

Soccermen Extend Streak, 3-2

DICK PACKER, Lion center forward, is stopped in an attempt to score on a head shot in Saturday's Penn State-West Chester soccer match on Beaver Field. West Chester goalie, Bob Rosnowski and an unidentified Ram (front center) break up the play. Packer scored two goals to lead the Lions in a 3-2 win over the Rams.

Trust, Packer Lead Way To 12th Consecutive Win

Fred Trust, a substitute playing in his first varsity soccer game, scored a goal with less than five minutes remaining to give Penn State's soccer team a 3-2 win over an aroused West Chester team before 2000 fans Saturday at Beaver Field.

The win extends the booter's undefeated streak to 12 games, with two coming this year. Trust, who entered the game when Don Shirk injured his leg, needed only 10 seconds to score with a head shot from 10 yards out.

It was the Rams' first game and only their third loss in two years. It was revenge for the Nittany soccermen, who were knocked from the ranks of the unbeaten by the Rams in 1950, when the two teams last met.

Come From Behind

Although Trust's goal decided the game, it was Dick Packer's two goals which enabled the Lions to come back after trailing 2-1 at halftime.

Packer, who has four goals this season, scored first when he rifled in a penalty shot at 7:12 of the first quarter. But the spirited Rams fought back, with Larry Halye dumping in a head shot at 9:52 of the same period.

The two teams battled at midfield for most of the second quarter with solid defensive playing sparking both sides. But, in the waning minutes of the first half, West Chester rallied and drove down field with a series of short

passes and accurate head shots to score the tie-breaking goal. It was Jim Oliver, the Rams' center forward, who booted in the deciding goal to put the Lions behind at half-time.

In 45 seconds of the second half Packer scored the equalizer. With the Lions controlling the ball from the outset, Dick Matacia dribbled to within 35 yards of the goal and passed to Packer, who twisted away from the Ram defender and booted in a 25-yard shot that sailed inches over the outstretched hands of Bob Rosnowski, WC goalie.

This set the stage for Trust's game-deciding goal in the fourth quarter.

Fine Defensive Play

The most significant players on the field were the defensive men. Blocked kicks, intercepted passes, and goalie saves were abundant throughout the game.

For the Lions, Dick Matacia set up two of the three scores with

Upset Registered in IM Football

By **LOUIE PRATO**

Led by Guy Tirabassi and Lou Schneider, Phi Kappa Sigma stopped defending champion Phi Delta Theta 7-3, to feature the intramural action last night on Beaver practice field.

In other games, Phi Gamma Delta, led by versatile Chuck Christiansen, came within three points of breaking the IM football scoring record in pouncing out a 46-0 win over Phi Sigma Kappa; Farfs edged McElwain by two first downs; and Alpha Chi Rho walloped Zeta Beta Tau, 19-0.

Phi Sig Wins

Tirabassi's incredible end zone catch of a ball thrown by Schneider gave Phi Kappa Sigma the win over Phi Delta Theta.

Tirabassi, a former All-State gridder from Ebensburg who was once offered a scholarship to Notre Dame, leaped high into the air between two Phi Delta defenders and snagged Schneider's perfect aerial from the 40 with only 30 seconds remaining in the contest.

One play before, the same combination of Schneider to Tirabassi had gone for another 40-yard pass after Schneider had intercepted a Phi Delta pass.

Joe Barnett kicked a 25-yard field goal for the losers' only score in the first few minutes of the second half.

Best Game—Sykes

According to Dutch Sykes, intramural athletic director, it was the best game of the year.

Phi Gamma Delta overpowered Phi Sigma Kappa as seven men crossed the goal line. Christiansen passed for six of the tallies, and scored the other one himself on an end sweep from the two-yard line in the first half.

His shifty running and dazzling aerial attack dismayed the Phi Sig defense as the power-laden Phi Gam squad scored almost everytime it possessed the pigskin.

Ferguson Scores

Don Ferguson scored first for the winners with the game only four minutes old. His TD came on a 12-yard pass from Christiansen. Christiansen then flipped the oval to John Lessig for a 7-0 lead. After Christiansen scored to make it 13-0, Frank McFadden took a five-yard pass from his

quarterback, and scooted into the end zone for a 19-0 halftime lead.

The second half of the encounter was even tougher for the boys from Phi Sig, as Christiansen and company went on to rack up 27 more points. Terry Hutton, John Lessig, Dick Rivers, and Bill Dettler were on the receiving end of Christiansen's payoff throws in the second half while the Phi Gam ace also teamed with Jim Hinkle and Datterer to score the needless extra points.

Record Threatened

The previous all-time high scoring record was 49 points, established in 1948 by the Coal Crackers.

The Farfs cashed in on a unnecessary roughness penalty against McElwain to squeeze through with a victory in the final round game of the IM independent league.

With the ball on the Farfs' 41, a McElwain player was charged with tackling Tom Friday, Farf halfback. Tackling is illegal in touch football; therefore, a 15-yard penalty was ruled, moving the ball for a Farf first down on their own 26-yard stripe.

Four plays later, however, the ball was still on the 26 but it didn't matter as the first down garnered by the Farfs was all that was needed for the victory.

Erb's, Waha Star

Big Jim Erb, McElwain's right end and quarterback John Waha played a sterling game for the losers. Erb was on the receiving end of several long passes from

Waha, but he failed to score.

Steve Baidy and Hugh Cooper, two of John Egli's prospective basketball players, teamed up to lead Alpha Chi Rho to a 19-0 win over a clowning Zeta Beta Tu team. It was AChiR's second win of the young intramural season. It defeated Sigma Chi, 6-0, earlier this season.

Alpha Chi Rho scored the first time it had the ball. Steve Baidy tok a ZBT punt on the 45 and quickly whipped the ball down field to Cooper on the 25 who danced into the end zone. Don Abraham's placement was wide.

AChiR tallied the next time it gained possession. A pass from Fred Rhyllis to Baidy to Cooper to Baidy and back to Cooper again moved the ball from the 50 to the 26 yard line. On the next play, Baidy flipped to Cooper standing on the goal line. The placement was again missed as the half ended.
