Men's Team Enters Two Tournaments

Two squads of the Men's Debate Team have been selected to represent the University at two out of town debate tournaments this weekend.

One squad will attend the University of Pittsburgh Cross Examination Debate tournament in Pittsburgh Friday and Saturday. The Pittsburgh tournament is the only cross examination one that the men's team will attend this year.

Assistant Dean OK's West Hall Lounge Policy

William Crafts, assistant to the dean of men's office, said last night at a West Hall council meeting that the Dean's office would back the council's move to open the Hamilton and McKee lounges from 2-5 p.m. every Saturday and Sunday.

Crafts stipulated that only parents and relatives would be allowed in the lounges.

The council also passed a motion allowing women students to join the West Hall Social Club.

The council set up a committee to be headed by Dan Thailmer, representative at large, to judge the West Hall Christmas decorations with prizes of \$15, \$10, and \$5 to be awarded to the winners.

In discussing the Sunday dress rule the council agreed to table the discussion until the Supreme Court rendered a decision stating if the rule was unconstitutional or not.

The council also discussed student conduct in the dining halls. According to reports brought to the council's attention, students are throwing food and water about and causing excessive noise.

Council president, John Carlson, told the floor presidents present at the meeting to talk to the students on their floor and to warn them that disciplinary action may be needed in the future if the misbehavior continues.

The University adopted a policy whereby no tuition was charged residents of the State when James Calder was president in the 1870's.

Committee On Housing Established

Women's Student Government Association House of Representatives voted yesterday to set up a housing committee to meet twice a month with Otto E. Mueller, director of housing.

Each of the dormitory unit presidents has appointed one representative to be on a housing committee for her dormitory. According to the accepted plan the representatives of each dormitory will meet and elect a chairman.

There will be one representative each for Grange and MacAllister Halls and Women's Building. These three representatives will elect one chairman to see Mueller.

McElwain, Simmons, Atherton, and Thompson dormitories will each have one chairman. Town women will also have one representative to see Mueller.

After seeing Mueller the chairmen will take back the results of their conference to their respective committees and from there to the unit presidents.

Members of the House said they hoped this committee would enable women students to settle many of the small housing problems with the housing department.

In the past there has been no contact between the dormitory residents and the housing department.

In further action the House voted to have each dormitory unit president pick up five copies each of the Senate and House minutes to be posted in their dormitory units.

New Aide Named To Ordnance Lab

Dale W. Hoover, business manager of East Stroudsburg State Teachers College, has been named business manager of the Ordnance Research Laboratory to fill the position which will be vacated by Robert A. Hussey Dec. 31.

Hussey was approved by the Board of Trustees Friday for a title of professor emeritus of industrial engineering. He will retire after 26 years on the industrial engineering faculty and 10 years as business manager of the Laboratory.

Faculty Members to Be Guests At Junior-Senior Reception

A reception for junior and senior women to become acquainted with members of the faculty and administration will be held from 7:30 to 9:30 tonight in Simmons Lounge.

All professors in the Colleges of Liberal Arts, Education, Business Administration, and Home Economics, deans of all colleges, members of the administration, and dormitory hostesses have been invited.

Other professors have been invited at the request of junior and senior women.

Members of the receiving line will be Pearl O. Weston, dean of women; Wilmer E. Kenworthy, director of student affairs, and Mrs. Kenworthy; Helen L. Sittig, assistant dean of women; Jeanne N. Lindaman, assistant to the dean of women; Marilyn W. Black, assistant to the dean of women.

Pauline Paulekas, senior senator to Women's Student Government Association; Frances Riley, acting president of WSGA; Lois Masket, acting chairman of Judicial; and Patricia Farrell, president of Women's Recreation Association.

The annual reception, sponsored by WSGA, will be informal. All junior and senior women are invited to attend.

Members of Cwens, Chimes, Scrolls, and Mortar Board, women's hat societies, and the presidents of the junior-senior dormitory units will assist with the serving.
