## UCA Offers Graduates 3 Programs

The University Christian Association has announced three programs for graduate students.

Included in the program will be a graduate seminar entitled "Studies in a Great Christian Thinker." This group will make an intensive study of the writings of an outstanding Christian thinker, to be selected by the group.

An adviser for the group will be selected from among the UCA staff and faculty members, depending upon the thinker selected. The group will function as a seminar, and will meet two evenings a month.

The first meeting of the group will be held at 7:30 p.m. Monday in 304 Old Main.

The second program will be a graduate discussion group which will meet two evenings a month to discuss topics to be selected by the group. Last year's group discussed such topics as "Christian Faith and Modern Thought," and "Christianity and the University." The first meeting of the group will be held at 9 p.m. Monday in 304 Old Main.

The third program is a graduate International Club. The purpose of this group is to provide an opportunity for foreign students, especially graduates, and American graduate students to get acquainted with each other and to gain a deeper understanding of each other's cultures. Programs include speakers, films, and panel discussions. Among last year's topics were "Our Human Rights Under God," "Obstacles to European Unity," "Purposes of Education," a series dealing with the United States, Europe, and Israel; and "Students in a Revolutionary World." The first meeting will be held at 7:30 p.m. Monday, Oct. 3, in 304 Old Main.
