

Phi Gam, Navy, Irvin Enter IM Semi-finals

By VINCE CAROCCI

Phi Gamma Delta, Irvin Hall, and Navy advanced to the semi-final round of the Intramural football tourney last night.

Phi Gam, sparked by the passing wizardry of Chuck Christiansen, scored three first downs while stopping Delta Sigma Phi from reaching paydirt to win a 1-0 victory.

Phi Gam struck with lightning-like rapidity the first time it got its hands on the ball.

Christiansen, running wide to his right, hit Terry Hutton with a pass, moving the ball to the losers' 45 for a first down.

On the next play, the Phi Gam tailback tossed to Don Ferguson who passed to Bob Brookman for another first on the Delta Sig 20.

Marty Bambrick stopped the Phi Gam march as he intercepted Christiansen's next pass on the four-yard line.

With time running out in the second period, Christiansen passed to Frank McFadden for the third first down. Beautifully sidestepping two on-rushing Delta Sig defenders, the Phi Gam tailback hit McFadden with a 30-yard aerial as time ran out.

Irvin Wins

Irvin Hall whitewashed the Farfs 6-0 when Bob Harrington scored on an intercepted pass late in the second half.

With the ball resting on the Farf's seven, Harrington snatched Jerry Goodman's pass and ran for the score. Howard Bish missed the extra point.

Irvin Hall showed what little

offense there was in the game when Bill Halley and Greg Moseback starred for the winners.

Moseback's passes, coupled with Halley's running, kept the Farf's defense on edge throughout the game. Tailback Jay Burkhardt and end Tony Conde stood out in the losing cause.

The evening's scoring was held in reserve for the last game as Navy whipped the Barfers, 28-6. Navy scored all of its points in the first half.

Hodges Scores

Navy scored the first touchdown of the game after one minute had passed in the first half. Phil Hodges—the sparkplug of the Navy offense—intercepted Dick Spitko's pass on the Barfers' 36 and ran for the score. Ralph Sodder kicked the first of four extra points.

On the first play following the kickoff, Hodges intercepted a Mark Goldsmith pass on the Barfers' 37. On the second play from scrimmage, Challen Bonar flipped to Sodder for a first down on the 16.

Bonar then tossed to Hodges for the second score in two minutes of play.

An intercepted pass again resulted in another Navy score. This time Rusty Chain pilfered a Spitko aerial on the Barfer 23.

Tuleya Tattles

Hodges passed to Ray Tuleya on 12. The Navy tailback then hit Banar in the endzone for the TD.

The Barfers moved to their only score when, on the second play after the kick-off, Goldsmith tossed to Dick Bohner who flipped to Don Marshall for the touchdown. The play covered 62 yards.

Navy came right back for its final score with Hodges again at the helm. Moving the ball to the losers' 45 on the kick-off, Hodges passed to Don Brosky who tossed to Tuleya in the end zone.

In tonight's semi-finals, the Blue Devils meet Dorm 39 at 7 p.m.; Irvin Hall plays Navy at 7:45; Phi Kappa Sigma battles Delta Upsilon at 8:30; and Alpha Chi Sigma tests Phi Gamma Delta at 9:15.

Bucs Name Bragan

PITTSBURGH, Nov. 2 (AP)—The Pittsburgh Pirates picked Bobby Bragan as field manager today, and thereby started a new National League guessing game: Is Bragan a "Rickey man" or a "Brown man."

Bragan himself, moving up from the Hollywood Stars of the Pacific Coast League, promptly paid tribute to Branch Rickey Sr., whose five-year contract as Pirate general manager ended only yesterday.

But General Manager Joe L. Brown, successor to Rickey, emphatically labeled Bragan as a "Brown man" and said he will stake his record as general manager on Bragan's performance with the team.

Rickey wasn't at the news conference, and reportedly was en route to Mexico to look over some player prospects in the winter league there.

This much was clear: Bragan's name popped up in speculation about the new Pirate field manager within minutes of the announcement by Fred Haney on Sept. 25 that he had been told he would not be retained for this year.

At that time Rickey still was general manager and the imminence of his retirement had not attracted any very great attention. So the gossip that linked Bragan's name to the job was traceable to his association with Rickey over a good many of his baseball years.

Bobby, originally an infielder, switched to catching while with the Philadelphia Phillies in 1942.

Outing Club to Meet
The Cabin and Trails division of the Penn. State Outing Club will hold a business meeting at 7:30 tonight in 317 Willard.

Pete Kozloski of Plains, Pa., bowled the most sanctioned 300 games in 1954. He rolled five perfect games.

TV to Cover Grid Sellout, Band Day

By ROY WILLIAMS

Penn State will stride before the television lens for the second time this year when it meets Syracuse Saturday before what is expected to be the second capacity Beaver Field crowd of the Centennial season. Navy was sold out, and Pitt, the finale, makes it three home sellouts. To add to this, customers will get an added treat when more than 4000 high school band members participate in the annual half-time band show.

The game, the always-colorful Band performance, and the capacity crowd will be covered by CBS television which will send the game to armchair fans over 23 stations in New England, New York, Pennsylvania, and West Virginia.

Orange Coach Ben Schwartzwalder, who recently signed a five-year contract after finishing a six-year stint with Syracuse, has worked his unbalanced winged-T and straight-T offense to a total of 114 points in five games.

With a 3-2 record to date, Syracuse has defeated Boston University, 27-12; Army, 13-0, and previously unbeaten Holy Cross, 49-9. Pitt dropped the Orange in the season-opener, 22-12, and Maryland inflicted the second loss, 34-13.

With sixteen lettermen returning this year after posting a 4-4 card in 1954, Schwartzwalder is out to do what has been denied Syracuse for 21 years—win on Beaver Field.

With the series at 15-12 for Penn State, Syracuse holds the edge in the scoring this year with 114 in five games to the Lions' 109 in six. The Orange also has the advantage on defense, giving up only 77 points to 97 by Penn State.

Syracuse, rated even against the Lions Saturday, has what most of the Lions' past 1955 opponents have boasted—speedy backs, and a team with size and depth. The line averages 205. But Schwartzwalder has had his

problems. Developing a passing attack (the Orange hit on only 23 of 81 in '54) with Ed Albright at the flipping slot has been the paramount problem. This year Albright has hit on 10 of 15 for two touchdowns and a net gain of 173 yards.

Albright sat out the Boston U. game after fracturing his hand against Pitt. He has played in the last three games. Albright of Reading, was replaced by Ferd Kuczala, sophomore, also from Reading.

The center problem also was a Syracuse headache when Paul Slick graduated to cause a double-barreled loss. In addition to his center duties Slick backed up the line with fullback Bill Wetzel who also graduated.

Pete Schwert, senior 210 pounder who stands 6-4, was switched in spring practices from left end to center in one of Schwartzwalder's experimental changes.

In addition to getting a more dangerous passing attack started the Orange evidently have managed to solve another problem—that of a more balanced ground attack (last year it averaged 230 yards per game).

In the backfield, a three-man

Three Shutouts Spark Bowling

Alpha Gamma Rho got back on the winning trail Tuesday night, sweeping a four game series from Tau Phi Delta in League A of Intramural fraternity bowling.

AGR has lost only one series in four matches—3-1 to Alpha Epsilon Pi last week.

In other games, Delta Sigma Phi shut out Phi Sigma Delta, 4-0; Phi Gamma Delta whitewashed Alpha Zeta, 4-0; Phi Kappa Tau beat Delta Tau Delta, 3-1; and Alpha Epsilon Pi tied Sigma Phi Epsilon, 2-2.

Walt Daub of Delta Sigma Phi bowled the evening's high single with 217. Phi Kappa Tau's Don Rieco rolled the high triple, 501. Delta Tau Delta claimed the team single and triple with 767 and 2186.

gang at halfbacks, sparked by speedy Jim Brown, plus fullback manpower, gives Syracuse a backfield with size and depth, but below average speed except for one or two men
