PITT GOALIE Al Peleaz and two other unidentified Pitt players leap high to block a Penn State scoring attempt early in the third period of Saturday's game. Watching the action are All-American Dick Packer, left, and at the right, Pitt fullback, Norm Zanardelli. Penn State won, 6-3.

Booters Set Three Records in Pitt Win

By FRAN FANUCCI

In a record-smashing feat unparalleled in Lion soccer history, Penn State's soccer team broke two records and captain Dick Packer broke one in the Lions' 6-3 victory over Pittsburgh Saturday at Beaver Field.

The fabulous Lion booters extended their win streak to 18 games, breaking the old record of 17 consecutive wins set in 1937-'39, and broke the one-year-old mark of total goals scored in one season when they brought their total to 46. The old mark was 45.

Swiss Meet Ticket Sales Announced

The advance ticket sale for the Swiss Olympic Men Gymnastic Exhibition will begin at 9 a.m. Monday, Dec. 12, Edward Czekaj, Athletic Association ticket manager, announced yesterday.

Both the reserved tickets, selling at \$2 apiece, and the unreserved tickets, selling for \$1 each, will be put on sale, Czekaj said.

The reserved tickets entitle the holder to a designated seat in the balcony while those buying the unreserved tickets will sit in the temporary bleachers on the gym floor.

The Swiss gymnasts, currently ranked second in international gymnastic competition, will perform at Recreation Hall against the Penn State squad in an exhibition meet at 7:30 on Jan. 14.

The exhibition meet will consist of the six events used in Olympic competition. They are the parallel bars, the side horse, the rings, the long horse, the horizontal bar, and the vault.

Packer, held scoreless for three quarters, scored twice in the fourth and brought his total to 24 goals, one more than the record 23 set in 1952 by All-American Jack Pinezich.

This is the first time in history that the Lion soccermen have registered two straight unbeaten and untied seasons. Not even in the 1930's when the Lions went 65 games without tasting defeat did a team go unbeaten or untied two straight years.

For Coach Ken Hosterman, who took control of the team in 1953, the win brings his brilliant record to 22 wins and 2 losses.

Lost in the after-game chaos Saturday was Dick Maticia, who played probably his most brilliant game. The scrappy inside right was the game's top scorer with three goals and his clutch play-making stopped many Pitt drives in addition to setting up a number of Lion scoring drives.

Maticia rammed in the first two goals of the game early in the first period, giving the booters a 2-0 lead, but the stubborn Panthers fought back with their high-

University Official Calls TV Possibilities Unlimited

A University official yesterday saw "unlimited possibilities" in the proposal of Triangle Publications, Inc., of Philadelphia, to originate daily television shows from the campus.

Triangle, which publishes the Philadelphia Inquirer and operates WFIL-TV, offered to supply \$10,000 a year for five years to the University to produce the programs.

University trustees will consider accepting the offer at their next meeting Dec. 2.

Action Suggested In Pitt Damage Case

By AL KLIMCKE

Tribunal last night recommended disciplinary probation for five students arrested for defacing the University of Pittsburgh campus last Wednesday and office probation for six others accused of similar action the night before. Both punishments will be in effect for the remainder of the school year.

The five, all members of Phi Sigma Kappa fraternity, admitted to painting "Beat Pitt" and similar slogans on the sidewalks around the Cathedral of Learning, but denied painting the walls of the Cathedral.

Previously Paid \$125

The group had previously paid \$125 in damages to the Dean of Men at the University of Pittsburgh.

The second group, stopped by Pittsburgh police for driving on the wrong side of a safety island on Forbes street and later accused of painting on the campus, spent the night in a Pittsburgh jail and were released after a magistrate's hearing found them innocent of the charges.

All six students were members of Theta Chi fraternity. The students said they went to Pittsburgh with the intent of burning a large PSU on the lawn of the Cathedral.

Chairman Explains Action

Tribunal Chairman Karl Schwenzfeier said the recommendation of disciplinary probation was made in the first case because the students followed through with their intent of causing damage to the Pitt campus after having been warned that such action would be subject to disciplinary action.

Schwenzfeier said the more lenient action was taken in the second case because the students did no actual damage and were not fully aware of the seriousness of the action. He also cited their promptness in reporting to the dean of men upon their return to the University.

Warning Was Published

A notice, warning of disciplinary action for any students caught defacing the University of Pittsburgh campus, was printed in The Daily Collegian last Wednesday.

The five students of Phi Sigma Kappa were identified as Joseph Peden, Thomas Campbell, Harry

Rink Opening Is Scheduled For Sunday

The University ice skating rink, located to the east of the Nittany dormitories, will open Sunday if weather conditions are favorable. Students admission is 25 cents.

Robert B. Rutherford, Jr., manager of the rink, said yesterday his men will start the compressors Thursday to freeze the sand which covers the circulatory pipes. The process will take about 24 hours. The rink then will be flooded and the surface should be ready for skating by Sunday.

Skaters other than students will be charged 50 cents, except during special hours. Rental of skates will be 25 cents.

The rink will be open daily from 1 to 5 p.m. and from 7 to 10 p.m.; Saturday mornings from 9 to 10.

The special skating periods will be Monday nights for faculty and Saturday mornings for public school children. The admission fee at these sessions will be 25 cents.

Rain or Snow Predicted As Students Head Home

Possible rain or snow flurries might make difficult traveling for students leaving the area for Thanksgiving vacation according to the University meteorology department. Weather predictions say possible showers late tonight or tomorrow morning and either rain or snow tomorrow.

Maximum temperature for tomorrow is expected to be 35 and the low for tomorrow night will be 25.

Thanksgiving recess will officially begin at 11:50 a.m. tomorrow and end at 8 a.m. Monday. In observance of Thanksgiving Day offices will be closed Thursday.

Dormitories will be closed to students at 5 p.m. tomorrow. Lunch will be the last meal served in the dormitory dining halls before the vacation. The dormitories will reopen at 1 p.m. Sunday. Monday morning breakfast will be the first meal served in the dining halls after the recess.

Employment Service Closed
The Student Employment Service will be closed Thursday and Friday. Students remaining in State College and interested in part-time jobs during the vacation may inquire in the employment office in 112 Old Main between 8 a.m. and 5 p.m. tomorrow and 8 a.m. and noon Saturday.

Today's issue of the Daily Collegian will be the final one before the vacation, Norman Miller, acting editor, has announced. Publication will be resumed next Tuesday.

Triangle asked the University to telecast live the Sunday chapel services from 11 a.m. to noon and a daily half-hour "Farm and Home Life" program from 12:30 to 1 p.m.

The preliminary agreement between the publishing company and the University provides that other cultural programs may develop.

Public Interest Broadcasts

This was interpreted by an official to include the telecasting of events on campus which would be of interest to the public.

There are many events which might fall under this category; for example, speakers of state or national interest, concerts, and forums.

Special talents and information of persons on campus might be another area for expansion. These could be incorporated in the programs now planned or compose a separate show.

WFBG-TV Included

Included in Triangle's plans is the purchase of Altoona radio and television stations WFBG and WFBG-TV. The Federal Communications Commission has yet to approve the transaction, which reportedly would be for \$3.5 million.

In addition to the monetary grant, Triangle proposes to donate television production equipment to the University and construct a complete microwave relay system between the campus studios and the WFBG-TV transmitter.

Walter H. Annenberg, president of Triangle, said the University's telecasts would be recorded by kinescope for further use by the school and for distribution to other educational institutions and television stations for rebroadcast.

Triangle's WFIL-TV in Philadelphia has long sponsored "University of the Air," in which some 25 colleges and universities participated.

The Altoona stations are owned by Gable Broadcasting company.
