

AIM Will Open Nominations Tonight For New Officers

Nominations will open tonight for next year's officers of the Association of Independent Men.

Independent men may be nominated for any of the four posts at the AIM Board of Governors meeting at 7 tonight in the student government room in the Hetzel Union building.

Election of officers and closing of nominations will be held at 7 p.m. next Wednesday, April 18.

To run for office, a man must have a 2.0 all-University average or higher. At next Wednesday's election he must

UCA to Start Town Query Wednesday

The University Christian Association, in conjunction with Alpha Phi Omega, national service fraternity, the State College Ministerium, and various student religious groups, will begin a survey Wednesday to determine how many borough residents are willing to rent rooms to Negro and foreign students.

The survey will continue through April 30.

Lists of rooms available to students in these categories will be compiled from the survey and placed on file in the dean of men's office, dean of women's office, foreign student's office, UCA office, Cosmopolitan Club, Hillel Foundation and the Newman Club.

Plan Contained in Report

The plan for the survey was contained in a report to the UCA made by delegates who attended the Ecumenical Student Conference in Athens, Ohio, last December.

The purpose of the survey, according to the report, is "to present several areas of concern which demand truly co-operative action between students and townspeople . . . and to acquire information in the spirit of good will."

The report cited two areas of concern with regard to segregation:

1. The difficulty of foreign and Negro students in obtaining town rooms.
2. Insufficient orientation of foreign students in regard to local conditions.

To Answer Questionnaire

Householders contacted during the survey will be asked to fill out a questionnaire stating whether they would be willing to rent rooms to Negroes, foreign students or their weekend guests.

According to UCA officials, the answers given during the survey will not be legally binding.

Collegian Circulation Staff

The Daily Collegian circulation staff junior and intermediate boards will meet at 6:30 tonight in the Collegian office.

Court's Decision Said Setting Trend

By RON LEIK
The U.S. Supreme Court's decision Monday, which revoked a New York City statute as a violation of due process of law, was interpreted locally yesterday as a further step in guarding civil liberties.

Dr. Francis J. Sorauf, instructor of political science, said the high

present a copy of his transcript as proof of his average.

Only fifth or sixth semester men may run for AIM president.

Any member of the AIM Board of Governors may nominate someone for an office. Otherwise, an independent man must present a petition signed by 300 independent men to the board for his nomination at either tonight's meeting or next Wednesday's.

The four offices are president, vice president, secretary, and treasurer. Officers will be elected by preferential ballot in this order, and defeated candidates may drop down a position if they wish.

Those nominating men may give nominating speeches of not more than three minutes. Acceptance speeches will be given at next Wednesday's meeting. The AIM executive committee will present a change tonight in the AIM by-laws lengthening acceptance speeches from three to 10 minutes. If approved tonight and a second time next week, the change will allow 10-minute acceptance-of-nomination speeches before the election begins.

The community living committee will present a report on the feasibility of community or co-educational living on campus. Several administration members, including assistant to the dean of men William B. Crafts and assistant Alumni Secretary Ross B. Lehman will speak on this subject.

Community living entails the rooming of men and women students in separate living units, but allowing them to eat in the same dining hall.

The board will also consider an appropriation of \$300 expenses for the four delegates AIM and Leonides have sent to the National Independent Student Association Conference at the University of Texas.

The board will also consider an appropriation of \$300 expenses for the four delegates AIM and Leonides have sent to the National Independent Student Association Conference at the University of Texas.

Clouds, Possible Rain Predicted for Today

Cloudy with possibilities of rain this morning is the forecast for today, according to students in the department of meteorology. The predicted high for today is 65 degrees.

Yesterday's high was 59 while the low was 30.

2 Measles Cases Listed

The University Infirmary reported that two new cases of German, or three-day, measles were admitted to Grange dormitory yesterday.

Only one other student was still confined after last week's measles outbreak.

Nicholls to Take Over As Panhel President

Barbara Nicholls, a member of Alpha Gamma Delta, will take over as president of Panhellenic Council replacing Joanne Caruso. Grace Antes, Pi Beta Phi, has been chosen vice president by a unanimous vote of the executive council of Panhel.

Newly elected officers are: Roberta Lerch, Chi Omega, recording secretary, Daria Dutko, Phi Mu, corresponding secretary, and Nancy Showalter, Alpha Xi Delta, treasurer.

'Hubzapoppin' To Be Aired By 2 Stations

Radio station WMAJ will broadcast "Hubzapoppin" concurrently with student-operated WDFM Saturday night.

If the show is successful it will be carried by both stations throughout the semester.

The show, which is presented at 7:30 p.m. weekly in the Hetzel Union building, will originate through WDFM's facilities and will be transmitted by telephone wire to WMAJ.

At the same time, the campus station will broadcast the program on frequency modulation.

Sandra Greenspun, WDFM station manager, said for the show to be successful it must have a studio audience. This is necessary for audience response, she said.

There is no admission charge to the show, which is held in the Assembly Room. This week it will present the Air Force Glee Club.

Tuesday night, WDFM began a regular feature, campus news broadcasts in French and Spanish. The French versions will be given on Tuesdays and the Spanish on Thursdays.

The programs are presented by the Romance Language department, under the coordination of Donald Bleznick, assistant professor in the department.

Morse Assumes New Foreign Post

Adrian O. Morse, recently retired provost of the University, was sworn in Monday in Washington, D.C. as cultural affairs officer of India.

Morse, provost since 1951 and assistant to the president for 27 years, will supervise the United States Information Agency book, student and cultural exchange, music and lecture programs.

Following a period of training in Washington, D.C., he will leave for New Delhi, India, in June and is expected to be joined by his wife several months later.

Morse terminated his work at the University last Saturday. His successor as provost is Lawrence Dennis.

Firemen Continue Borough Inspection For Fire Hazards

Volunteer teams from the Alpha Fire Company began inspection of State College rooming houses for possible fire hazards last night, in an attempt to complete a borough-wide check which began two months ago.

Last week firemen completed an inspection of fraternity houses and reported finding no major fire hazards.

The check made last week was the first in approximately a month. Firemen began the inspection with a check of borough businesses.

All theaters and eating establishments were described as being relatively free of fire hazards by Tom Sauer, fire chief.

The inspection originally was to include businesses, fraternities, rooming houses, and private homes. V. W. Fletcher, first aid chief said, however, that private homes will be inspected next fall.

Firemen hope to complete inspection of town rooming houses sometime this week, Fletcher reported.

The officers were elected by the 22 sororities in their separate chapter meetings from six nominees for each of the three positions on the ballot. The results were announced by Joanne Caruso, outgoing president, after an executive session last night.

The offices of president and vice president are based on a rotation system, with a different sorority choosing three girls as candidates for the vice presidency every year. One girl is selected after an interview with members of the executive council. The vice president automatically becomes president. The sororities rotate ceived permission to organize from the Senate Committee on Student Affairs.

There are two members and two pledges of Sigma Kappa now at the University. Miss Caruso said, according to Dean of Women Pearl O. Weston, there is room for two more sororities because the vice presidency on the order of their founding on campus.

Council also passed a motion, 20-1, to accept Sigma Kappa as

Grace Antes Roberta Lerch

the 23rd sorority on campus. Sigma Kappa has already reformed increased enrollment and dormitory facilities.

Once the sorority is organized on campus it will be given a one year probationary period before it will be officially accepted.

A motion was also passed unanimously that the council become a member of the Associated Student Activities Fund. The University run organization will handle the council's money and audit its books annually free of charge.

It is costing Panhel \$50 to have its books audited this year. It hasn't been done in two years.

Mid-East Action Preparations Set

WASHINGTON, April 10 (AP)—Secretary of State John Foster Dulles paved the way today for a possible request that Congress give President Dwight D. Eisenhower blank check authority to use American troops in the Middle East if war dangers become acute there.

The secretary, keeping in close touch with Eisenhower,

met for 1½ hours with 14 key members of Congress at the State Department. Eight were Republicans and six were Democrats.

He reviewed with them the tense Middle East situation made even more serious by new Arab-Israeli bloodshed. It was reported that he skirted—but did not directly raise—the question of asking Congress for a Formosa-type resolution.

Ike to Give Address

The White House announced Eisenhower will make a major foreign policy address on April 21. It will be delivered in Washington before the American Society of Newspaper Editors and presumably will cover the Middle East crisis.

Focal point of Dulles' consultation with the congressional leaders was yesterday's White House statement that any aggressor in the Middle East will have to reckon with U.S. opposition.

The statement drew warm praise today from Britain and France, in strong contrast to the criticisms and goads toward action they have been beaming at Washington lately. But it did not halt bloodshed or bring the Arabs and Israelis into any friendlier attitude.

Bolsters Hammarskjold

Neither side commented immediately on it. It did, however, bolster the hand of U.N. Secretary General Dag Hammarskjold who, together with U.N. Palestine truce chief E. L. M. Burns, launched his month-long on-the-spot survey of the Middle East tinderbox by making initial calls at Tel Aviv and Cairo.
