to the eye.

Right at this moment, natural color post cards are in production of Saturday's ceremony and will be available in June.

Speaking of color cards, if you've been blinded by flashbulbs day and night at the HUB it's because color shots are being taken of the exterior as well as the interior.

As many of you may already know, one of our retouchers has a degree in plastic surgery. Any way FATHER'S DAY is approaching and if you want the full treatment, make an early appointment.
