3 Warned For Ticket Exchange

Three senior men have been given "Tribunal warnings" for attempting to exchange undergraduate football ticketbooks for ones in the senior sections.

Athletic Association records proved the men were issued seats in correct sections.

Assistant Dean of Men Harold W. Perkins, who announced the decisions yesterday, said that "Tribunal warning" means that a record of the action will be kept by Tribunal and the dean of men's office and will be considered if the students are involved in another disciplinary situation.

In Junior-Senior Section

One student, a senior in mechanical engineering, said he thought his section (a junior-senior section) was entirely for juniors. He said he traded his ticket with a member of his fraternity, who was issued a junior ticket. When he took the junior ticket to the AA office, officials discovered he was issued a senior ticket in a junior-senior section.

Another student, also a senior in mechanical engineering, attempted to exchange the ticketbook of a sophomore in Blue Band for one in a senior section. He said he wanted to sit with his girl friend.

Claimed 'Good Faith'

The third student, a senior in arts and letters, claimed he went to the AA office in "good faith."

When he was told by AA officials that he was issued a senior ticketbook, he said he deducted that his book was switched at either the Lion's Den or the library, where he said he went after registration.

Chest Drive Starts Tuesday; 1955 Goal Set at \$6000

The Campus Chest solicitations drive, beginning Tuesday and continuing until Friday, will aim toward a goal of \$6000.

Campus Chest is a combination of 15 organizations, who will each receive a share of the proceeds. For each contribution, the student will sign a card and designate to which group or groups he wishes to give the money.

The total receipts of Campus Chest last year were \$4160.60. Solicitations, which netted the bulk of the proceeds, amounted to \$4059.59.

Organizations to receive a share of the Chest proceeds are World University Service, Penn State Student Scholarship Fund, Women's Student Government Association Christmas Fund, State College Welfare Fund.

American Red Cross, Damon Runyon Cancer Fund, American Cancer Society, National Scholarship Service and Fund for Negro Students, American Heart Association, United Cerebral Palsy.

Salvation Army, Centre County Heart Association, University Christian Association, Hillel Foundation, and Newman Club.

An engraved trophy will be presented to the fraternity and sorority with the highest percentage and amount of contributions. The trophy is now on display in the Hetzel Union Building.

Contributions will be tabulated every night during the drive from 9 a.m. to 5 p.m., and 6 p.m. to 10:30 p.m. in the lounge opposite the Hetzel Union desk.

A mixer for the 275 solicitors will be held at 8 p.m. Monday in the ballroom of the HUB. Supplies and information will be distributed to the committees, followed by dancing and refreshments.
