

4 IM Squads Enter Semifinals

By MATT PODBESEK

Tension and pressure that comes in playing in the quarter-final round of any tournament prevailed on the Intramural gridiron last night as three fraternities and one independent entered the IM semifinals.

In the most surprising elimination of the evening, a Johnny Pepe-dominated Delta Upsilon nine bit the upset dust of a scrappy Sigma Phi Epsilon team via a 2-1 disadvantage in first downs.

The independent Raiders were defeated 14-0 by Hamilton A; Phi Epsilon Pi lost 2-1 on first downs to Theta Xi; Phi Gamma Delta shut out Kappa Delta Rho for the second time in two nights because of a legal protest by KDR over a winning Phi Gam field goal Monday night. Phi Gam enters the quarter final round.

Phi Kappa Sigma continued its defense of its IM football crown by smashing Sigma Alpha Epsilon, 20-0.

With Ogie Norris' deep booming punts, the DU's played the SPE's to a first half standstill as both tallied one first down. With 4:40 remaining in the game, Don Capuano heaved a game-breaking pass to Bob Berberich for the deciding first down.

Phi Gam came through with a sensational touchdown pass in the last 40 seconds of play. Terry Hutton threw a short aerial to Bill Detterer on the KDR 30, and

Detterer knocked it into the waiting arms of teammate Doug Henderson on the 25 who scored unmolested. Hutton kicked the extra point. Phi Gam plays Phi Delta Theta tonight in a quarterfinal tilt.

In the indie affair, it was all Hamilton A. The "A's" first six-pointer went from Phil Dewitt to Fred Smyser to Larry Freedman for 35 yards in the first half. The second score came on a Dewitt to Mike Sledger to Bob McDonald 29-yard pass in the final period.

Theta Xi and Phi Ep played to a 6-6 stalemate in scoring but Phi Ep copped the win on a lone first down. Theta Xi opened the scoring with a long pass from Jim Maclan to Dick Mirth, good for 49 yards.

With 10 seconds left in the first half, Howie Felt flipped to Arne Rosenthal who reversed his field and, with the official clock showing the half over, hit Al Robbins in the end zone with the Phi Ep equalizer.

Lacrosse Exhibition Planned Saturday

The newly-formed, student-athlete, Penn State Lacrosse Club will sponsor an intra-squad lacrosse exhibition at 1:30 p.m. Saturday on New Beaver practice field.

Leaflets explaining the procedure of lacrosse and a public address system will aid the interested spectators in enjoying the contest.

Later during the week, game chairman Mike Beattie will announce the participants on the two squads which will include both varsity and freshmen personnel.

Vicious Vince Verifies Victory, Increases Lead in Grid Poll

The result of the Florida-Louisiana State game was a complete mystery! If Florida won, Vicious Vince Carocci would increase his lead in the Daily Collegian grid poll. If they lost, he'd be just one of the bunch.

We were finally informed that Florida was the winner. (Who told us? Vicious Vince, who else?) So now, with a 10-5 week, Vicious soars to 59-31. (.656), two ahead of Lucky Lou Prato at 57-33 (.633).

Fearless Fran Fanucci fell with teams like Notre Dame, North Carolina, and Houston, for an 8-7 mark and an over-all 56-34 (.622) and third place.

J. T. White, Lion coach, had a 9-6 mark. The coaches still are last, standing one behind Fearless Fran at 55-45 (.611).

Vicious Vince, despite his Notre Dame choice, pulled a fine mark with predictions of Miami over Texas Christian and Florida over LSU, already discussed.

BOEING AIRPLANE COMPANY

WILL CONDUCT PERSONAL INTERVIEWS ON CAMPUS

Friday, November 2

Boeing has many positions open for graduating and graduate students. These opportunities are in all branches of Engineering (AE, CE, EE, ME and related fields). Also needed are Physicists and Mathematicians with advanced degrees.

Fields of activity include Design, Research and Production. Your choice of location: Seattle, Washington or Wichita, Kansas.

Personal interviews will cover the details of openings, the nature of assignments, Company projects currently in work, and miscellaneous information about the Company.

Come and learn about the excellent opportunities with an outstanding Engineering organization—designers and builders of the B-47 and B-52 Multi-Jet Bombers; America's first Jet Transport, the 707; and the Bomarc IM-99 Pilotless Aircraft.
