

Cracking Necessitates Resurfacing Of HUB Ballroom Terrace Surface

By LARRY JACOBSON

Resurfacing of the terrace adjacent to the Hetzel Union Ballroom will be completed in two weeks, a job foreman said yesterday.

The concrete surface on the one and one-quarter-year-old \$3 million building was damaged badly over the winter, the foreman said. He added it isn't known whether the damage was due to weather, poor design or poor materials.

Work began approximately three weeks ago as workmen chipped away the old surface and poured new surfacing. The job is approximately three-fourths finished.

Ed Council May Start Sorority

The Education Student Council last night discussed the possibility of establishing a chapter of Kappa Delta Epsilon, national professional educational sorority for women, on campus.

Decision of the question has been postponed until next year, but it was voted to carry on correspondence with the organization over the summer.

The sorority would be of benefit to undergraduates as tapping would take place at the end of the freshman, sophomore, and junior years. It is a sister organization to Kappa Phi Kappa, men's professional honorary.

Alternates Appointed

Alternates were appointed for next year's junior and senior council members who will be student teaching in the fall. The junior alternates are Gail Rolle, Roseanne Fortunato, Sondra Peters, Lynn Glassburn, and Marlin Troutman.

Senior alternates will be Joyce Kock, Donna Karch, Friederike Witte, and Ann Porter.

Suggestions for next year's council projects were given by the members.

Two Projects Included

Included in the suggestions were a scholarship fund, Beaver Dam project, developing a definite alternate system, and promoting speakers in affiliation with other campus organizations.

It was announced that Katherine Dickson, acting council president, would represent the council at the National Student Association National Congress at Chicago, Ill. from August 21 to 31.

Grad Attendance OK'd by Council

The Council of Administration has ruled that graduate students may at any time during a semester attend classes they have not scheduled as long as permission is secured from the class instructor.

The student may not claim the usual privileges of class membership such as participating in discussions, doing practicum work, submitting written work, and taking examinations, the council ruled.

During summer session, permission of the director of summer sessions must be obtained.

President's Report

Copies of President Milton S. Eisenhower's "Report to the People of the Commonwealth" are available at the department of public information, third floor of Old Main.

Elsewhere on campus, construction has speeded up due to prevailing good weather.

Steel construction on the Hall of Americas classroom building next to the University hospital, delayed by poor weather in recent weeks and late steel shipments, is 98 per cent completed, a job foreman said yesterday. However, he said, the delay will put the scheduled finish of the building back a month or more.

The building was originally scheduled to be completed in November, but the foreman said it won't be finished now until December, barring more delays.

Brick layers should start working within two weeks, he said. At the same time, workmen will start pouring the concrete floors. Preliminary decking prior to the laying of floors is almost complete, he added.

Work on two new wings of the University Hospital has also swung into high gear after being delayed by an electricians strike, and should be finished by July 1, a job foreman said yesterday.

Workmen are plastering the wing on Shortlidge road, and putting the finishing touches on the wing facing the Mall. Plumbing, tile, and fixtures are being installed.

In addition to the hospital construction work, preliminary sub-grading has been finished outside the hospital in preparation for final grading. Walter W. Trainer, supervisor of landscape construction and maintenance, said yesterday.

Trainer said grass will be planted about the middle of August. Soil has also been prepared for shrubbery and trees, he said, and these will probably be planted in early November.

The Helen Eakin Eisenhower Meditation Chapel, nearing completion, is also undergoing preliminary landscape preparation, Trainer said. Although subgrading has been completed, he said final plans for landscaping have not been formulated.

He said his department hopes to plant the area to resemble shrubbery around the Nittany Lion Inn. "We'll plant shrubbery which will give the area an air of serenity and dignity." The landscaping will have a peaceful atmosphere, he added.

With the exception of small hardware work, the new housing

TIM Suggests New Projects For Next Year

Town Independent Men executive board last night heard and approved several plans for next year proposed by TIM President, James Tipton.

Social events will be elaborated upon by TIM next year with the hope of creating more interest in the organization. At the present the plans call for nine social affairs—an average of one a month—but several others are in the talking stage.

TIM will continue to sponsor a push cart race, ping-pong tournament, Mother's Day Ball, and a series of fireside chats. A turkey shoot, mixer, spring dance, picnic, and "gadget" dance are among the events to be initiated in the fall.

It was also decided to give membership cards to all TIM members next year. This practice has been extinct in the past.

To help further the interest in TIM next year, letters explaining the organization, functions, and coming events of the group will be sent to all male students living in the borough who are eligible to join TIM.

The TIM intramural sports program will be revised and stressed next year.

TIM also plans to send get well cards to students in the infirmary.

Another project of the organization is to set up a permanent blue book file—similar to those used by the fraternities.

The possibility of publishing a bi-monthly news sheet was also suggested.

office in Waring Lounge and general repairs to the lounge have been completed. Plastic dados have been put on the walls, painting is finished, and the office is now usable, Charles A. Lamm, supervisor of building maintenance, said yesterday.

The dados were used because the maintenance department felt they stand up to wear better than the normal plaster walls.

Chips Fly

WORKMEN chip cement from the terrace at the HUB before replacing it with a new surface. The new cement floor is expected to be completed in two weeks.

Approved Fraternities

Fifty fraternities have been approved by the dean of men's office to entertain women tonight and tomorrow night. They are Acacia, Alpha Chi Rho, Alpha Chi Sigma, Alpha Epsilon Pi, Alpha Gamma Rho, Alpha Phi Delta, Alpha Rho Chi, Alpha Sigma Phi, Alpha Tau Omega, Alpha Zeta, Beaver House, Beta Sigma Rho, Beta Theta Pi, Chi Phi, Delta Chi, Delta Sigma Lambda, Delta Sigma Phi, Delta Theta Sigma, Delta Upsilon, Kappa Delta Rho, Kappa Sigma, Lambda Chi Alpha.

Omega Psi Phi, Phi Delta Theta, Phi Epsilon Pi, Phi Gamma Delta, Phi Kappa, Phi Kappa Psi, Phi Kappa Sigma, Phi Kappa Tau, Phi Mu Delta, Phi Sigma Delta, Phi Sigma Kappa, Pi Kappa Alpha, Sigma Alpha Epsilon.

Sigma Alpha Mu, Sigma Chi, Sigma Nu, Sigma Phi Alpha, Sigma Phi Epsilon, Sigma Pi, Tau Kappa Epsilon, Tau Phi Delta, Theta Chi, Theta Delta Chi, Theta Kappa Phi, Theta Xi, Triangle, and Zeta Beta Tau.

Part-time Jobs Available At Employment Service

Several part-time jobs are available at the Student Employment Service in 112 Old Main for male students interested in working three or four hours per day during final week.

Jobs such as washing windows, waxing floors, installing screens, and garden and lawn work are offered.

Counselling positions in camps and resorts are still open.

University Senate

The University Senate will meet at 4:10 p.m. Thursday in 121 Sparks. The meeting was previously scheduled for June 7.

Plaut Will Head Debating Society

Jonathan Plaut, junior in industrial engineering from Rockville Centre, N.Y., has been elected president of Delta Sigma Rho, national debate honor society.

Other officers are Edward Kleavans, junior in electrical engineering from Roaring Springs, vice president; and Barbara Kimble, junior in home economics from Havertown, secretary-treasurer. Clayton H. Schug, professor of public speaking, was named faculty adviser.

\$100 Award Established By Lion's Paw Society

The executive committee of the Board of Trustees has approved the establishment of an annual \$100 award by Lion's Paw, senior men's honorary society.

The active chapter of Lion's Paw will contribute the \$100 minimum each year until the principal of the fund is of adequate size.
