

Already!

—Photo by Rohrbaugh

BARBARA DONNELLY, freshman in home economics from Huntingdon, and **James Gould**, freshman in education from Johnstown, greeted yesterday's spring-like weather with a stroll.

'Might as Well Be Spring'

The spring-like weather yesterday brought out Bermuda shorts as well as spring-fever. But the Bermuda shorts will have to be saved until later. The weatherman says today won't be nice. An overcast sky, winds, and scattered showers have been forecast by the students in the department of meteorology. The temperatures are expected to be war mthis morning, but will turn to the chilly side this afternoon. The high today is expected to be a pleasant 48, but it could dip to a low 25. Yesterday's high was 54 and the low was 18.

Lucy Expelled--

(Continued from page one) maintain law and order if she returned to the campus. In expelling Miss Lucy from the university, the trustees accused her of making "false, defamatory, impertinent and scandalous charges" against university officials in court and through newspapers, radio and television stations. The resolution added, "No educational institution could maintain necessary disciplinary action if any student, regardless of race, guilty of the conduct of Autherine J. Lucy be permitted to remain."

Registration Closes For Camera Course

Registration for a three session course in elementary photography is closed, Joseph Rohrbaugh, president of the Camera Club, has announced. Approximately 45 people registered for the course. The first meeting will be at 1 p.m. Saturday in 218 Hetzel Union.

Directories Now on Sale

Kappa Alpha Psi has been approved tonight only. Alpha Phi Alpha has been approved for Saturday night only.

Cabinet Votes--

(Continued from page one) that the only reason for bringing the matter up before the Supreme Court was a political one.

Beard said, "I feel that this matter was brought before the Supreme Court with the idea and hope that it would be deemed unconstitutional."

This would allow, Beard continued, candidates to run on a platform of outlawing student compensations.

Ross Lehman, assistant secretary of the Alumni Association, suggested that Cabinet set up certain avenues of approach between itself and the Supreme Court so that the court will know how to go about accepting cases involving the All-University constitution.

He also suggested that the court adopt an ex-faculty adviser upon whom it could call, to clear up matters of appeal.

He urged Cabinet to take action along these lines in the near future or be faced with the proposition of having the Supreme Court passing legislation.

Phi Mu Alpha Dance Band Will Play at Forestry Ball

The 18-piece Phi Mu Alpha dance orchestra will play at the Forestry Ball tonight from 9 a.m. to midnight in the Hetzel Union ballroom.

Tickets for the semi-formal affair, which is open to all students, are on sale at the Hetzel Union desk for \$2.50.

Phi Mu Alpha, men's honorary and professional fraternity, organized the dance band two years ago. During that time, the group has given two jazz concerts in Schwab Auditorium and played for the Centennial ball last year.

Its members have arranged over half the music that the band plays. Its theme song, "Starlight Dream," was written and arranged by Elmer C. Wareham, instructor in music.

Charles H. Springman, the leader of the band, said the members have added 17 original arrangements to their collection this year.

Featured players for the group are Kenneth Lesight, senior in music education from Yukon, on trumpet; Robert Dombeck, senior in mechanical engineering from Wampum, on trombone; Verino Dandrea, senior in music education from Altoona, on saxophone; and Gerald Miller, junior in hotel administration from Allentown, on piano.

Parking Report--

(Continued from page one)

Douglas Moorhead, Athletic Association president, asked University President Earl Seely to appoint a committee to look into the possibilities of expanding the broadcasting range of WDFM. Moorhead pointed out that although a portion of each student's fees is used to finance the station, an inadequate number of the students are unable to benefit from WDFM because its broadcasting range is insufficient. Moorhead suggested the possibilities of placing transponders downtown and throughout the dormitories and expanding the station's operating time. Cabinet moved to look into the situation. Moorhead also asked Cabinet

ROTC Groups Receive Shots

Reserve Officer Training Corps cadets and midshipmen are receiving immunization shots in preparation for summer training.

A team of doctors and navy personnel from the United States Naval Hospital in Philadelphia will conclude the shots for the NROTC midshipmen today.

Eighty freshmen and junior NROTC regular midshipmen will take a European cruise this summer. Twenty sophomore regular midshipmen will spend eight weeks in the United States on a combination aviation and amphibious program.

Sophomores will receive amphibious training at Little Creek, Va., and aviation training at Corpus Christi, Tex.

Twenty-four junior and three senior contract midshipmen will spend six weeks cruising in the Caribbean area.

Ninety-three junior and eight senior Air Force Reserve Officer Training Corps cadets are receiving immunization injections for tetanus, typhoid fever, and small pox in preparation for four weeks of summer training.

for approval to submit to Ernest B. McCoy, Dean of the College of Physical Education and Athletics, a request to hold a donkey basketball game in conjunction with Spring Week. Cabinet unanimously approved the request.
