

# Kerr Is Granted Danforth Fellowship

Kay Kerr, eighth semester recreation education major, has been granted a Danforth Fellowship for the school year 1955-1956.

The Danforth Foundation presents a series of fellowships each year to graduating senior women interested in spending a year at some college or university in student Christian work.

Only one girl can be chosen from each state, and the accepted students are sent at least 1000 miles from the campus where they did their undergraduate work.

Miss Kerr's name was submitted to the Foundation by William R. Shaffer, assistant professor of engineering mechanics and Danforth associate for the State College area.

### Will Attend Camp

She will spend the month of August at Camp Minnewatka, Mich., where she will be given the orientation program for Danforth graduates, and meet the members of the committee that selects the "Danny grads." During this orientation period she will be assigned to a college for next year.

Room and board for the year are paid by the Foundation, and each Danforth graduate lives in a woman's dormitory. Schools must make a request for a Danforth student.

### Covers Other Schools

While working on the campus, each Danny grad is responsible for schools within a 100-mile radius.

Miss Kerr said she didn't know what type of work she would be doing until she reached her assigned school. She is interested in YMCA work, and is presently recreation director for University Christian Association.

Carolyn Allen, a graduate of the University of Minnesota, is this year's Danforth graduate at the University. Miss Allen works as a program associate of UCA and with church groups in State College. In September she will enter graduate school at Union Theological Seminary in New York to continue her study of sacred music.

## Import Time Again!

ooooo ooooo

It's that time again when ..... (I won't mention the word) flock to P.S.U. for the local doings. C'est la Vie.

However there is something you lucky girls with dates can do, and that's look your best. You see, imports do not have the advantage of Simon's wonderful selection of dress shoes.

Not only can these shoes be worn to the dance, but also later on in the summer. This is economical and daddy will like you.

There are the lustre calf in blue, lavender, pink, and yellow. Also beautiful black Tal silk which is the latest, not to forget are the white (Barrathea white) silk shoes. Of course, there are handbags to match. These are perfect for summer wear.

Lastly Simon's has the standard white linen which can be dyed any color—to match any gown.

Foot wise you can't beat Simon's selection for dance and summer shoes!

# thru the Looking Glass

By Gabbi

I dreamed I went to Spring Carnival in my bermuda shorts (or fur-lined levis—oh, those gals in swimsuits). Forsake bluebooks and reports—Spring Carnival is the greatest: specially since I took 2 trophies for Ugly Girl and She-Man. Think how I'd rack up points for biggest goof-off! Slight pause while I finish leafing thru MAD comics for more material.

Cards to deal with are the new variations at ETHELS in greeting cards that lift you out of your seat and slap you hard! Just racks and racks of hilarity and garolous greetings. Just as thoughtful as roses or cashmeres for saying happy birthday or best wishes. Great decorations for dorm bulletin boards.

Real cool daddy-o My, such talk for a cultured goil—but these are really, cause they're Scotch Kaddies that go wherever the family goes a-picnicking. Sized to fit your need and budgets, they are like huge thermos bottles—keep vittles warm or cold—you pays your money, you takes your choice. Great for car travelers, too, does much for upholstery.

Make that gift hard to open and more irresistible, by using some genius' new idea for making a million—Stik-ons by name. Combined packages of ribbons and designs from pipe cleaners—the whole works 25 cents. Makes waste baskets more interesting afterward. Drop in today for a browsing session at ETHELS, no fear from high-pressure salesmen, unbelievably, they think students are great! See you thar—
