# Hillel Will Show Film Made by Israeli Cast

Chamishia—Five Tales from Israel, a feature motion picture, will be shown at 7:15 p.m. tomorrow at the Hillel Foundation under the auspices of the cultural committee.

The film, which played simultaneously in four theaters in New York City last winter, was made with an Israeli cast, but is spoken entirely in English.

It consists of five different stories ranging from musical to romance, drama, and comedy.

The showing will be open to the public free of charge.

An exhibition of 100 paintings by children from all over the world will be formally dedicated in the Hillel auditorium at public ceremonies at 3 p.m. tomorrow.

The dedication exercises will include talks by Rabbi Arthur J. Lelyveld, national director of the B'nai B'rith Hillel Foundations, and by Dr. Viktor Lowenfeld, professor and head of the department of art education.

The exhibition, which is titled "The Wonderful World of Children's Art," was presented last summer at the Chrysler International Salon in New York City. It is a part of the Children's International Art Exhibition.

The paintings will be on display in the Hillel auditorium until March 2. The exhibition is open to the public.

Union Student Fellowship of Faith Evangelical and Reformed Church will have the film "The Secret of the Gift" at its meeting at 6:30 p.m. tomorrow.

A supper will be held by Roger Williams Fellowship at 5:30 p.m. tomorrow at the student center. A panel discussion on "How Did You Get That Way?" will follow the supper.

Panel members include Mrs. Robert B. Starbuck, of the Evangelical and Reformed Church; Frank Koche, adviser to Inter-University Christian Fellowship; and

the Rev. Earl F. Spencer, pastor of the University Baptist Church.

The University delegates to the Ecumenical Conference, held at Athens, Ohio, during Christmas vacation, will report on five projects for campus activity at a meeting at 2 p.m. tomorrow in 304 Old Main.

The 30 delegates include 15 foreign students. The Rev. Hal M. W. Leiper, program associate of the University Christian Association, accompanied the group to the conference.

The meeting tomorrow will be open to the public.

# Wesley Foundation Building To Be Dismantled in March

The present Wesley Foundation building will be dismantled in March in order that work on a new two-story brick and stone building may be started.

The building will not be used after March 1, but foundation activities will be held in St. Paul's Methodist Church if possible, according to the Rev. Richard W. Nutt, director of Wesley Foundation.

Preliminary work began Jan. 9,

when the two houses adjacent to the foundation were torn down.

The new L-shaped structure is expected to be completed next year. The cost of the building will be approximately \$200 thousand, with an additional \$100 thousand for furnishings.

Included in the basement will be a large recreation room, a classroom, publishing room, and kitchen. The first floor will contain
