

4 IM Grid Teams Gain Wins

McKee 11, Alpha Chi Sig, Farfers, Phi Gam Victors

By VINCE CAROCCI

McKee 11, Alpha Chi Sigma, the Farfers, and Phi Gamma Delta won their Intramural football games on Beaver Field last night with all games being played on a slippery, wet turf.

In the first encounter of the evening, a rugged McKee 11 squad won its second game in the tourney by beating Unit 6, 12-0, behind the brilliant field generalship of Gerry Cornell.

After playing for 13 minutes without a score in the first half, the winners gained possession of the pigskin on the Unit 6 48-yard line. Cornell lifted a heave of 28 yards to Tom Holleren, placing the ball on the losers' 22.

Score on Pass
The McKee tailback then hit Ken Skinnell on the 10. On the next play, Cornell passed again to Skinnell for the score. The extra point attempt was no good. The half ended with McKee ahead, 6-0.

The second McKee score came late in the second half when Tom Holleren intercepted a Joe Caruso pass on the 39-yard line and brought the pigskin back to the three. On the second play from scrimmage, Cornell flipped to Holleren for the TD.

The McKee team completely dominated play as it held its opponents to only one substantial gain, that coming in the early moments of the game.

McCormick Leads AChis
In the first fraternity contest, Alpha Chi Sigma rode home to its second IM victory on the foot of Bob McCormick, 3-0, over a hard-fighting Triangle aggregation.

The only score of the game came midway in the first half when Fred Miller intercepted a Joe Myers pass on the Triangle 23.

Alpha Chi Sigma quarterback Joe Nock peeled off a 14-yard end run to the Triangle 9, but failed to get their touchdown. With a fourth and nine situation coming up, McCormick booted a 15-yard field goal through the uprights for the three points.

Fight to Standstill
Both teams fought to a standstill for most of the game with the winners making the only serious offensive threats of the contest.

With Nock leading the way, the ACS team started a move on their 26, traveling all the way to the losers' 30 before running out of gas.

Nock hit Lynn Boyer for a gain of 23 yards to set the drive in motion. He followed this with a 19-yard aerial to Al Starkey before the die-hard Triangle line tightened and took over on downs.

The winners missed two easy scoring opportunities in the first half when Nock overshot his men standing in the clear, both times.

The Farfers also won their second IM grid contest by edging the Hams 6-0 on Dick Grimes recovery of Bill Lapitsky's fumble in the end zone.

Both teams battled on even terms in the first half until early

in the first half when the winners made one of the few offensive moves in the game.

Field Goal Falls Short

With Gerry Burkhart calling the plays, the Farfers moved to the 10-yard line of the Hams, on passes from Burkhart to Hasterter and Burkhart to Conde. After failing to go anywhere in three tries, Gerry Goodman made an unsuccessful 10-yard field goal attempt, the ball stopping dead on the one.

On the first play from scrimmage Lapitsky fumbled the center snap and Grimes recovered for the TD.

That was the only scoring opportunity of the game. Each team traded punts the remainder of the contest.

In the final game of the evening, Phi Gamma Delta stopped Phi Mu Delta 14-6, on the passing of Chuck Christiansen.

Phi Gam Score

In the early part of the first half, Christiansen passed to Don Ferguson on the 23 who flipped to Frank McFaden for the touchdown. Ferguson kicked the first of two extra points.

Phi Mu Delta came charging back as Brandy Gurney took the kick-off and passed to Bob Schroppe who raced 65 yards for the score.

In the second half it was Christiansen tossing a 20-yard heave to Ferguson for the final score of the night.

Lion Yearlings Prep For Encounter With Pitt

Lion freshman football coach Earl Bruce put his charges through a hard day of practice yesterday in preparation for Saturday's tilt with the freshman squad of Pittsburgh.

The Lion yearlings—who lost their opening game to the Navy frosh, 12-0—will be making their only home appearance of the 1955 season Saturday afternoon at 2 p.m. on the new Beaver Field gridiron.

In commenting on the loss to Navy, Bruce said, "We moved very well on the ground, but once we were inside their 20 we couldn't make an inch." Twice the Lions had the ball inside the Middle five, only to lose it both times on fumbles.

Bruce said that he planned to start practically the same team that opened against Navy. Ben Adams will be calling the signals for the Nittanians with Bruce Gilmore and Bob Stotsky running from the halfback slots. The fullback will probably be Andy Moczyk.

Ted Junker and Dick Dill will most likely get the call at the end posts with Joe Bohart and Gene Grabosky opening at tackle positions.

Jim DeLuca and Joe Macecevic are the starting guards with Steve Gardan in the pivot spot.

Pitt is expected to provide the frosh with stiff competition Saturday.
