Here's How to Play TANGLE SCHOOLS

OLD GOLD'S GREAT NEW GAME

A total of 24 puzzles will appear before the Christmas holiday. Get started now in Old Gold's exciting new game for college students only.

Here are the Official Tangle Schools Rules! SAVE THEM!

1. PRIZES (a) P. Lorillard Company, the makers of OLD GOLD CIGARETTES, will award a total of 86 prizes, valued at more than \$15,000—to college students in the United States in accordance with the following Official Rules. (See complete list of prizes.) (b) This game will consist of twenty-four (24) monogrammed puzzle drawings to be published in this and other college newspapers; three puzzles each week for eight weeks, and a series of tie-breaking puzzles, if needed, as outlined in rule 2. (c) Contestants must arrange the scrambled letters from each of the 24 monogrammed drawings so that they correctly spell the name of a certain American college or university. In the scrambled drawings there are no superfluous letters, no distortion of letters, and no letters are left out to confuse or mislead entrants. A clue will be furnished with each drawing to help identify the correct answer to the puzzle.

2. (a) The person complying with all the rules of the game and solving the highest number of puzzles correctly will be declared the winner of the first prize, a 40-day tour of the world for two persons—the winner and another person of his choosing or, at the option of the winner, the first prize shall consist of \$5,000 to be paid to the winner. The person complying with all the rules of the game and solving the second highest number of puzzles correctly will be declared the winner of the second prize. In like manner, the winners of the remaining 84 prizes will be determined. (b) In case more than one person solves correctly the same number of puzzles, the prize tied for, and as many subsequent prizes as there are persons tied, will be reserved and those so tying will be required to solve a set of tie-breaking puzzles, to determine the order in which the reserved prizes will be awarded. Each of the tie-breaking puzzles will be comprised of scrambled letters forming the names of either one, two or three American colleges or universities. Clues with each puzzle drawing will indicate whether the puzzle contains one, two or three schools to be identified. If, after solutions have been submitted to this second set of puzzles, a tie or ties still remain, those tied will be required to solve another tie-breaking puzzle. Accompanying this tie-breaker will be an official list of American colleges and universities. From these, contestants will make up a list of schools and colleges in accordance with instructions to be given at that time. The contestant earning the highest score in so doing will be awarded the highest of the prizes tied for. The next highest prize will be awarded the contestant earning the second highest score and so on down through the reserved prizes that have been tied for. These tie-breaking puzzles, if necessary, will be mailed to each contestant.

P. Lorillard Company reserves the right (only in the event of further tie or ties) to require contestants to solve as many tie-breaking puzzles under supervision, and without assistance, as are necessary to determine a single winner for each prize.

3. NOTE (a) When entrants have completed solutions to the complete set of 24 initial puzzles, which are to be published three per week in this paper, the solutions are to be printed or typewritten by the entrant in the answer space provided on the puzzle (or a reasonable facsimile). The complete set of 24 puzzles must be answered, neatly trimmed and enclosed in an envelope, flat and not rolled and addressed to:—Tangle Schools, P. O. Box 26A, Mount Vernon 10, N. Y., and mailed bearing a postmark not later than December 19, 1956. Decorated, pasted or embellished puzzles are not permitted. Each set of 24 puzzles must be accompanied by a wrapper from any type OLD GOLD CIGARETTE package—(REGULAR, KING-SIZE OR FILTER KINGS) or a reasonable facsimile thereof. (b) More detailed instructions on the mailing of completed sets of puzzles will be published later. No solutions are to be sent in separately. Save the puzzle and your solutions so that they may be submitted as a complete set at the end of the game. Entrants are not limited as to the number of complete sets of Solutions. However, each set must be submitted individually, and only one prize will be awarded to any one entrant. (c) After the deadline for mailing solutions, the correct answers to all 24 puzzles will be published in a single issue of this paper. Each contestant must keep an accurate record of all solutions and check his answers with the published correct answers.

4. WHO MAY ENTER: (a) This game is open to all bona fide college students in the United States; that is, persons who, at the time of entering, are duly registered in an accredited college or university within the continental boundaries of the United States, except that the game is not open to students whose immediate families are employed by P. Lorillard Company or its advertising agencies. Contest is subject to all State and Federal regulations. (b) Contestants may, if they prefer, make copies of the puzzles by hand. Copies of the puzzles and of OLD GOLD package wrappers reproduced by a multiple process such as carbon paper or mimeograph are not acceptable. Entrants who want back puzzles and copy of Official Rules may obtain them by addressing their request to Tangle Schools Back Puzzles, P. O. Box 9, Grand Central Annex, New York 17, N. Y., enclosing \$4 in payment for each puzzle desired and/or rules, together with a STAMPED

SELF-ADDRESSED envelope. (c) Prior to receiving a prize each winner may be required to sign an affidavit certifying that he or she is eligible to compete in accordance with rule 4-a; that he or she has not bought, sold or exchanged the puzzle solutions and is not acting for, either by proxy or in collaboration with, any person who is not qualified to participate under the rules.

5. METHOD OF JUDGING: Decision of the judges is final and contestants so agree upon entering the game. Solutions to the puzzles will be judged on correctness, including the spelling of the names. All entries become the property of P. Lorillard Company. None will be returned. P. Lorillard Company cannot be responsible for any solutions unduly delayed or lost in the mail; this also applies to mail from the P. Lorillard Company to any contestant. On entering the game, each contestant accepts the foregoing rules as binding. P. Lorillard Company reserves the right to disqualify any entrants not conforming. Evidence indicating collusion by or illegibility of contestants will automatically disqualify such contestants. P. Lorillard Company reserves the right to correct any typographical errors or other errors which may appear in any published matter in connection with this game. P. Lorillard Co., insofar as publication of puzzles is concerned, is responsible only for submitting material for publication to newspapers involved.
