

Dean Honored

—Photo by Harrison

DEAN OF WOMEN Pearl O. Weston accepts a silver tea set from Panhellenic Council in honor of the Centennial year. The award was made yesterday by Joanne Caruso, Panhel president, in the dean of women's office. The six-piece set consists of a tea pot, coffee pot, sugar container, cream pitcher, and tray. The pattern is Reed and Barton's Americana. The tea set was voted upon and ordered last spring by the council. Delay in delivery necessitated postponing the presentation until this fall.

Panel Votes Contribution To Hibbs Memorial Fund

Panhellenic Council last night voted to donate \$10 to the Cordelia Hibbs Memorial Fund.

The fund will possibly be used to purchase a gift for the Helen Eakin Eisenhower All-Faith Chapel.

At last report contributions totaled \$75. Individuals and organizations planning to donate to the fund should do so by Saturday. Contributions will be received by Miss Helen Sittig in the dean of women's office, 105 Old Main.

Panel also voted to eliminate the annual Freshman Tea, which is held to acquaint the freshmen with Panhel. Open coke dates will be held in its place. Invitations for the coke dates will be sent to all freshman women.

November 14, 15, and 16 were set as the dates for the fireside chats to be held in Thompson and McAllister Halls. The firesides are held to acquaint freshmen with both informal and formal rushing, the role of the sorority in school and community functions, the expenses and scholastic requirements, and the advantages of the sorority after graduation.

Sororities wishing to donate flowers for Chapel services or to attend Chapel in a group were asked to contact the Chaplain's office before noon Tuesday of the week they wish to participate.

The Council also decided that sophomore women who are rushing a sorority will be required to return their bids immediately following rushing coffee hours instead of waiting until the following morning, as has been the practice in previous years.

Each chapter voted to pay \$10 toward rushing materials.

It was also proposed that registration for informal rushing will end Nov. 4, and that spring rushing will end three weeks following ribboning. Both these proposals will be considered by the chapters and voted on at a later meeting.

Thespians to Initiate Pledges

Nineteen pledges will be initiated into the Thespian society at 7 tonight in 405 Old Main. All Thespian members should be present.

Rabbi Talks On Faith in God's Being

Rabbi Abraham J. Heschel, associate professor of Jewish Mysticism and Philosophy, Jewish Theological Seminary of America, New York City, said Monday night that belief in the realness of God is an outcome of "instants of wonder" and is not based on concepts.

We are aware of God, he said, because of our "faithfulness to a moment of insight."

Dr. Heschel's talk on "Faith in the Realness of God" was the fifth in the University Series of Centennial Lectures on Religion. The series is sponsored by the Committee of 13, representing the three major religious traditions at the University.

Faith in God, Dr. Heschel said, is not due to religious experience, but comes from "the urge to stand above one's own wisdom." The awareness comes first and the reasoning second, he said.

According to Dr. Heschel, the root of religion is not in reverence, but in concern about our being and what we are here for. "This," he said, "is the beginning of religion."

Creative thinking is rooted in "ignorance" and this "root of religious thinking is beyond our conception," he added.

No man, he said, is without worship. Everyone believes in an ultimate object whether it be God, the state, or the ego.

Traffic Violators Pay \$20 in Fines

Fifteen student traffic violators appeared before Traffic Court Monday night and ten of these were fined a total of \$20.

Five of the cases were dismissed because the court felt the students had legitimate excuses.

Eight students, who received letters informing them to appear before the court if they wanted their cases heard, did not appear. They received automatic fines.

The court also fined a student \$4 for failing to register his car with the Campus Patrol.

One student was ordered to take his car home. This is an automatic practice if a student receives five traffic tickets in one semester. The permission to keep a car on campus is suspended for 16 weeks.

Home Ec Group to Meet

The Creative Foods Interest Group of the Home Economics Club will meet at 7 p.m. Thursday in the Home Ec Building. The theme is "Trick or Treat."

Theta Sigma Phi to Meet

Theta Sigma Phi, women's national professional journalism honorary fraternity, will meet at 6:30 tonight in the Grange playroom.

Why do more college men and women smoke

VICEROYS

than any other filter cigarette?

Because only Viceroy gives you 20,000 filter traps in every filter tip, made from a pure natural substance — cellulose — found in delicious fruits and other edibles!

1. Yes, only Viceroy has this filter composed of 20,000 tiny filter traps. You cannot obtain the same filtering action in any other cigarette.
2. The Viceroy filter wasn't just whipped up and rushed to market to meet the new and skyrocketing demand for filtered cigarettes. Viceroy pioneered. Started research more than 20 years ago to create the pure and perfect filter.
3. Smokers en masse report that filtered Viceroy's have a finer flavor even than cigarettes without filters. Rich, satisfying, yet pleasantly mild.
4. Viceroy draws so easily that you wouldn't know, without looking, that it even had a filter tip . . . and Viceroy's cost only a penny or two more than cigarettes without filters!

That's why more college men and women smoke VICEROYS than any other filter cigarette . . . that's why VICEROY is the largest-selling filter cigarette in the world!
