that outside groups, other than Cabinet, will contribute funds to the project.
Robert Bahrenburg, All-University president, said that he had not appointed anyone to look into the feasibility of donating the money to the project "because it would be better for the student body to create interest within itself and take it upon itself to look into the matter."
Before turning down the proposal to donate \$2359.70 Cabinet expressed general belief that not enough research had been done.

close his eyes and stand straight. Emerick was found guilty by Justice of the Peace Guy G. Mills of drunken driving and bound over to Centre County court.
At the hearing, Emerick said he had six draft beers late Feb. 13 and was returning to his apartment after taking his roommates to the Town House.
Emerick pleaded guilty before Judge Ivan Walker in Centre County court on April 2. He was fined \$100 plus \$57 costs, spent 10 days in jail, and had his driving license suspended.
At the Tribunal hearing, Emerick denied having driven at a high rate of speed. He also denied that he nearly fell while turning around after walking a straight line, and not being able to stand straight while having his eyes closed.
Emerick is the third student in two days to be suspended by the subcommittee. Grey Olliver, senior in forestry from Concordville, and Robert Wenner, senior in forestry from Allentown, were suspended Wednesday for breaking and entering the team room under the Beaver field stands and stealing fly-tying equipment.
