

Lion Booters Top Colgate, 5-2

Torgeson Hits for 3 More Goals

A stubborn Colgate outfit managed to blast two goals into the Nittany Lion nets and ruin the State bid for a possible unscored upon season yesterday, but the Nittany Lions had too much of everything and kept their 22-game unbeaten streak alive, 5-2. Colgate has never won in the 15-game series.

The game started off along the usual routine with Tommy Nut driving up the middle and eluding two blockers to score the first goal for Penn State at 7:35.

Then the Lions erred and offered a free kick to the Red Raiders as the result of a penalty. Ed Groves, speedy forward, booted the ball into the right pocket of the State net and hopes for a perfect season went out the window with the point.

The enraged Lions came back strong with Per Torgeson leading the way. Torgeson, a brilliant sophomore prospect for All-America honors, took a pass from Dutch Waltz and slipped a goal past Karl Greenleese, Red Raider goalie.

Torgeson Repeats

Torgeson came back again at 12:59 of the second canto to maneuver the Colgate goalie out of position and fill the nets with score 3.

Both teams played inspired ball after the lockerroom session. State had to overcome the stingy Red Raider defense to get a kick through at 12:59 of the third stanza. Once again, Mr. Torgeson, 24-year-old student from Norway, slammed the sphere past goalie Greenleese. Torgeson did this one all by himself, faking beautifully at midfield and dashing past three defenders before putting his toe behind the score.

Jim Hedberg ended the State scoring with a tally at 16:16 of the final frame. Hedberg scored on a side shot from 8 yards out after taking a pass from Mike Stollmeyer.

Late Tally

The Red Raiders tried to fight back, but it was too late. Jack Nordeman managed to penetrate the State defenses, on a 12-yard smash with just two minutes remaining.

Statistically, the Lions outshot the losers by 42-26, which in itself, describes the game almost as well as the score.

Although Penn State didn't beat the Red Raiders by a score relatively like last Saturday's 10-0 romp over Syracuse, Coach Ken Hosterman still had a chance to get most of his players into the contest.

Despite the two goals scored against him, State goalie John Lawrence once again played his usual outstanding game, saving numerous shots from sinking in. Greenleese, the Colgate goaltender also did a mentionable job, especially in the first half when he averted a Nittany run-away.

3 Students Hurt In Auto Antics

Three students suffered minor injuries while in, on, or under automobiles in last night's football victory celebration on campus.

Dianne White, junior in liberal arts from Pittsburgh, was held for observation at the University hospital after she reportedly fell off the front of an automobile which stopped suddenly.

Hospital authorities said she suffered brush burns.

Elaine Shaffer, senior in education from Hamburg, who also fell from the front of the car, was treated for knee injuries and released.

Frank McLaughlin, freshman in business administration, was treated for cuts of the palm of his right hand and was released.

He reportedly cut his hand while holding on to an automobile bumper.

IT'S A FREE BALL, and two Penn State soccer players are fighting for it with a Colgate booter. The Lions won their third game of the season, defeating the visitors, 5-2. The win puts the Lion record at 3-0-1. The one tie came at the hands of West Chester.

PER TORGESON, Lion sophomore booter, is shown fighting for a free ball during yesterday's Colgate-Penn State soccer game. Torgeson scored three goals to lead the winning Lion offense. Colgate broke the Lion unscored upon record by cashing in on two goals.

Lacrosse Club Adopts New Constitution Plan

At the organizational meeting of the new Penn State Lacrosse Club Thursday night, a constitution admitting alumni, townspeople, and University students to membership was adopted.

James Houck, senior lacrosse letterman and club president, said that the group would be "more of a fraternal organization to develop interest in the game and develop spirit among the student members and the athletes."

An athletic committee headed by Mike Beattie will plan an intra-squad game for the public in the near future.

The purpose of the club will be threefold: first, to promote interest in the game of lacrosse and its facets; second, to provide to

the best of its ability, facilities that will enable the members of the club to enjoy lacrosse; and third, to instill a competitive spirit among the athletes and students.

It was erroneously reported in The Daily Collegian Thursday that the club would offer financial assistance to lacrossemen to aid scholarship. The group will not aid the players financially but will attempt to promote higher scholastic marks.

Also discussed as a future activity of the organization was the possibility of obtaining facilities in Recreation Hall for indoor "box-lacrosse." These facilities, if obtained, would be available to all members of the club exclusively.

Issues to be discussed at the next meeting, will include: formation of an alumni newsletter, lacrosse guide and induction of honorary members.

May Will Speak At Chapel Today

Dr. Rollo May, who will speak on "The Constructive Use of Anxiety" at this morning's chapel service at 10:55 in Schwab Auditorium, is a New York City consulting psychologist.

Dr. May, who is a past-presi-

dent of the New York State Psychological Association, and the author of several books, is a member of the faculty of the William Alanson White Institute of Psychiatry, Psychology, and Psychoanalysis.
