Yo-Yo's, Barfers, Navy Triumph In IM Football

By GREG HUNTINGDON

Sparked by Dean Rossi's all-around play, the Yo-Yo's trampled the Tim's, 19-0, in IM football last night. In other games, Navy topped the Turtles, 7-0, and Barfers squeezed out a win over Penn Haven, bettering the Haveners in first downs. A fourth game was forfeited to the Pugh Street Cats when the Newman Club failed to appear.

A potent, high-scoring Yo-Yo team served notice on the 34 independent teams still battling for the '55 Intramural gridiron title, that it has both the equipment and manpower to dethrone the Fire Balls, champs for the last four years, and capture the ninth annual IM crown for Independent teams.

Rossi Stars

A diminutive halfback, Dean Rossi, stole the show last night at Beaver Field and led his Yo-Yo nine to an impressive victory as the IM playoffs moved into the second round.

Rossi, hampered by a slick turf, passed, ran, and punted his team to victory in a dazzling exhibition of football. Dean learned his fundamentals under Elwood Petchel, former Penn State All-American and Cotton Bowl Star, at Bellwood-Antis.

Rossi Scores Twice

The Yo-Yo's turned the opening kick-off into a touchdown when Tim's Dick Wright bobbled Don Franklin's tricky spiral and the alert Rossi swooped it up on the loser's 20, and ambled into the end zone. A Rossi to Charlie Linton pass made it 7-0. The winners wasted little time in icing the contest. Three minutes later, Ron Griffs pilfered Karl Tameyer's aerial intended for Art Velenski and sprinted to the 13, where Rossi took up the attack and swept left end for the tally.

DEAN LOOKS FOR RECEIVER—Dean Rossi, who led his Yo-Yo team to triumph last night, scouts the horizon for a possible receiver in last night's game between the Yo-Yo's and Tim's. The Yo-Yo's won, 19-0, sparked by Rossi's running and passing.

The extra point attempt failed. Late in the second frame, the Yo-Yo's cashed in on another Tim miscue. Bud Mortimer fumbled Franklin's punt on the 40 and big Rich Bunn, of Luzerne, Pa., recovered. Three plays later the versatile Rossi pitched to Bunn for the final six-pointer. The pass-for-point was dropped and the half ended with the Yo-Yo's holding a wide margin.

The remainder of the game was limited to numerous punts and pass interceptions. However, Rossi gave a fine account of himself, moving the ball inside the ten on many occasions only to have bobbles and interceptions thwart further scoring. All told Dean accounted for nine first downs and figured in every scoring play.

Barfers Win on Downs

An alert secondary prolonged the Barfers participation in the IM tourney as they held off Penn Haven's passing attack and managed to eke out a triumph on the strength of three first downs. The Barfers picked up their

first first down early in the first stanza when Dick Bohner took Dick Spitko's 10-yard heave and lateraled to Mark Goldsmith for 13 more.

Haven tailback, Ron Davis, put the losers ahead on downs, connecting with Mark Baseshore for a combined total of 30 yards late in the last period, but Spitko, a former Shippensburg High School star, found his receivers on consecutive plays to provide the margin of victory. His first pass was good for 18 yards to Mike Hammer. With 11 seconds remaining he found the outstretched arms of team-mate Jim Cadwell for the necessary yardage.

Navy Unit Wins on Pass

Don Brosky, Navy halfback, brilliant on defense, gobbled in a Turtle punt early in the second period and raced to the 30 where he pitched to Ray Tuleya in the end zone for the clincher. Navy converted, and from there on, the game was marked by fine defensive play on the part of both clubs.
