

# Russia Cautioned Twice On Arms Export—Dulles

WASHINGTON, Oct. 4 (AP)—Secretary of State John Foster Dulles disclosed today he has twice told Russia that Communist arms shipments to Egypt would not "contribute" to lessening of the world's strains.

He said American officials "still hope it will be possible to avoid" getting into any arms race in the Middle East.

At the same time, Dulles said "there is every reason to anticipate that before long it will be possible to talk to the President" about any foreign policy matters that may become urgent.

Dulles stressed that Eisenhower's illness has not interfered with carrying out the nation's foreign policy because the National Security Council has continued to operate along lines previously approved by Eisenhower.

### First In a Month

Dulles was appearing at his first news conference in a month.

Dulles left open the possibility of the United States sending arms to Israel to balance any Communist military shipments to Egypt and other Arab countries. He said, in reply to questions, it was impossible to say whether American arms shipments were a likely prospect, "because it would depend on the amount and type of Communist arms provided Arab countries."

With regard to other questions on policy developments, Dulles: 1. Said he believes the Big Four Foreign Ministers will make positive progress at Geneva, in a meeting to begin Oct. 27, toward the Western goal of reunifying Germany.

### Predicts Greater Unity

2. Said the Western Big Three countries will enter the Geneva meeting with greater unity of purpose and program than they have ever achieved before in such negotiations with Russia.

3. Expressed firm belief France's withdrawal from the United Nations last weekend was a temporary matter which did not mean the French government would pull out of the U.N.

# Greece's Papagos Dies Unexpectedly

ATHENS, Greece, Oct. 4 (AP)—Greece's Premier Marshal Alexander Papagos, victor over Mussolini's legions in World War II and the Communists in post-war battles, died tonight. He was 71. The Greek warrior-politician suffered a lung hemorrhage and died of heart exhaustion. He had been ailing for months but his death had been unexpected.

The first person to be notified of his death was Foreign Minister Stephan Stephanopoulos. Earlier today, Papagos signed papers nominating Stephanopoulos as a provisional premier during his illness.

### Cadet Council to Elect

Cadet Military Council will meet at 7:30 tonight in 109 Armory. Officers will be elected and a program for the year will be arranged.

### Pershing Rifles to Meet

Active members of Company B-5 Pershing Rifles will meet at 7 tonight in the Armory. Class 'A' uniform should be worn.

# French Battle Tribesmen

RABAT, Morocco, Oct. 4 (AP)—French troops battled rebel mountain tribesmen today in the fourth straight day of scattered vicious clashes in Eastern and Northern Morocco.

A major battle appeared to be brewing a few miles south of the Spanish Moroccan border. There was no official estimate of the numbers involved, but unofficial accounts for the scene said the area was in "full boil."

As the tension increased, France's resident general, Gen. Pierre Boyer de Latour du Moulin, appealed for peace. Cautioning against plunging the protectorate into civil war, he said he was seeking a solution acceptable to all.

The fighting was principally in the Riff Mountains between Taza and the Spanish Moroccan border, some 150 miles west of Rabat. But there were widespread guerrilla-type attacks in sparsely settled areas and the French were hard-pressed to stem the violence.

The tribal raids began a few hours after Sultan Mohammed Ben Moulay Arafa, with a strong push from the French, left his palace in Rabat and flew to the international city of Tangier. The Sultan's removal was part of a French plan for Moroccan reforms.

# Lewis Suffers Slight Attack

WASHINGTON, Oct. 4 (AP)—John L. Lewis' physician said tonight doctors had decided the veteran head of the United Mine Workers "had a very minimum heart attack about two weeks ago."

The physician, Dr. John Minor, said Lewis was doing well and probably would go home the end of this week.

The 75-year-old UMW chief entered Emergency Hospital here Sept. 23 for what was then described as a rest and checkup.

### Adenauer, Faure

# European Leaders To Discuss Saar

BONN, Germany, Oct. 4 (AP)—West German Chancellor Konrad Adenauer and French Premier Edgar Faure will meet in Luxembourg tomorrow to discuss the Geneva conference and the troublesome Saar problem.

# Horst Receives Vote of Faith By 35 GOP's

HARRISBURG, Oct. 4 (AP)—Thirty-five Republican county chairmen gave Miles Horst a unanimous vote of confidence today to serve out the balance of his two-year term.

The vote came on a motion by Henry C. Lark, Northumberland County chairman, who assailed attempts by some party contributors to oust Horst by withholding funds.

Horst has been state chairman since June, 1954.

"Some of the financial people are trying to starve him (Horst) out," Lark declared.

"They are not really trying to get rid of Horst—what they are trying to do is get rid of organized Republicans."

Lark's remarks were made at a meeting of the county chairmen here while on their way to Philadelphia to attend a \$100-a-plate Republican campaign fund-raising dinner.

Horst, who called the meeting, predicted in an address to the county chieftains that Gov. George M. Leader will come up with "a new version" of his rejected classified income tax after the Nov. 8 municipal election.

"Gov. Leader is trying to give the impression that he has given up his efforts to force his unfair and unjust wage and income tax through the Legislature this year, but we say, don't be taken in," Horst declared.

### Ag Eng Society to Meet

The American Society of Agricultural Engineers will meet at 7 tonight in 105 Agricultural Engineering.

### Froth Advertising Staff

The Froth Advertising staff will hold a deadline meeting at 6:30 tonight at the Froth office in the Hetzel Union Building.

### IRRA Will Meet Tonight

International Relations Research Association will meet at 8 tonight in 317 Willard.

The government press office announced tonight that the two leaders will confer for one hour, adjourn for lunch and then resume their discussions if necessary.

In Paris, the Foreign Ministry said Faure and French Foreign Minister Antoine Pinay will fly to Luxembourg after a cabinet meeting in the morning.

The Foreign Ministry said the talks will be principally in preparation for the meeting of the Big Four foreign ministers in Geneva Oct. 27.

But West German Foreign Minister Heinrich von Brentano yesterday in Washington indicated full German approval of Western strategy for the Geneva meeting.

Therefore, political sources here said, the Luxembourg meeting will be concerned mainly with the threatened rejection by Saarlanders of their new European status in a plebiscite on Oct. 23.

Reports from the Saar say that at least 60 per cent of the voters will say "no" to the arrangement which would keep their German-speaking territory detached from Germany under administration by a European commissioner.

Coming just before the Big Four foreign ministers meeting, such a rejection would be a blow to Western unity.

Sources here believe Adenauer and Faure will seek means of dampening down the disruptive effects of what will probably amount to a vote for a return of the 900-square-mile coal valley to Germany.

### ACE to Hold Mixer

The Association for Childhood Education, professional education association at the University, will hold its first meeting and a mixer for students interested in education at 7 tonight in Atherton lounge.

Refreshments will be served.

### Advertising Workshop to Meet

The Players Advertising Workshop will meet at 7 tonight in the loft of Schwab Auditorium.

# Menon Asks World To Renounce War

UNITED NATIONS, N.Y., Oct. 4 (AP)—India's V. K. Krishna Menon called on the world today to renounce war and throw away its atomic weapons.

"There is only one way before the world and that is for the nations to renounce war as an instrument of national policy," he said at the end of a two hour speech closing the UN Assembly's general debate.

"Disarmament is not the way. We can establish peace only if the nations have decided to abandon war. That is possible once confidence is established. You cannot reconcile dreams with schemes."

The Indian chief delegate, who is the top advisor on foreign affairs to Prime Minister Nehru, again urged a halt on experiments with nuclear weapons.

He also advocated once more direct talks with the United States and Red China and expressed satisfaction at the way matters are going between those two countries at this stage.

His address was moderate and conciliatory, in keeping with the line taken by most of the 45 chief delegates who spoke in the general debate.

Krishna Menon was one of the leaders in obtaining the 28-27 vote last Friday by which the UN Assembly decided to consider the flaming Algerian issue. As a result of that vote the French delegation walked from the Assembly. Krishna Menon appealed today to the French, whose space was vacant, to return.

V. K. K. Menon

# State to Start Financial Plan

HARRISBURG, Oct. 4 (AP)—The Commonwealth is set to go on a new accounting system Dec. 1 which is expected to show for the first time in history exactly how the state's finances stand from day to day.

James C. Charlesworth, Gov. Leader's secretary for administration, told a newsman the new system will lead to new and efficient uniformity in keeping the Commonwealth's books.

"But what's more," he added, "for the first time in recent history a governor will know exactly where he stands on finances."

The fiscal operation of the Commonwealth will swing from the long-standing modified cash basis to an accrual basis. It means simply that money will be considered spent—not when the check is written by the state treasurer as at present—but when the state pledges itself to buy an item such as when a contract is signed.

### Inmates Flee Hospital

SCRANTON, Pa., Oct. 4 (AP)—Six inmates fled the Farview State Hospital for the Criminal Insane today after overpowering a guard. Three of them were recaptured later as a manhunt spread around the area in north-eastern Pennsylvania.

# Excise Tax Reduction Questioned

WASHINGTON, Oct. 4 (AP)—The Eisenhower administration was described today as "much concerned" lest the government lose revenue through proposed changes in the excise or sales taxes.

The administration position was expressed by Dan T. Smith, special assistant to the Secretary of the Treasury Humphrey. He was the first witness as a House Ways and Means subcommittee opened hearings as a possible preliminary to overhaul of the century-old excise tax system.

### Variety of Excises

Federal excises are levied on a wide variety of goods and services including liquor, cigarettes, furs, automobiles, admissions and cosmetics.

They now account for nine to 10 billion dollars of revenue annually. And unless Congress steps in, this amount will be reduced by around a billion dollars from reductions scheduled April 1 in the levies on automobiles, trucks and buses, gasoline, tobacco, beer, and liquor. Congress has postponed these reductions several times, although it cut many other excises in 1954.

### Hearings Are Restricted

The House subcommittee, headed by Rep. Aime J. Forand (D-R.I.), has restricted hearings to administrative and technical problems, leaving rates as such for future consideration.

At the outset, Smith said the Treasury will balk at any changes which would cost revenue.

"To the extent that there is any adverse effect on the revenue from the proposed changes," he said, "the Treasury Department will withhold favorable recommendations at this time."

### Antipolio Inoculations

HARRISBURG, Oct. 4 (AP)—The second round of antipolio inoculations under the national program for school children will get under way in most Pennsylvania counties on Oct. 17.
