

Booters Tackle Orange; Little to Start at Full

By FRAN FANUCCI

Soccer Coach Ken Hosterman has announced only one change in his starting lineup for the Syracuse game, which will begin at 10 this morning at Syracuse University. Senior Bob Little will replace Dave Davis at fullback on the strength of his impressive showing in practice sessions this week.

With the exception of Little, Hosterman said that his lineup will remain intact. At the other fullback spot will be Ralph Brower, who played solid defensive ball in the win over West Chester last Saturday.

At halfbacks the "old reliable three" will again start. At left half, sophomore Ward Hill gets the nod, with right half being manned by steady Steve Flamporis. Hosterman said that Flamporis did an excellent job against West Chester, which boasted of a fast and experienced right half.

"Steve probably will not face another man so good as that Ram back for the rest of the season," he said.

If any team has the makings of a good center halfback, it will probably have a better than average season, Hosterman continued.

But, probably second in importance only to the center half spot is the center forward position, which is held by captain Dick Packer, leading scorer and All-American from last year. He is the team's leading scorer this year.

Packer Dangerous

The Syracuse defense will center about him, but if Packer's boots are driven with the speed and accuracy that he is capable of pulling off, the Orange may be in for one of their roughest games.

At the line positions flanking Packer on his left, Hosterman has named Don Shirk for outside left, a veteran who has bolstered the Nittany team tremendously, and Dick Matacia, a pre-season scholastic question mark who has blossomed into one of the top defencesmen in the East, at inside left.

At inside right junior Tommy Nute will get the call over veteran Mert Springer, and at outside right Jim Hedberg, who has looked exceptionally good for a player who never played varsity soccer before, will start.

Geczy at Goalie

At goalie will be George Geczy, who turned in numerous saves in last week's contest.

Hosterman said yesterday, before leaving for Syracuse, that he feels the boys are "up to it" and if they play as they're supposed to, they should win.

The Lion booters will return tonight and will start practice Monday. The Bucknell Bison will host them on Wednesday afternoon with Colgate furnishing the opposition on Saturday in the finale of the three-game road engagement.

6 '05 Gridders Present Today

Six members of Penn State's 1905 football team are expected to be among the huge throng in attendance at today's Navy game. The team, captained by E. G. Yeckley, of Lorain, Ohio, is holding a reunion.

In 1905, when a touchdown scored five points, Yeckley's team lost to the Middies, 11 to 5. Yeckley, who first thought of the idea of having a reunion, accounted for the lone Penn State score by picking up a blocked punt and running 80 yards goalward.

Among the football players expected at the reunion are "Irish" McIlveen, of Lorain, Ohio; "Hi" Henry, of Creighton; C. H. Campbell, of Logansport, Ind.; and Yeckley.

Penn State's first All-American, William "Mother" Dunn, was notified of the reunion, but replied he felt the trip from Hawaii might be too much for him. Dunn is now a retired medic.

The 1905 team's record was eight wins and three losses.

Former Star to Miss Game

"Lighthouse Harry" Wilson, now a full colonel in the U.S. Air Force, isn't scheduled to return to his alma mater Saturday for the Penn State-Navy football game. In 1923, on Navy's last visit to Beaver Field, Wilson raced 55, 77 and 95 yards for touchdowns that gave the Nittany Lions a 21-3 victory.
