

Rain Hampers IM Grid Play

Theta Xi, DU, Yums-Yums, Dorm 39 Win

A heavy rainfall slowed intramural football action last night. However, before the rains came a fast Dorm 39 aggregation ran wild for a 33-0 win over Dorm 25.

After that a slow field limited scoring somewhat, and Theta Xi blanked Phi Kappa Tau, 21-0, Delta Upsilon dropped Beaver House, 14-0, and the Yum-Yums turned back the Crew Cuts, 19-6.

An exceptionally good independent team, Dorm 39, downed Dorm 25 in one of the highest scoring independent games by registering 33-0 win. Dorm 39 kicked off to Dorm 25, and after two incomplete passes, capitalized on a bad pass from center to score a safety and take a 2-0 lead.

Bill Goshell passed to Gene Jani for Dorm 39's first score on a 30-yard TD play. The extra point was missed giving Dorm 39 an early 8-0 lead. In the second half Dorm 39 poured it on by scoring four touchdowns for 25 points.

Jani passed for his second TD of the night to Ron Galarin on a ten-yard aerial. Jani followed quickly with a 40-yard TD run to push the score to 21-0. Dorm 39 missed the extra point, but after holding Dorm 25 and forcing it to punt, came back on another pass play to Chuck Strokecker to take a commanding 27-0 lead.

Dorm 39's final score was set up when it recovered its opponent's fumble on the 25. Strokecker pulled a short pass to Bill Kirby who tallied the six-pointer. The fourth extra point of the evening was missed.

Delta Upsilon's backfield led the attack as Beaver House felt the sting of defeat, 14-0. DU's first break came when Dick Williams intercepted a Beaver pass, tossed to Jim Brubaker on the 30-yard line and he scored the first TD. Jimmy Mayes made it 7-0 with the extra point.

Neither team threatened in the first half with tough defenses playing prominent roles. In the second half, however, DU came back to score on a three-man pass from John Pepe to Don Shaw to Bill Moyer.

Pepe opened the scoring drive with a bit of broken field running; after eluding several tacklers, he flipped to Don Shaw who put on a similar running demonstration until he was trapped. He then flipped to Moyer who carried for the final score of the game on a 20-yard run. Mayes closed the DU scoring by kicking the final point for the 14-0 score.

In a game that was almost stopped by rain, the Yum Yum's put together a 13-point first-half scoring spree to go on to a 19-6 victory over the Crew Cuts in the second independent game. The Yum Yum's attempt to score a whitewash was stopped in the final minutes of the game when the Crew Cuts pushed over a score from the one-yard line.

The Crew Cuts, moving on a series of 20-yard passes that hit their marks, plus two penalties against the Yum Yums, tallied on a short pass from Bob Revick to Tom Botlock.

In the first half, the Yum Yum's Milt Graff flipped a 20-yard pass to Rich Blend. Blend caught the aerial in the Crew Cuts' secondary and raced 30-yards untouched to make it 6-0. Blend tallied the seventh point on a placement.

The Yum Yum's second score was set up by a 50-yard pass to the Crew Cuts' 18-yard line

OUR PHOTOGRAPHER got cold feet last night, moved into the dugout, and snapped this picture of the DU backfield that stopped Beaver House, 14-0, in an IM game played in the rain. DU's John Pepe and Dave Adams (l. to r., back) and Dick Williams and Bill Moyer (l. to r.,) figured in the two TDs. Pepe set up the second TD with a pass and Williams' first-half interception set up DU's first score.

THETA XI's backfield quartet that helped whip Phi Kappa Tau last night in the second round of IM play, 21-0, are front row (l. to r.) Jim Yockim and Jim Machlan, and (back row, l. to r.) Gary Wallick, and Mike Margerum. Margerum scored once and also passed for one score. Machlan intercepted a Phi Tau pass and passed for Theta Xi's other TD.

Lions-Orange in 31st Meeting Tomorrow

Penn State's soccer team will leave at noon today via bus for Syracuse University where it will meet the Syracuse Orangemen in the second away battle of the season.

Tomorrow's game will begin at 10 a.m. It will be the 31st meeting between the two Universities in a series dating back to 1920. In those 35 years the Orangemen were able to notch only one victory, while tying five others. They have dropped 24 ball games to the Lion booters.

Last year the Nittany Lions routed Syracuse 9-2, with All-American Jack Pinezich and this year's captain, Dick Packer, leading the offensive assault.

Syracuse ended the year with a poor 2-6 record, losing to such Eastern powers as Colgate and Cornell. Looking at the Syracuse offensive and defensive units, one can see that the Orange lacked depth in both categories. In eight games last year the Orange scored 18 goals, while their opponents doubled that.

But, one thing is certain—Syracuse has the potential to be a high-scoring outfit. They were shutout once in '54, that by Cortland State, 7-0. Orange Now Rebuilding Coach Joe Weber is faced with an inexperienced club which is in the process of rebuilding. Playing against the powerful Lions, the Orange will have to dig deep into their bag of tricks to upset the high-flying Nittanians.

But, the Lion booters have also been having their troubles. In the last two games the charges of Ken Hosterman have not been able to score more than three goals, a far cry from the 12 scored at this time last year by the '54 aggregation. Hosterman partly attributes this to lack of hustle, but another

important reason could be the absence of depth on the Nittany squad. Hosterman has only one veteran and reliable substitute on his bench—Mert Springer. Substitutes for the rest of the lineup are either first year men or juniors with no varsity experience.

Empty Film Cartons Should Be Destroyed If you're a shutter-bug, don't be a litter-bug. That's the request passed along by the National Park Service. When you load your camera, don't throw the empty film carton on the ground. It may advertise some brand film in some out-of-the-way places, but it messes up our parks and trails. Put the carton in your pocket and use it to start your campfire that night.

Entries Are Due For Weekend Trip Of Outing Club

Penn State's Outing Club has announced another weekend activity. This one will be held at Richett's Glen Sunday.

Anyone wishing to take the trip must sign up at the main desk in the HUB by 3 p.m. today.

Canoeing and picnicking, according to Gordon McCartney, president of the club, will be the main activities. Members and other interested persons will leave by car from behind Old Main at 7:30 a.m. Sunday. The camp site is approximately 110 miles north of State College.

McCartney said the group will return by 9 p.m. Sunday.

Those desiring to attend church services Sunday morning will be able to do so.

WRA's New Hockey Loop Progressing

By LIL JUNAS The first week of active play completed, Women's Recreation Association's newly-organized Hockey League shows good signs of progressing toward a successful season, and possibly toward a thriving annual coed event.

Early in September the ambitious members of the Hockey Club (most of them coming from the Philadelphia area) decided to start a hockey league, and the outcome of their plan has resulted in this well-participated-in league.

Team League The seven teams which make up the league are Atherton Hall; Thompson and McAllister Halls; Leonides; Delta Delta Delta, Kappa Alpha Theta, and Alpha Chi Omega; Zeta Tau Alpha, Gamma Phi Beta, Phi Mu, Beta Sigma Omicron, and Kappa Delta; Alpha Omicron Pi, Delta Zeta, and Pi Beta Phi; Delta Gamma and Sigma Sigma Sigma.

Two fifteen-minute halves are played, with no time outs when substitutions are made.

No Plays Scheduled Double elimination is used, enabling each team to play at least twice. No play-offs will be staged, but the winner of the winners' will play the winner of the losers'.

In Tuesday's game Atherton came from behind with aggressive second-half team play to beat Leonides 5-3. The Independents led at half time 3-0.

Thompson Wins Last night's game resulted in a 3-1 win for Thompson as it beat Delta Delta Delta, Kappa Alpha Theta, and Alpha Chi Omega in a hard fought battle.

Games are played from 4 to 5 p.m. Tuesday and Thursday. Each team receives participating points; the one with the highest number at the close of the season will be awarded a trophy cup.

Four women's physical education instructors referee the games.
