

Santee Refused Court Injunction

NEW YORK, March 20 (AP)—Wes Santee, America's No. 1 miler, was shelved today.

Justice Walter A. Lynch of the New York State Supreme Court refused to continue a temporary injunction Santee had obtained against the Amateur Athletic Union which banned the AAU from enforcing its lifetime suspension on him.

That means unless Justice Lynch reaches a favorable decision for Santee by Saturday, the lean Marine Corps lieutenant will not run in the Chicago Daily News Relays this Saturday.

A Santee Victory

Santee obtained a temporary injunction shortly after the AAU suspended him on Feb. 19 on charges of accepting excessive expenses in meets last year. The appellate division turned down an AAU appeal on the injunction a few days later. Then Santee obtained a stay of the injunction until the trial.

That made it three legal victories in three tries for Santee in his running battle with the AAU. Today, however, was all the AAU's.

AAU Atty. Louis Nizer told Judge Lynch the stay covered only the start of the trial and not the eventual outcome. The jurist agreed.

AAU Spared

Earlier, Justice Lynch threw out one section of Santee's complaint against the AAU which charged its expense rules were "dead letter." That action saved AAU officials from being forced to take the witness stand and giving detailed accounts of their financial dealings with athletes.

Santee's attorney, Charles P. Grimes, had indicated he wished to cross-examination members of the AAU concerning the question of expenses. Reports circulated, too, that several former track stars had volunteered to take the stand for Santee.

6 Fraternities, 7 Indies Win Volleyball Tilts

Six Fraternities and seven Independent volleyball teams chalked up victories in the Intramural Volleyball League Monday night.

Two of the fraternity contests went the full three games before a winner was decided. Theta Chi fought back from a 15-0 shutout in the first match to beat Chi Phi in the final two matches, 15-10, 15-4.

Phi Mu Delta was also extended before winning. Phi Mu topped Beta Sigma Rho in the first match, 15-10; dropped the second, 13-15; and then won the rubber match, 15-8.

In other fraternity encounters Alpha Sigma Phi beat Sigma Alpha Epsilon, 15-2, 15-6; Alpha Chi Rho defeated Zeta Beta Tau, 15-4, 15-12; Delta Chi topped Lambda Chi Alpha, 15-10, 15-4; and Alpha Zeta turned back Tau Kappa Epsilon, 15-2, 15-7.

Two independent teams also had to wait until the third match before registering victories. The Barbers stopped the Taormina's, 17-15, 13-15, 15-6; and the Iron Men beat the Rowdy Nine, 15-8, 10-15, 15-7.

The other two independent contests saw Co-op beat Penn Haven, 15-5, 15-11, and the Old Men defeat the Fighting Eight, 15-10, 15-0.

Lion Gymnasts Leave for NCAA

All-round standout Armando Vega will head a 10-man Lion gymnastic team that leaves at 5 p.m. today for Chapel Hill, N.C., in its bid for NCAA honors.

The Nittanians finished second in last year's Nationals.

Vega will be out to duplicate his all-round performance at West Point 10 days ago when he placed first in the all-round competition, far ahead of teammate Dion Weissend who finished second.

Grapefruit Roundup

TAMPA, Fla., March 20 (AP)—The Cincinnati Redlegs rapped out 13 hits today taking their second straight exhibition game against the Pittsburgh Pirates, 10-3.

BRADENTON, Fla., March 20 (AP)—The Kansas City Athletics rallied for three runs in the bottom of the ninth inning today to hand the Milwaukee Braves their third exhibition loss in a row, 7-5.

ST. PETERSBURG, Fla., March 20 (AP)—The five-game winning streak of the New York Yankees was stopped today when the St. Louis Cardinals edged them, 3-2, on an unearned run.

ORLANDO, Fla., March 20 (AP)—The Philadelphia Phillies mauled Al Curtis and Pedro Ramos for 11 hits, including a 420-foot homer by Stan Lopata over the centerfield fence, to defeat the Washington Senators, 7-1, today.

PHOENIX, Ariz., March 20 (AP)—Dusty Rhodes smashed two home runs and a double today to help the New York Giants snap a four-game losing streak with a 9-5 victory over the Orioles.

TUSCON, Ariz., March 20 (AP)—The Chicago Cubs beat the Cleveland Indians 14-7 today, scoring 10 runs in the last four innings while Bob Thorpe held the Tribe scoreless. It was the Cubs' second straight exhibition win over the Indians.

Coach Gene Wettstone readily admits that Vega carries the brunt of the Lion hopes. "Vega must win the all-round contest, as well as place high in the parallel bars, if we are going to have any chance for the team title," he said.

The West Coast sensation has his work cut out for him as he must participate in the free exercise, the long horse, the still rings, the side horse, the parallel bars, and the high bar in order to be in line for the all-round title.

Should he place in the Friday night preliminaries, he would have to face the same schedule again Saturday afternoon. He will also vie for the flying rings championship.

Weissend Enters All-round

Weissend will limit his activity to the all-round competition where he is considered, according to Wettstone, as the dark horse on the Lion squad.

Captain Tony Cline will enter the high bar and the flying rings to be the only other Lion to compete in more than one event.

Wettstone said that Cline's chances for qualifying received a big shot in the arm when he added a new routine movement.

Beisterfeldt in Side Horse

Sophomore Jack Beisterfeldt will attempt to hit his season's peak when he bids for a first place in the side horse. Wettstone said that, "He has to hit in his routine if he wishes to qualify."

Tumbler Bill Paxton will be the lone Nittany entry in the tumbling. Parton impressed Wettstone during last week's practice sessions when he added a new routine to his repertoire.

Sophomore rope climber Phil Mullen is expected to face the stiffest opposition.

Mullen's stiffest test is expected to come from Garvin Smith, Los Angeles State, who climbed the

rope in 3.2 during his freshman year when he finished second in the Nationals here.

Rope Climber Dick Rehm, sophomore Bob Foht—who finished third in the parallel bars in the Easterns—and sophomore ringman Ed Sidwell round out the Lion squad.

BELL AIRCRAFT IS WORTH A Second Look!

Yes, and a third look too! If you're interested in a future offering advancement, professional recognition and continuing challenge . . . our representative is the man to see. With world-wide recognition for outstanding advances in aircraft, missiles, electronics and a diversity of other projects . . . you'll find the Bell engineering team offers unlimited opportunity for building a great engineering career.

Your Bachelor Degree can earn career opportunities in these technical areas:—

ELECTRONIC ENGINEERS

ELECTRONICS

- Guidance Systems
- Instrumentation
- Telemetering

SERVOMECHANISMS

- Electronic Design
- Analogue Simulation

TESTING

- Missile Acceptance Testing
- Test Equipment Design
- Flight Test
- Instrumentation
- Installation
- Service & Training

MECHANICAL ENGINEERS

Rocket Development

Research Laboratories

- Servomechanisms Hydraulic and Valve Development

Structural Test

MATHEMATICIANS and PHYSICISTS

Dynamics Analysis

Aerodynamics

Electronic Development

Servomechanisms Development

Rockets Research

To holders of a Master or PhD Degree, Bell offers exceptional opportunities in advanced research on a variety of projects.

Our representative will be on campus:

March 23-24

P. O. BOX 1 BUFFALO 3, N. Y.

Aircraft CORPORATION
