

Lion Lacrosse Squad To Begin Fall Drills

The Lion lacrosse team, fresh from one of its most successful seasons in five years, will commence fall practice Sept. 26, according to head coach "Nick" Thiel.

Thiel, who will begin his twenty-second year at the helm of the Nittany stickmen next spring, will have three of last year's regulars back in the fold around whom he can build his team.

The veteran mentor said that freshmen interested in going out for lacrosse should report at the Water Tower at 4 p.m.

Oct. 3 for practice. He emphasized the fact that no previous experience is needed to play lacrosse. Anyone who participated in high school athletics would not find the sport difficult to play, he added.

The stickmen ended up on the blue side of the ledger for the first time since 1951 last spring as they won six of their last seven matches to post a 7-5 card. They also were crowned the Pennsylvania-Delaware champions.

Hamel Returns

The returning stickers will be led by attackman Bob Hamel, who was runnerup in scoring last year. His 19 goals were only one behind the top man in that department, Joe Erwin. Both Erwin and Hamel were named on the Penn-Delaware all-star team. Hamel was also runnerup in scoring in 1954 when Al Fulton broke the individual Penn State scoring record.

Another returning attackman, Frank Locotos, will be back to chip in his share of the goals next spring. Locotos was given honorable mention in the Penn-Del selections last spring.

Bullock Back at Defense

One of the outstanding defensemen of last season's team, Bob Bullock, will be back to halt attacks on the Lions' goal. Match after match Bullock was named the outstanding defenseman.

The remainder of the squad will be made up of underclassmen who picked up valuable experience in second string roles last season.

Sunday Hike to Be Held

Have nothing to do Sunday afternoon? Feel like some outdoor pleasure? Here it is—a hike to Mt. Nittany.

Penn State's Outing Club will open its activities Sunday at 2 p.m. with a picnic hike to Mt. Nittany. The group will meet behind Old Main "rain or shine" at 2.

As for rewards—a picnic wiener roast will be held atop Mt. Nittany at 5 p.m. The group will return to Campus at approximately 7:30. The Outing Club will hold its

first meeting Monday at 7:30 p.m. in 121 Sparks. At that time applications for membership will be distributed. Membership per year is \$2.

Gordon McCartney, president, said yesterday that in the event of rain canvas shelters will be erected for the wiener roast.

In addition to officers David Boucher, vice president; Miriam Rahsauer, secretary; and Jean Henry, treasurer, there are 12 other club officers. Numerous committee chairmanships are also available.

new head grid coach. He'll install the split-T attack for the Panthers this year in addition to filling the holes left by halfback Henry Ford and tackles Eldred Kraemer and Lou Palatella. Both tackles were a tough team and Ford was the backbone of the '54 defense. To replace them will not be easy.

In addition Michelosen, who will be relying on a large number of sophomores who broke in to the lineup in 1954, says, "We have some holes to fill. But we'll also have to improve our passing attack."
