IF YOU'RE UP A TREE about what cigarette to smoke, there's a pleasant point of view in the Droodle at left. It's titled: Davy Crockett enjoying better-tasting Lucky as seen by b'ar in-free. Luckies taste better for a *hatful* of reasons. First of all, Lucky Strike means fine tobacco. Then, that thar tobacco is *toasted*. "It's Toasted" — the famous Lucky Strike process — tones up Luckies' light, mild, good-tasting tobacco to make it taste even better... cleaner, fresher, smoother. So set your sights on better taste—light up a Lucky yourself!
