MEMBERS OF ANGEL FLIGHT stand at attention while the American flag is lowered during the weekly Air Force ROTC drill session in front of Old Main. The Flight made their second appearance as a marching unit with the Air Force yesterday. They will march in the Armed Forces Day parade tomorrow night. The Flight is an auxiliary corps to the Air Force unit, and serve as hostesses for meetings and social events.

Panhel Sets 'Budgets'

Panhellenic Council last night passed a motion to again set the maximum rushing budget of each sorority at \$70. This figure is the same amount allotted before except that it will be \$70 for each of the two formal rushing periods, in the spring and fall. Each sorority must send an itemized budget to the dean of women's office to show that the money was evenly distributed on the rushing functions. Council took a final vote on the constitution change that the grade -2 be replaced with the

words "averaged as a failure". A motion was passed to set up a library which will contain fraternity booklets and a fraternity-sorority directory. It would cost about \$7 and would be available to all sororities. Council also discussed a rushing problem which will come up next spring because of an increase in the number of transfers. About 150 transfers are expected next January as compared with the 88 for this year. A committee was appointed to look into this problem which is expected to exist for several years.

MISS KITTY DICKSON

Okay, Joe?

So far, Kitty is the loveliest Okay Joe of this school year. She represented the local Phi Epsilon Pi chapter in a national Phi Epsilon Pi contest. At two of the many parties we photographed this week-end, there were pinning serenades going on. It was a beautiful sight to watch the men in their white jackets and candle illumination, serenading this one lucky girl. We photographed this affair at both houses and the results were quite striking. So, if you'd like something unusual for your scrapbook, give us a call if you expect to be doing the honors.

Saw a movie the other night showing all the contestants individually of the latest "Miss Universe" Contest. There wasn't one beautiful girl in the entire procession. To top it off, the American contestant who won the title was probably the least fit, so far as beauty anyway. I used to wonder about the qualifications for these contests. I no longer wonder.

Remember, a beautiful portrait is worth a thousand letters.

Sincerely,
b.c.
