## Boro to Have Sunday Movies

### Staff Members Trail in Race

By LARRY JACOBSON

Unofficial returns from four of the six State College precincts reporting shortly before midnight showed four of five University faculty-staff members trailed in the race for four seats on the borough council.

Dr. Eric A. Walker, dean of the College of Engineering and Architecture, was the only faculty member among the

### Hearing Set For Frosh Car Violator

The first freshman to be prosecuted for having a car on campus will appear tomorrow before the Senate Committee on Student Affairs Subcommittee on Discipline.

Dean of Men Frank J. Simes said yesterday that the student was one of four who were caught with cars on campus and brought to his office.

Simes said the other students were cleared of charges. One student turned out to be a sophomore. Sophomores are not subject to the car ban.

Two weeks ago Simes stressed the fact that the car ban applies to both first and second semester freshmen. Simes said he thought that some second semester freshmen were under the impression that the ban did not apply to them.

Applications for hearings by the Association of Independent Men freshman car screening committee are now being accepted at the Hetzel Union desk.

Freshmen who feel they should be permitted to have cars on campus should send a letter for an interview to Bruce Lieske, AIM president.

### TIM Will Elect 2 to AIM Board, Discuss Ice Revue

Elections for vice president and a representative-at-large to the Association of Independent Men board of governors will be held at a meeting of Town Independent Men at 7:30 tonight in 216 Hetzel Union.

Edward Dull, present vice president, will continue to serve on the AIM screening board after his resignation. An 11th representative-at-large will be elected to fill a position created by a growth in the number of independent men living in the borough.

The proposed "Ice Revue" will be discussed and a new recreation chairman will be appointed. Final approval will be sought for TIM's pushcart race. TIM's annual budget report will be given by the treasurer.

All TIM representatives-at-large are requested to attend meetings of the group or be subject to removal from office.

### Kenton Concert Ticket

Tickets for the Stan Kenton concert, to be held Nov. 18 in Recreation Hall, will go on sale to members tonight at a meeting of the Penn State Jazz Club.

The meeting will be held at 7:30 in 110 Electrical Engineering. Tickets will be available to the public tomorrow for \$1.50 at the Hetzel Union desk, the Music Room, and the Harmony Shop.

leading four nominees for the council.

The four faculty-staff members, running on the Democratic ticket were Dr. Nennoyer F. English, professor of wildlife management; Ralph W. McComb, University librarian; James F. Keim, associate professor of agriculture extension; and Mrs. Edith H. Anderson, secretary in the Division of Intermediate Registration.

With East, West Central, East Central, and West precincts reporting, Dr. Walker and Robert H. Breon, Republicans, led borough council candidates with 1285 and 1292 votes respectively. Ned C. Cummings and Mrs. Gladys Tanner, Republicans, followed with 1212 and 1199 votes.

Mrs. Anderson paced the Democratic nominees, although trailing Republican nominees, with 1979 votes, was followed by McComb with 821 votes, Keim with 723 votes, and Dr. English with 771 votes.

When broken down into precinct totals, returns show the four Republican candidates had a greater margin of victory in the West Central precinct, with Dr. Walker's 304 votes leading the field. Breon also reached the 300 figure with exactly 300 votes.

West Central voters gave Cummings 297 votes; Mrs. Tanner 292; Mrs. Anderson 222; McComb 178; Keim 165, and Dr. English 164. Breon led voting in the East precinct with a 218 total, followed by Dr. Walker, 214; Cummings, 204; Mrs. Tanner, 192; Mrs. Anderson, 142; McComb, 133; Keim, 119; and Dr. English, 116.

Voting in the East Central precinct was almost a carbon copy of the trend in the West Central precinct. Breon led the voting with 327 votes. He was followed by Dr. Walker with 320 votes, Mrs. Tanner with 296, Cummings with 289, Mrs. Anderson again topped democrats with 190 votes, compared to 160 for Dr. English, 159 for McComb, and 140 for Keim.

Tabulations in the West precinct showed the heaviest voting of the four precincts reporting, with Dr. Walker and Breon polling 447 votes apiece. Following Walker and Breon were Mrs. Anderson with 425 votes, Cummings, 422; Mrs. Tanner 419; McComb, 351; Dr. English, 331; and Keim, 289.

## Molotov Asks Red-Ruled Germany

GENEVA, Nov. 8 (AP)—Soviet Foreign Minister V. M. Molotov stunned the Big Four conference tonight with a thunderous demand for Communist dominance in a United Germany.

The Western Allies immediately obtained a recess until tomorrow. A French delegation officer said "tomorrow's meeting could be the last."

"If Molotov maintains his position, including his statement that Russia does not intend to submit any other proposals on German unification, it is difficult to see how the West could make any agreement or compromise on any other front in the agenda," the French official said.

## Frosh, Sophomores To Vote Tomorrow

Editorial on Page Four

All-University elections for freshman and sophomore class officers will be held tomorrow and Friday in the card room of the Hetzel Union Building. Elections will be held from 8:30 a.m. to 5 p.m.

All freshman and sophomore students are eligible to vote for candidates in their class.

In order to vote, students must present their matriculation cards. Their names will be checked off prepared lists of all freshman and sophomore students.

As in the spring, this fall's elections will be centralized, All-University Elections committee decided. Two voting machines will be used. Students may vote only once, and if caught voting more than once they will be subject to disciplinary action.

Campaigning by Lion and Campus parties will end at 5 p.m. today. The parties have been campaigning for 10 days by distributing publicity material and sending candidates through the dormitories and fraternities.

The positions of president, vice president, and secretary-treasurer are open in each class.

Lion party's sophomore candidates are Edward Long, arts and letters major from Wana mie, president; Richard Schlipp, arts and letters major from Mohnton, vice president; Barbara Rinehart, (Continued on page eight)

## Little Theater Series to Open

The Director's Theater, under the auspices of the Experimental Theater, will present a scene from "Italian Straw Hat" at 5 p.m. tomorrow in the Little Theater in the basement of Old Main.

The 19th century French farce by Gene Labiche and Mare Michel will be directed by Paul Talley, graduate in dramatics from Oil City. This presentation is the first in a series of five o'clocks to be presented on Thursdays.

The cast includes Betty Rice, Millis Mershon, Mary Taylor, James Carroll, Walter Vail. Other members are David Faust, Dominick Landro, Richard Land, and John Thomas.

The Experimental Theater presentation of scenes from "King Lear" was canceled because the cast could not be completed with appropriate actors for the parts.

## Unofficial Vote Shows 212 Margin

By JACK MELDER

Unofficial election results revealed late last night that the voters of State College had approved the measure providing for the showing of movies after 2 p.m. on Sunday by a margin of 212 votes.

The unofficial vote was 2006 for Sunday movies; 1784 against. Thirty-one ballots were thrown out because they were mis-marked.

The 212-vote margin is the largest spread either way on the measure which had been defeated in previous elections in 1947 and 1951.

Actually, there was little campaigning done by either side in this year's election with the exception of a heavy flow of last-minute pleas circulated by both sides.

### No Church Stand

The State College Council of Churches, which represents many Protestant churches in the borough, took no official action in the campaign.

A group of ministers did come out against the measure near the end of the campaign.

The Rev. Melvin Whitmire, Evangelical United Brethren Church, acted as chairman for the group. He could not be reached for comment late last night.

The Rev. Frank Montgomery, St. Paul's Methodist Church, a member of the group, was reached but he had no comment to make.

### Kneebone Remains Silent

Leon Kneebone, president of the State College Council of Churches, said last night he had nothing to say about the results. He said the group had studied the question and decided to take no official action.

Many of the ministers of the borough were split on the question and some of them took independent action, Kneebone said.

A breakdown of the unofficial tabulation shows the voters in the North and South precincts were largely responsible for approving the measure.

### 3 Precincts Against

In three of the precincts—East, East Central, and West Central—the measure was defeated.

The West precinct passed the measure by a margin of 12 votes. Thirty-one of the votes cast were discounted because they were mis-marked.

The voting in the West precinct was significant since it has been largely responsible for the measure being defeated in the past two elections.

Following is a breakdown of the 3821 votes cast in yesterday's election:

	Yes	No
East	164	171
East Central	213	257
West	398	387
West Central	212	279
North	469	378
South	550	312
Total	2006	1784
