

Cunningham Is Named Quill Girl at Banquet

By SUE CONKLIN

Carolyn Cunningham, past president of Women's Student Government Association, was presented the 1956 Quill Girl Award at the annual Theta Sigma Phi Matrix Banquet last night.

Judith Sedor, past secretary of Liberal Arts Student Council, was named Cap Girl, and Dorothea Koldys was awarded the title of Matrix Girl.

Judith Crist, general news reporter with the New York Herald Tribune, addressed approximately 200 women at the banquet. She spoke on "Personalities Behind the News."

Mrs. Crist said, "I am always astonished by how really intelligent, how really capable these people are."

In discussing her life as a general reporter, Mrs. Crist said "My life is an unexpected one." She said she liked never knowing what she would be doing the next day.

She compared, as personalities that the reporter meets, a woman from Brooklyn who has lost \$10,000 and is convinced that her husband will kill her, to a well known figure like Grace Kelly. She said she felt that curiosity is behind much of the writing and reading of and about personalities.

Mrs. Crist went on to discuss many well known figures such as Miss Kelly, Marilyn Monroe, Cary Grant, Margaret Truman, and Queen Elizabeth. She said the two personalities who have awed her the most are Frank Lloyd Wright, architect, and Edward Steichen, director of photography for the Museum of Modern Art.

Miss Cunningham was elected Quill Girl by the women students during the recent WSGA elections. Students voted for the Quill Girl from the presidents of WSGA, Women's Recreation Association, Leonides, Panhellenic Council, Mortar Board, and Scrolls.

Interview Schedule Posted For Angel Flight Applicants

The interview schedule for coeds who have applied for Angel Flight membership will be posted on the Armory bulletin board today.

Only freshmen and sophomores who have previously applied will be eligible for interviews to be held Thursday and Friday.

Coeds whose last names begin with A to M will report to the Armory at 6:30 p.m. Thursday. Coeds whose last names begin with M through Z will report at the same time and place on Friday.

A rushing social will be held April 23 in Atherton lounge. The final screening is scheduled for April 26 in the Armory. The names of the new members will be posted on the Armory bulletin board the next day. Present Angel Flight members will escort the new Angels to the installation on April 29.

Coeds will be chosen on the basis of beauty, personality, and interest in Air Force activities.

The Penn State chapter celebrated its first birthday in Jan-

uary. It is the first of its kind in the East and the second to be organized in the United States.

Angel Flight members serve as hostesses at the Arnold Air Society conclave, participate in various Air Force Reserve Officer's Training Corps' drills, sponsor the Blue Yonder Workshop designed to educate future Air Force wives, and participate in all events of the AFROTC.

German Club to See Films

Two films obtained from the German embassy will be shown at the German club meeting at 8 tonight in 102 Willard.

Plans for a picnic will also be discussed.

Debate

Debate Team Wins Novice Tournament

The men's debate team compiled a record of 10 wins and 0 losses to win the Dickinson Novice Debate Tournament this weekend at Dickinson College.

The woman's debate team had 7 wins and 3 losses.

The invitational tournament was open to debaters who had not been entered in a major tournament before this year.

The topic for the debate was, Resolved: "That the non-agricultural industries of the United States should guarantee their workers an annual wage."

The men's affirmative team was composed of Jay Tolson, junior in business administration from Merion, and Jay Feldstein, freshman in arts and letters from Elizabeth.

They defeated Dickinson College, Westminster College, University of Pittsburgh, and Juniata College twice.

Gerald Bogus, freshman in arts and letters from Brownsville, and Robert Neff, sophomore in agricultural education from Pottstown, made up the negative team.

They defeated the University of Pittsburgh, College of Misericordia, California State Teachers College, Temple University, and Juniata College.

The team received a permanent trophy and a roving trophy which

they will keep for one year.

The affirmative woman's team was composed of Janet Klinghoffer, sophomore in education from Passaic, N.J., and Nancy Berneski, freshman in arts and letters from Latrobe.

They defeated LaSalle University, Temple University, California State Teachers College, and were defeated by the University of Pittsburgh and College of Misericordia.

Shelia Stahl, freshman in psychology from Sharon, and Anne Smith, freshman in education from Quakertown, made up the negative team.

They defeated Dickinson College, Juniata College, LaSalle University, and Westminster College. They lost to the University of Pittsburgh.

Joanne Montgomery, senior in arts and letters from State College, accompanied the woman's team and acted as one of the judges.
