

# Sororities List 424 Rushees

Four hundred twenty-four women students have been officially registered for formal sorority rushing, according to Jeanne Lindaman, assistant to the dean of women in charge of sorority affairs. Only one of this number had dropped out of rushing as of yesterday.

Co-eds continued the first round of coke dates which began Monday at the sorority suites. They are from 1 to 5 p.m. and 6:30 to 9:45 p.m. and are by invitation only.

## Edgerton To Open LA Series

Dr. William B. Edgerton, assistant professor of Russian, will talk on his two month tour in Russia at a lecture at 8 p.m. Thursday in 121 Sparks. The lecture is open to the public.

The address, first of the Liberal Arts Lecture Series, is jointly sponsored by the Russian Area Committee. Dr. Edgerton will illustrate his talk with 200 colored slides he took on his tour during June and July.

Dr. Edgerton spent one month of his visit in the universities and libraries of the Soviet Union to do research on a biographical and critical study of Nikolai Leskov, a Russian writer of the nineteenth century. Part of his visit was spent with a group of six American Quakers representing the American Friends Service Committee.

A native of Winston-Salem, N.C., Dr. Edgerton believes that his association with other scholars in Russia is the first such scholarly contact an American has had in many years.

He received his bachelor's and master's degrees from Guilford College in 1934 and 1935. In 1954 he obtained his doctor of philosophy degree from Columbia University. Dr. Edgerton, who has been at the University since 1950, was on leave last year as visiting assistant professor of Slavic languages and literature at the University of Michigan, Ann Arbor.

Rushees may pick up and return answers to invitations for the second round of coke dates between 10 a.m. and 12:30 p.m. tomorrow at the Panhellenic post office in Atherton. Miss Lindaman has urged all rushees to pick up these invitations on time and return their answers promptly.

During the second round of coke dates the rushees are limited to accepting only six invitations. The girls visit the various sororities for approximately an hour each as their free time permits. Rushees and sorority members talk, play cards and sing. No refreshments are served at these functions.

Rushing parties will begin Thursday night and continue Friday with each sorority giving the same party both nights. An exception to this will be Alpha Epsilon Phi, Phi Sigma Sigma and Sigma Delta Tau, which will have parties Thursday night only with coffee hours Friday night.

All other sororities will hold their coffee hours Sunday night. Rushees will pick up invitations to this Saturday which is otherwise free of rushing activity because of the football game. Rushees may attend only two coffee hours, which are the final stage of formal rushing.

Rushees of Alpha Epsilon Phi, Phi Sigma Sigma and Sigma Delta Tau will sign their preferential cards Friday night between 10 and 11 in the dormitories. All other rushees will sign their cards Sunday night between 10 and 12 in the dormitories.

All rushees will get their bids Tuesday between 5:30 and 7 p.m. in the office of the dean of women. Ribboning will take place at 7 p.m. in the suites.

## Chamber Music Ticket Sales Begin at HUB

Tickets for the Chamber Music Series sponsored by the State College Choral Society will go on sale today at the Hetzel Union desk.

The tickets, which cost \$6, will not be sold separately but for the entire series.

The Choral Society will present the New York Trio as the first of the series at 8 p.m. Oct. 10 in the State College High School Auditorium.

Other programs of the four-concert series will be the New Music String Quartet, Ralph Kirkpatrick on the harpsichord, and the Budapest String Quartet. The New Music Quartet will present an afternoon workshop demonstration as it did in a previous appearance in State College.

The New York Trio, formed in 1950, is composed of Fritz Jahoda, pianist; Rachmael Weinstock, violinist; and Otto Deri, cellist.

## Corporations Establish Two \$500 Scholarships

Foundations of two corporations manufacturing ceramic products have established \$500 scholarships at the University to encourage students to enter the field of ceramics.

They are the Swindler-Dressler Corp., Pittsburgh and the National Refractories Co., Philadelphia.

## UBA to Stop Accepting Books for Student Sale

The Used Book Agency will stop accepting books for sale tomorrow and only a limited number will be accepted today.

Books that will be received today are English Composition 1; History 20; Philosophy 1 and 2; Economics 50; Commerce 25, 30, and 31; Sociology 1; and Zoology 25.

UBA has sold a record-breaking 6000 books since last Wednesday, according to John Knaff, UBA manager.

Knaff said the agency has had to refund money to students who failed to check the book-list provided. "Many departments have changed texts for different courses," Knaff added.

The agency will be open for selling of books through noon Friday. Refunds will be made from Oct. 3 to 8. Hours are 8:30 a.m. to 9 p.m.

Books and money not claimed in 30 days become the property of the organization, Knaff said.

The Penn State Book Exchange, the UBA's sister organization, selling a complete line of everyday school needs, had approximately 10,000 cash customers in six days of operation, according to Michael Znachko, BX advertising manager.

The BX will continue to be open this week from 8:30 a.m. to 9 p.m. Starting Monday, the BX will close at 5:30 p.m.

Znachko said the 50-cent refund for every \$5 accumulation of purchases will be made starting Oct. 10.

The BX's best-seller is a notebook "special." Students may

purchase a three-ring loose-leaf binder containing a plastic pencil holder, plastic index cards, and 100 sheets of paper for \$3.25. The notebook displays the University seal in gold print.

The UBA is accepting drawing instruments for sale in the BX.

## Prexy to Chair Education Group

President Milton S. Eisenhower will serve as chairman of one of the five main sections of the 38th annual meeting of the American Council on Education to be held Oct. 6 and 7 in Washington, D.C.

Theme of the meetings will be "Goals and Progress in Planning for the Future of Higher Education."

Eisenhower will serve as chairman for the session on "The Responsibility of Higher Education for Helping Develop International Understanding."

One of the principal speakers at the meeting will be Dr. Harold C. Hunt, newly appointed under-secretary of health, education, and welfare.
