

Eisenhower Will Speak; To Present Farm Facts

WASHINGTON, Sept. 24 (AP)—President Dwight D. Eisenhower will fly to Peoria, Ill., tomorrow for a campaign speech which the White House said "will present the facts of the farm situation."

That description came today from press secretary James C. Hagerty, who also said one section of the speech would deal with the problems of the small farmer.

Somoza Worse; Side Paralyzed

PANAMA, Sept. 24 (AP)—Nicaraguan President Anastasio Somoza, 60, took an unexpected turn for the worse today. Surgeons opened a hole in his windpipe to facilitate breathing for the strong man, victim of an assassin's bullets last Friday.

Doctors at American-operated Gorgas Hospital in suburban Ancon said Somoza had developed paralysis of the entire left side of his body. An emergency tracheotomy—opening the windpipe—was performed this morning.

Somoza was on the operating table at Gorgas Hospital 4 hours and 20 minutes yesterday. Doctors operated to remove a bullet which had lodged against his spine, and for wounds on the arm and thigh.

Col. Charles Bruce, health director for the Panama Canal Zone, said removal of the bullet at the spine relieved paralysis to the right leg.

Egypt Appeals to UN

LONDON, Sept. 24 (AP)—Egypt charged today British and French actions in the Suez Canal dispute threaten world peace and asked for urgent UN consideration of them.

Egypt's President Gamal Abdel Nasser made his diplomatic countermove 48 hours before the council meets in New York to hear the request Britain and France made Sunday for UN action on Suez.

Adlai Questions GOP Farm Policy

OKLAHOMA CITY, Sept. 24 (AP)—Adlai Stevenson challenged President Eisenhower today to prove in his speech tomorrow that the Republicans have carried out the promises they made to the farmers in 1952.

The Democratic nominee hurled his challenge unexpectedly in a roadside address at Chandler, Okla.

Stevenson repeated the challenge in the Oklahoma City address, which was billed as one of his major campaign speeches.

Noting Eisenhower has promised to detail his farm views in tomorrow night's address from Peoria, Ill., Stevenson said he thinks Eisenhower "owes it to all Americans to say in good faith" what the Republicans have done.
