

Soccermen Down Middies, 3-1

Victory is 16th Straight; Packer Scores 3 Goals

By FRAN FANUCCI

ANNAPOLIS, Md.—Penn State's soccer team, led by All-American Dick Packer who scored all of the Lions' tallies, hurtled the biggest obstacle in its path to an unbeaten season when it trimmed Navy, 3-1, yesterday.

The win also extended the booter's victory string to 16 games, and gave them a total of 20 wins over the Middies since the series started in 1922.

Packer's three goals gives him a total of 19—four short of the 1952 record set by All-American Jack Pinezich.

The Lions scored in the second, third, and fourth quarters while Navy scored its lone tally in the third stanza. Potent defenses by both teams held the first period scoreless.

Packer banged in the first goal, after 31 minutes of the game had elapsed, from 20 yards to give the Lions a 1-0 halftime lead.

The Middies powerful offense dominated first-half play, but it was stalled each time at the last minute by the alert play of Steve Flamporis, Ralph Brower, George Geczy.

Navy scored after five minutes of play in the second half to tie it, 1-1. But the Lions fought back with Packer scoring midway in the third quarter to give the Lions a lead they never lost.

Until Packer's second score Navy had been controlling most of the offensive play and beating Coach Ken Hosterman's group to the ball. With Packer's rally, Navy's spirit broke, and the Lions topped it off with a fourth-period score by Packer with only nine minutes left.

Penn State rebounded in the final quarter and held the Middies as they failed to threaten for 22 minutes.

The Navy outshot the Lions 9-5 in the first half, while in the second half the shooting attempts were tied at eight each.

The outstanding play of Steve Flamporis was singled out by Hosterman as being the best game he had seen the scrappy center forward play. His booming head shots and quick passes pulled the Lions out of several holes.

Hosterman was forced to shift Flamporis to Ihor Stelnyk's slot when Stelnyk was taken out early in the game because of a severe charley horse.

Hosterman also mentioned the play of Brower, whose clutch kicks deep in Lion territory thwarted Navy's drives, and George Geczy, goalie, who stopped over six of Navy's scoring attempts.

Penn State meets Temple Saturday. They need only one more win to tie the all-time win streak of 17 set from 1937 to 1939. The Lions last loss was in 1953 to Temple, 2-0.

Penn State's present victory streak was started in 1953 when the Lions dropped Penn—no longer on the booter's schedule. Last year Penn State clipped eight opponents, including Temple in a 1-0 victory. The Lions' victory last year gave them the 1955 National Soccer Championship title and snapped the Owl's 19-game win streak.

Three Teams Cop Swimming Meets

Phi Kappa Tau and Pi Kappa Alpha had to wait until the 120-yard relay before being assured of victory in the Intramural Swimming tournament last night at Glennland Pool.

Phi Kappa Tau beat Sigma Nu, 22-14, and PiKA stopped Lambda Chi Alpha, 24-17. In the other match, the Penguins completely outclassed the Rocks, sweeping to a 28-9 win.

Phi Tau trailed the men from Sigma Nu, 18-17, going into the relay, but came through in champion-like form, posting the best relay time of the night with a 1:04 mark.

Phi Tau also finished first in the 60-yard free style and 60-yard back stroke. Phil Stevens took the free style while Dick Hayes won the back stroke.

It was also the last match relay which brought victory to PiKA, although the relay team posted the slowest time, 1:07.4, of the night.

Bruce Williams helped a great deal in the PiKA win with first place in the diving contest.

The Rocks could only manage one first place all evening in its loss to the Penguins. Bruce Shaffer and Jim Laffer led the way for the Penguins; Shaffer in the free style and relay, and Laffer in the diving and relay.

Four Coeds Chosen For Hockey Honors

Penn State's Joan Brown, Rusty Harvey, Millie Mullin, and Judi Scattergood were named to the third team in the Central Pennsylvania Field Hockey tryouts at Shippensburg Saturday afternoon.

The four Penn State coeds will travel to Pittsburgh Saturday to try out for the Mid-East team. If they gain the favor of the selection committee, they will go to Wilson College Nov. 24-27 to compete for the National Team.

The players were chosen on the basis of competent play in three games. The selection committee was composed of coaches, hockey players, and the Harrisburg Hockey Board, which is present at all the Hockey Sports Days to judge the outstanding players.

Summer employment opportunities at the Laboratory are open to approximately 100 graduate students majoring in various physical sciences, and undergraduates receiving their degrees next June who intend to continue their advance studies.

The program provides for well-paid summer work with renowned scientists in one of the nation's most important and finest equipped research laboratories.

Summer employees will become familiar with several phases of vital scientific research and development activity related as closely as possible to the individual's field of interest. This experience will enable students to appraise the advantages of a possible career at the Laboratory.

In addition to interesting work, employees will enjoy delightful daytime temperatures and blanket-cool nights in a timbered, mountainous area, only 35 miles from historic old Santa Fe.

Interested students should make immediate inquiry. Completed applications must be received by the Laboratory not later than February 1, 1956, in order to allow time for necessary security clearance. Applicants must be U. S. citizens.
