1000 Enthusiastic Students Attend West Virginia Rally

By RANDY MURRAY

Kappa Alpha Theta sorority and Sigma Phi Epsilon fraternity copped gold cup honors in the banner display contest amid an enthusiastic throng of 1000 students at the Penn State-West Virginia pep rally last night.

Marching to the morbid sound of a dishpan, an initial group of Thetas, representing a medical corps, became the center of attention in front of

Profs Object; Bands Banned From Campus

Anybody notice the absence of the Army, Navy, and Air Force Reserve Officers Training Corps bands from the campus yesterday?

For the information of students who weren't on campus yesterday, the bands weren't either.

Recently, faculty members in Sparks, Mineral Industries, Main Engineering, and Willard have sent requests to the University administration asking that the bands practice in some area other than main campus. The music, the members said, disturbs their classes.

Because of these requests, the three ROTC heads—Col. Arthur W. Kogstad, Army; Capt. Victor B. McCrea, Navy; and Col. Daniel F. Riva, Air Force—met last week and decided to prohibit the bands from playing yesterday.

The ban was in affect yesterday only.

The trio decided to hold further meetings in an attempt to cope with the problem.

Concession Jobs Open for Game

Several openings will be available Saturday in the concession booths and also selling throughout the stands at Beaver Field for the Penn State-West Virginia game.

Students may inquire at the Student Employment Office, 112 Old Main.

Students from the Altoona area who are interested in Christmas work in retail stores in Altoona may see Kermit Martz at the Pennsylvania State Employment Service, 1707-11 Union avenue, Altoona. The office hours in Altoona are 8:30 a.m. to 5 p.m. Monday through Friday.

Graduate Record Exams Scheduled for Nov. 17

The next Graduate Record Examinations will be held Nov. 17. Bulletins of informations and application blanks are available in 117 Buckhout.

Applications must be received at the Educational Testing Service, 20 Nasau Street, Princeton, N.J., before Nov. 2.

FOR A BETTER PENN STATE

VOL. 57, No. 33 STATE COLLEGE, PA., FRIDAY MORNING, OCTOBER 26, 1956 FIVE CENTS

Auto Crash May Lead To Charges

Campus Patrol is charging Lawrence Post, senior in horticulture, with misrepresentation of auto ownership and not properly registering his car.

This was disclosed after patrolmen investigated a broad-side auto collision at the intersection of Shortlidge and Curtin roads at 8 a.m. yesterday which caused an estimated \$900 worth of damages.

Driving North When Hit
Clarence Weaver, Lemont, was driving north on Shortlidge road when his car was struck by the auto driven by Post.

Post told Campus Patrol he stopped at the Curtin road stop-sign and pulled out not seeing the on-coming car.

The entire front end of the Post car was crumpled at an estimated \$500. Damages to Weaver's car, left side and front panel, were estimated at \$400.

Patrolmen who were called to the scene of the accident said the windows of Post's car were covered with frost and vision was not clear.

No Injuries

No one received any apparent injuries. However, Post reported to the Infirmary for x-rays.

Officials investigating the accident discovered that the Post car was registered under the name of Olga Kosarowich, senior in business administration.

Patrolmen believe that since Post lives in an area too close on-campus to allow a parking permit, he registered the car with an eighth semester woman student who are permitted campus parking permits.

Fair Weather Will Continue

The pleasant weather of the past few days is expected to continue, at least for today.

The weatherman calls for fair skies and warm temperatures.

The high today should be between 70 and 75 degrees, with clear skies throughout the day. The mercury is expected to drop to between 50 and 55 degrees tonight.

The fair weather should be replaced by increasing cloudiness tonight. There is also a possibility of scattered showers tonight, according to the University weather station.

A cold front is expected to move into the Centre County area tomorrow afternoon, bringing with it cold and windy weather.

Cabinet Told Plan For Longer Yule

All-University Cabinet was told last night there is a possibility this year's Christmas vacation may be extended one day, from Jan. 2 to Jan. 3.

Cabinet also declined to give a scholarship to a foreign student leader and passed on second reading the amendment which would abolish the Supreme Court, 14-9. One member

was absent from the voting. At the Oct. 18 Cabinet meeting, a motion was made to extend the Christmas vacation three days. Now scheduled for Dec. 23 to Jan. 2, the motion asked to set the dates from Dec. 20 to Jan. 3.

Lack of shopping time, too much student travel during New Year's Eve, and lack of time to get vacation jobs were given as reasons for extending the vacation.

The proposal was given to Cabinet's executive committee who in turn referred it to the Senate Committee on Student Affairs. The committee discussed the idea at its meeting yesterday and asked Cabinet to take it to the Calendar Committee.

Cabinet members were told the Calendar Committee would refer it to the Senate meeting Nov. 1.

One Vote Gained

On the Supreme Court, Cabinet members saw proponents of the amendment to abolish the court gained one vote more than last week when the amendment was passed 13-11.

Barbara Nicholls, Panhellenic Council president, switched her vote. Two more changes are needed before the amendment can be passed next week. A two-thirds majority is needed to pass a constitutional amendment.

If, at the showdown meeting, the amendment is passed, it will be added as a revision to the constitution. Should Cabinet defeat the proposal, a substitute motion, favoring an altered Supreme Court will be placed on the floor.

Vote Lacking

A vote on the foreign student leader scholarship never reached the floor. Proposed two weeks ago by Barbara Hendel in conjunction with a National Student Association program, the idea was turned down by Cabinet when no member would move that Cabinet award such a scholarship.

The purpose of the program, Miss Hendel said, is to exchange ideas with a foreign student leader by working with him in activities and University government.

Party Slates To Be Chosen By Cliques

The University's two campus political parties, Campus and Lion, will elect their candidates for freshman and sophomore class officers Sunday night at the last of three general meetings for each party.

Both parties will meet at 7 p.m., Campus party in 121 Sparks, and Lion party in 10 Sparks.

Students Nominated

To be eligible to vote for the respective party nominee, party members must have attended one of the two previous meetings their party has held.

The names of seven students were placed in preliminary nomination for the Campus party two weeks ago. Nominated for freshman class presidential candidate were Jerome McGinnis, Mack Johnson, Richard Bullock, Tillman Segal, and Richard Herpel. Sophomore candidacy drew the names of Frederick Taylor and James Meister.

Elections To Be Nov. 14, 15

Elections for the freshman and sophomore class officers will be held Nov. 14 and 15 in the card room of the Hetzel Union Building. Freshmen and sophomore may vote by ballot at that time for their respective officers.

Final approval of the Campus and Lion parties' platforms will be given by the All-University Elections Committee prior to clique meetings Sunday.

Deadline Set For Draft Test

Students planning to take the Nov. 15 Selective Service College Qualification Test must have their applications postmarked no later than midnight Tuesday.

The necessary forms may be obtained in the dean of men's office.

Students whose academic year ends in January rather than June have been advised particularly to apply for the Nov. 15 testing.

The test scores themselves will not determine eligibility for deferment, but will be used in considering eligibility of registrants for occupational deferment as students.

PhysEd Council Vetoes Rink Instructors Plan

The College of Physical Education and Athletics Student Council has temporarily discarded a plan to provide student instructors for the University Skating Rink.

Ann Farrell, council president, said the council plans to see how many students will use the rink and how great the advantages of student instructors would be.

UBA Deadline Today

Today is the last day students may claim unsold books or money at the Used Book Agency.

Students may receive their money or books from 3 to 5 p.m. at the Book Exchange, basement of the Hetzel Union Building.

World at a Glance

H-Bomb Testing Not Issue--Ike

NEW YORK, Oct. 25 (AP)—President Dwight D. Eisenhower said tonight "the compelling challenge before the world is not the matter of testing" H-bombs and other atomic weapons, "but of making impossible their use in any atomic war."

Hitting again at the call of Adlai E. Stevenson, the Democratic presidential nominee, for the United States to take the lead in seeking world agreement to ban hydrogen bomb testing, the President said he wanted to:

"Reiterate—as we constantly do—America's instant readiness to lay aside all nuclear weapons—including this testing—when, but only when, we have sure safeguards that others will do the same."

Budapest Uprising Rages Unchecked

VIENNA, Friday, Oct. 26 (AP)—Fighting raged through a third night in flaming Budapest between Soviet troops and Hungarian anti-Communists backed by some Hungarian soldiers and tanks.

Eyewitnesses estimated several thousand Hungarian rebels against Soviet domination were killed in three days of violent street fighting in Budapest and other big cities and in the provinces.

All Budapest hospitals were crowded with wounded. The government strove desperately to end the rebellion.

Anti-Submarine Weapon

WASHINGTON, Oct. 25 (AP)—The Navy disclosed today that it has developed—and has available for use—a powerful new atomic anti-submarine weapon, the Lulu.

Adlai Criticizes Farm Program

SPRINGFIELD, Ill., Oct. 25 (AP)—Adlai E. Stevenson contended tonight that President Dwight D. Eisenhower has broken the promises he made to the farmer to win their vote in 1952.

Stevenson said that Eisenhower had told the farmers they would have their prices supported at 90 per cent of parity.

"Did President Eisenhower keep those promises?" Stevenson asked.

"He did not!"

And at one point he said: "Mr. Eisenhower is, I am sure, a well-meaning man. But indifference and ignorance can be as damaging as ill will."

While he was at it, Stevenson didn't spare any of the Republicans' big horses.
