

Pitt Submerges Harriers, 21-40

Moorhead 2d; Sowell Races To New Mark

By RON GATEHOUSE
The cross-country section of the Penn State athletic record books has another black mark in the loss column as a result of the Lion-Pitt duel over the weekend, but Nittany Captain Doug Moorhead continues to rank along with the best runners the Lions have met this season.

Chick Werner's harriers made their second home stand of the season Saturday on the University golf course, and the Panthers belittled the Blue and White, 21-40, to make it shelacking number four without a win for the Lions in their Centennial season.

Held Triangular Meet Win
Carl Olson's hill and dalers came to University Park with a season card blemished only by a loss to strong Villanova and highlighted by a formidable victory over Army and Manhattan in a triangular affair.

Sporting the brilliant Arnie Sowell and a batch of respectable runners including Wendal Harford, Jim Moore, and Thorn Smith, the Panthers met Werner's Lions head on with probably the stiffest challenge they've found to date.

Moorhead Takes Second
The final tally was probably indicative of the way the two teams were matched, but although Sowell outdistanced the field of 16 to muster top honors, Moorhead's fine showing and second place finish stands as a soothing compensation for Lion fans.

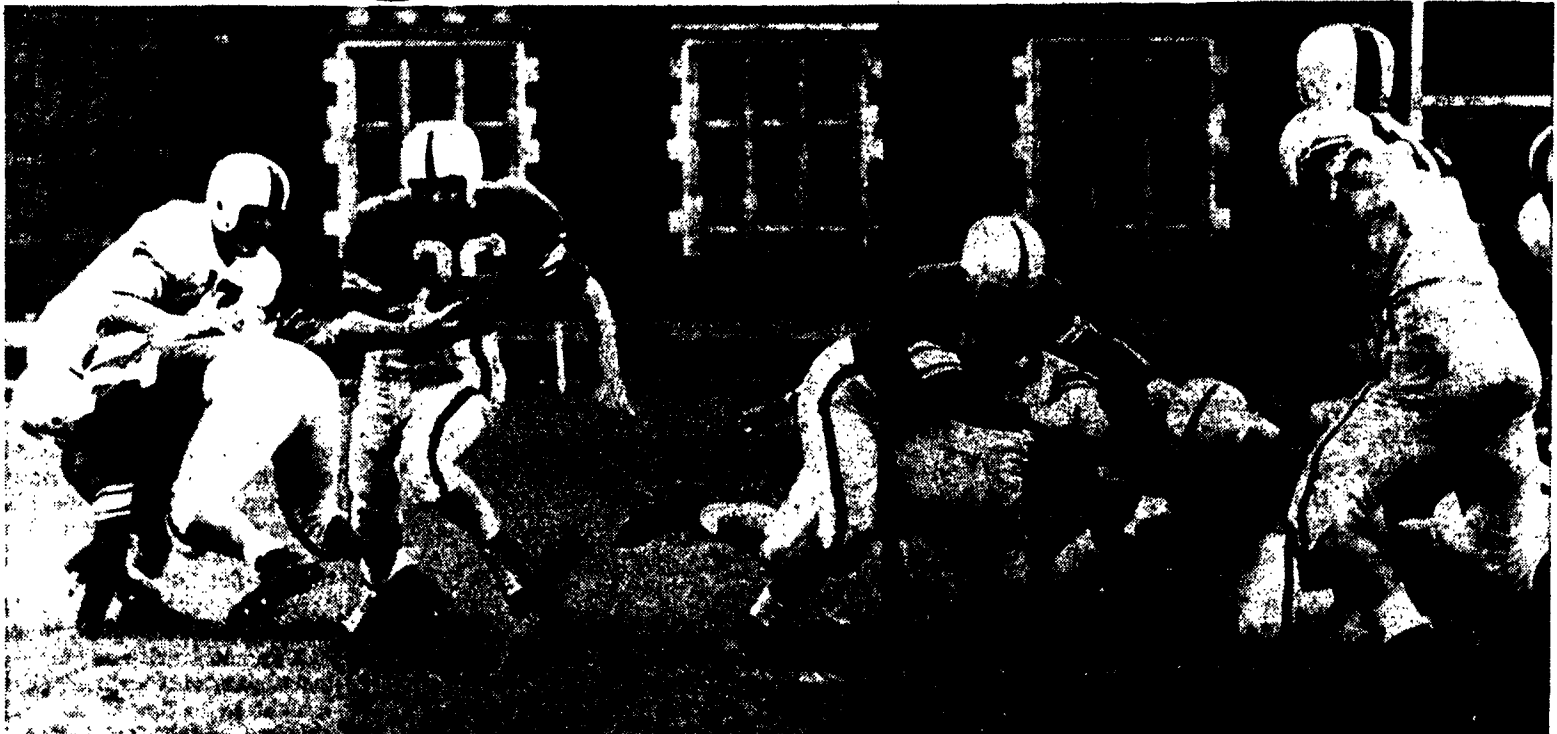

Sowell's time of 26:28.1 over the five-mile course did more than give him first place—it established a new record for the course. The old record—27:35.4—was established by Cornell's Mike Midler and Dave Eckel when the course was broken in for the Lions' first home appearance this year.

Four Others Break Record
The next four finishers behind Sowell—Moorhead, Harford, Moore and the Lions' Don Woodrow—also bettered the old mark. Moorhead, who covered the course in 27:04 against the Panthers, a considerable improvement over his 27:56 against the Big Red, stuck to Sowell's heels for most of the race, but couldn't equal the Panther's victory spurt. Woodrow's 27:35 gave him a sizeable lead over the sixth man, Smith, who finished in 27:58. Woodrow has been the second Penn State runner to cross the finish line in each of Penn State's meets this year.

Four Teams Enter Grid Quarterfinals

By LOUIE PRATO

Old man weather had another ace up his sleeve last night, sending cold temperatures back to Beaver Field after a one week lapse, to haunt intramural football.

Despite the coldness, four teams entered quarter-final competition. The Barfers defeated the Pugh Street Cats, 7-0; Navy rolled over the Iron Men, 13-0; Delta Sigma Phi rallied to beat Sigma Phi Epsilon, 7-0; and Phi Kappa Sigma walloped Pi Kappa Alpha, 19-0.

Mark Goldsmith's 11-yard pass to Dick Noll with 2 minutes remaining in the first half gave the Barfers a 7-0 win over the Pugh Street Cats.

The pass play followed an aerial from Dick Spitko to Don Marshall after the Barfers had returned a Pugh Street punt to their own 18-yard stripe.

Pugh Street Stalled
Pugh Street got as far as the Barfer's 15-yard line late in the fracas, but time ran out before they could tally. That was Pugh Street's biggest threat as the Barfers fine defensive array held Pugh Street's attack.

Navy's powerful offensive was not up to par last night, but the NROTC unit still managed to eliminate the Iron Men from IM competition, 13-0.

A sleeper pass from Gip Bon-

ner to Dick Kruppa covering 14 yards scored the first TD for Navy while their second score came in the last minute of play on a 40-yard from Bonner to Ray Tuolea. Ralph Souder converted for the first PAT, but his second attempt was no good.

Souder's Punts Effective
However, it was Souder who kept the Navy nine deep in the loser's territory the whole game with his tremendous punts; one of them covering 65 yards.

Delta Sigma Phi edged past Sigma Phi Epsilon, 7-0, before a crowd of 200. SPE was in control most of the game but it was Delta Sig's outstanding defensive team which brought them victory.

SPE's offensive kept Delta Sig on their toes throughout the first

Calling All Collegiates

Hi, my name's Mac—that's my picture on the left (it's not the photographer's fault . . . I was born that way.) Anyway, I'm the guy with the tie—a rep tie, that is. I went to Wilkes College and am a native of the Keystone. I am a native of the Keystone State. I am 24 (that's my age, not my IQ) and as collegiate as ever. Ah, gee, I never was good at introductions—but anyhow, I'd like to meet you all—what say you stop in today and say hello. You won't have any trouble finding me . . . I am in Danks Men's Shop, 107 West Beaver Avenue, every day 'til 5:30 and on Monday 'till 9. Got any prom problems—I am your boy. Be seeing you—Adios!
