plan, and another council tabled students.

The discussion until later, at meetings Tuesday night.

The Liberal Arts Student Council and the Education Student Council gave their support to the plan, the latter suggesting that the plan be on annual University project.

Postpone Decision

The Chemistry and Physics Student Council was forced to postpone its decision because of a tie vote.

Association is investigating a plan to install television sets in coed dormitories.

Each representative has been asked to obtain from her dormitory unit an approximation of coeds interested in such a plan who would be willing to cover the cost of the set by individual contributions of \$1 to \$2.
