

Penn State Sports—

# ON THE LINE

ROY WILLIAMS  
Sports Editor

## YOU'RE MISSING SOMETHING:

Here—in our backyard—where perhaps we can't "see the forest for the trees," Penn State sports fans have a special feature attraction in fall sports. Taking the game attendance figures as an indication of the interest, we feel that most of you are missing something more than interesting in sports. It's soccer.

Cocher Ken Hosterman, now in his third season at the helm, and the soccermen were 1954 National Champs. They were undefeated. They had two All-Americans. This year they started an improved schedule with two of the East's top teams (Army and West Chester State Teachers) and they are still undefeated. Today they visit Colgate.

Defensively the Lions aren't as solid as last year, when they allowed only seven goals in eight games. Thus far the opposition has netted seven in four games, but the Lions' winning power is illustrated in its unequalled scoring power that shows 24 goals in only four games.

On the line Captain Dick Packer has been a standout; he's been helped considerably by Meri Springer, Tommy Nute, and Dick Matacia—all vets of last year's National Championship team.

"Thor Stelnyk has done a wonderful job," Hosterman said. Stelnyk, a native of Russia and a two-year veteran, is a fiery competitor and a gentleman every minute he's on the field. He is handling the center halfback slot—vital on both defense and offense—for the second straight year.

In the next four weeks they meet Maryland, Navy, Temple, and Pitt. Three of these games (Maryland, Temple, and Pitt) are at home.

There's your chance. See them. Hosterman and his crew haven't compiled a 14-game win streak over a season and a half with mediocre ball playing.

They've got talent, hustle, spirit, and for the most part, tough opposition.

But what happened against usually weak Bucknell Wednesday when the Lions squeezed by with a 4-3 win in a game that should have been won easily and by a larger score?

Each year Army is the game to "build to." In other words, the anticipation for the annual tough battle with the Cadets sets the pace. This year that game was first.

Against Bucknell, field conditions were bad. And according to Hosterman, "the boys weren't cocky. We're not alibiing. The field was bad. Had we played them here it would have been entirely different."

Hosterman doesn't need an alibi. The Lions won. And the Bucknell game could very well be similar to an "Army" game, but in a different sense.

Everybody's "after" and "up" for the winner—particularly the undefeated winner. Hosterman's team knows that. They're champs, but even champs get nervous when, in each game, they face the high-spirited attitude of each team they meet.

We feel that's what happened in the first half against Bucknell when the Bisons took a 3-2 halftime lead. In the second half, the Lions learned something; they had to shake "it" and play ball.

They did. After Bucknell got eight shots in the first half, making three of them, the Lions held them to a meager three while they went on their merry way taking 23 shots and making two.

## Pigskin Coin Flips . . .

# Out On a Limb

Sports Editor Roy Williams will be out today to retain the slim margin he obtained last Saturday in the Daily Collegian's weekly grid poll.

Williams—last year's winner—hit on nine out of 15 picks to take over undisputed possession of first place for the first time this year. Williams stands at a 45-15 mark for a percentage of .750.

The Nittany Lion coaches will send Earl Bruce, freshman grid mentor, to the polls in an attempt to regain the lead which they held for the first two weeks of selections. The coaches are three games behind Williams.

# Four Shutouts Highlight Intramural Grid Action

By DAVE BRONSTEIN

Four intramural shutouts in almost three hours of continuous football highlighted IM action last night on the Beaver Field practice area. Play was solely in the independent division. Final scores were: Barfers 1, Yo Yo's 0; Blue Devils 13, Dorm 38 0; Iron Men 2, Atherton Hall Men 0; Dorm 11 6, Dorm 22 0.

Monday night's schedule has Beta Theta Pi meeting Sigma Phi Epsilon at 7; Phi Kappa Sigma plays Alpha Chi Rho at 7:45; Dorm 39 versus Yum Yums at 8:30; and Pi Kappa Alpha against Pi Kappa Phi at 9:15.

## Barfers Win

The Barfers barely squeezed past a stubborn Yo Yo's team, 1-0. The victors recorded the most first downs in the 30-minute contest.

The final tally showed the Barfers with two first downs, the Yo Yo's one.

The Yo Yo's threatened to tie the scoreless skirmish late in the game. A penalty against the Yo Yo's, called just as the team crossed the first-down yard-markers, ended the loser's last chances of a tie.

## Lambert Stars

Joe Lambert put on a glittering performance as his Blue Devils outclassed Dorm 38, 13-0. Lambert scored both touchdowns, with all points coming in the second half.

Dick Frederick placed the Blue Devils deep into Dorm 38's territory by lifting a high, lobbing pass to Lambert. Lambert legged the ball to the two-yard line before being tagged.

A penalty hurt the Devils chances and put them back on the 17. On fourth down, Lambert circled behind the Dorm 38 defenders, stretched with both legs high off the ground, and fell flat on his side a brief moment later with a touchdown pass grasped in his arms.

## Tremendous Catch

Later in the half, Lambert followed his tremendous catch with a second TD score. This time Lambert caught a two-yard jump pass from Frederick, and skipped untouched through the Dorm 38 defense.

Phil Quattrone and Bob Vietmeier stood out for Dorm 38 in a losing cause.

The Iron Men continued up the IM ladder by topping Atherton Hall Men, 2-0. The lone score of the bitterly-fought contest resulted when Tony Anastasas, a hard-charging linesman, tagged a loser's back in the end zone.

## Anastasas Intercepts

Anastasas helped the Iron Men's cause early in the game by intercepting a wild pass and racing 35 yards to the Atherton's 10-yard marker.

George Weimer had an interception for the Atherton's and did most of the team's passing. Fritz Condon pulled in a spot pass for a 20-yard gain and a first down for the Iron Men.

At 9:15 last night, game official Ed Ritter blew the final horn ending the night's activities. In the final game, Dorm 11 outscored Dorm 22, 6-0.

The lone touchdown came within the first minute of play. Stan Ziarkowski received a pass on the kickoff and brought the pigskin to Dorm 22's 40-yard line. On the next play Lou D'Orsaneo threw accurately to Vic Rusich for Dorm 11's score.

For the losers, standing out were Joe Shea, Tom McGovern, Perc Everitt, Bob Dolan, and Ron Engle.

## 'Winning-est' Team

Penn State's wrestlers, with an all-time record of 230 wins, 55 defeats, 5 ties, is the "winning-est" team on the campus.

# Frosh Gridders Battle Pitt on Beaver Field

Freshman football coach Earl Bruce ran his frosh squad through a comparatively light drill in final preparation for the yearlings first and only home encounter against Pittsburgh at 2 p.m. today on the New Beaver Field gridiron.

The junior Lions—defeated by Navy two weeks ago—will face a highly touted Pitt squad in today's battle. Pitt was defeated by the West Virginia freshman in its only game so far, 7-6.

According to a publicity release from West Virginia, the Panther yearlings "were in the game all the way, an unsuccessful extra point providing the margin of victory."

Bruce's team, although escaping from the Middle contest without any injuries, was hit fairly hard during the week's practice sessions.

Three possible starters for today's tilt will not dress for the game. Other than the three injuries, the complete 30-man squad will be in uniform, ready for action.

In their only start this year,

the freshmen showed great potential on the ground with only a fair aerial attack. Fumbles plagued the Lions at Annapolis but Coach Bruce hopes to have the "fumblyitis" out of his boys by game time.

Bruce named Ben Adams to call the plays for the Nittanians with Bruce Gilmore, Andy Moconyi, and Bob Stotsky doing most of the ball carrying.

Ted Junker and Dick Dill or Mike Ott will open at the end posts with Joe Bohart, Gene Grabosky or Don Delmore the starting tackles.

Jim DeLuca and Joe Macecevic will probably handle the guard positions with Steve Garban at center.

# 10 Gain IM Bowling Wins

Ten fraternity teams scored victories in intramural bowling Thursday at Recreation Hall. Alpha Sigma Phi, led by Lew Lynch, who turned in the best individual performance of the day with a 211 score, defeated Delta Upsilon, 4-0, to turn in the night's best performance.

In other games, Beta Theta Pi downed Kappa Delta Rho, 4-0, as Ed Lyon led the winners with 528 points. Sigma Alpha Mu defeated Alpha Tau Omega, 4-0, as Jack Rose showed the way with a score of 469. Theta Chi bounced Kappa Sigma, 4-0; Sigma Chi outbowled Phi Kappa Sigma, 4-0; Phi Sig-

ma Kappa whitewashed Tau Kappa Epsilon, 4-0; and Triangle belted Sigma Phi Alpha, 4-0, in other shut-outs.

Theta Kappa Phi and Phi Delta Theta split four points and provided the night's only deadlock. Lambda Chi Alpha trounced Theta Xi, 3-1, and Alpha Chi Sigma beat Beta Sigma Rho, 3-1.

The top individual performances of the day were turned in by Dean Vesling with 191; Rose, 171; Ken Sommers, 197; Charlie Good, 176; Bill Gardiner, 185; Lynn Boyer, 219; Bob Waddell, 188; Bob Koehler, 187; and John Bixler, 160. Alpha Sig's Lynch was high, as he rolled a 221.
