

Revenge - Minded Rams Host Nittany Soccermen

Révenge will be the motive of the West Chester State Teachers College soccer team tomorrow afternoon when the Nittany Lion booters visit the Eastern Pennsylvania school in its second start of the 1956 campaign.

The Rams had an undefeated season ruined by the Lions last year and it is almost certain that the West Chester eleven will be out to make up for that setback.

Coach Ken Hosterman's booters are currently riding on a 19 game winning streak—the longest in Penn State soccer history. In addition, the Lion soccermen are the defending national champions of intercollegiate soccer. A win by the Rams would be sweet revenge for last year's defeat.

West Chester coach Earle Waters lost only four men from his 1955 team, including All-American Serigo Rey. Rey was a first team All-American choice last year at the center halfback position.

Jim Oliver and Larry Halye—the lone scorers for the Rams in last year's contest—are also missing.

Wilson, Remley Return
Co-captains Ray Wilson and Bill Remley head the list of returnees. Wilson was a second team right halfback selection on the 1955 All-America team. Remley led the West Chester scorers last year with 15 goals.

Wilson is again ticketed for the left half spot while Remley will return to the outside left post on the front line.

The rest of the West Chester lineup will look like this—Bob Rosnowski, goalie; Norm Frank, left fullback; Mark Kingsmore, center halfback; Dan Schaefer, right fullback; Mike Horner, right halfback; Dan Furman, outside right; Tom Fleck, inside right; Andy Kelly, center forward; and John Rocco, inside left.

4 Newcomers
Only Kingsmore, Schaefer, Kelly, and Rocco are newcomers to the Tutors' starting lineup.

Tomorrow's game will mark the opening of the season for the Rams. However, last week they shut out Swarthmore, 6-0, in a pre-season scrimmage game.

Because of the intense rivalry that exists, it is hard to believe

that the Penn State-West Chester soccer series has been alive for only three games.

Won First, Lost Second
The Lions won the first game of the series in 1949, 6-0. West Chester avenged that defeat in 1950 by handing the Nittanias a 1-0 loss. That defeat wrecked an unbeaten season for the Lion booters that year but it did not prevent them from playing in the soccer bowl against Purdue University.

West Chester was missing from the Lion schedule in 1951 and they did not return until last year. They almost upset the Lions in that game, holding a 2-1 lead at halftime. But the Nittanias rallied with two goals in the latter half to score a 3-2 win. All-American Dick Packer scored two of those Lion goals in the 1955 game but he has since graduated.

BULLETIN

WASHINGTON, Oct. 4 (AP)—The Washington Post and Times Herald said tonight that Calvin Griffith, president of the Washington baseball club, has disclosed he has under consideration a plan to move the club franchise to California, possibly Los Angeles.

well. However, he added that it has not had too much of a chance to progress since the team has not been under the clock too often.

According to Werner, Woodrow and Thompson are the main figures in his "balance" plan. He knows that Moran, Kerr, and Schoenebeck have the ability to run as he wants them to, but Woodrow and Thompson must come through if he is to have the even strength that he desires.

Alan Jones, Chuck King, Jay Kirby, and Bob Kopf could also figure into Werner's plans. Kopf and Jones are juniors who had some varsity experience last season, while Kirby and King were members of last season's outstanding freshman contingent.

The Lions' first meet against the Big Red gives all the indications of being a tough one. Cornell shutout Colgate in its opener last week with times averaging somewhere around 28 minutes. However, last year's harrier captain, Doug Moorhead, ran the same five-mile course in approximately 27 minutes.

Rested Newk To Face Yanks

BROOKLYN, Oct. 4 (AP)—Big Don Newcombe, Brooklyn's 27-game winner, faces the New York Yankees' Don Larsen tomorrow in the rain-delayed second game of the World Series with an extra 24-hour rest after the gruelling National League pennant race.

Commissioner Ford Frick wisely ordered yesterday's postponement two hours before game time with heavy showers beating down on Ebbets Field and a "very bad" weather forecast for the rest of the day.

At game time the rain was pouring down on the infield covering.

According to the weather man, the rain was to stop in early morning. The forecast for tomorrow was clear and cool with the temperature in the 60s.
