

# Harriers Down Panthers, 21-34

## Woodrow Cops 1st Place In 4th Nittany Victory

By VINCE CAROCCI

Led by Captain Don Woodrow's second consecutive sparkling performance, the Lion cross-country team won its fourth meet of the season by defeating Pittsburgh, 21-34, on the Panther course.

The Lion freshman club completed the Penn State sweep by beating the Pitt yearlings, 25-32, for its first win of the season.

Woodrow came up with the best showing of his varsity career when he won his first collegiate cross-country race in 26:55. Ironically enough, the meet was the last dual encounter that the senior leader will enter.

After trailing Pitt's Thornton Smith for the first two miles, Woodrow and Fred Kerr put the pressure on to pass the Panther and hold the lead the rest of the race. With only a half-mile left, Woodrow moved out in front to win. Kerr finishing second in 26:56.

Pitt's John Christoff came in third in 27:18, followed by Smith in 27:26 and Ed Moran in 27:28. Clem Schoenebeck and Bob Thompson added the meet clinching points by tying for sixth in 27:58.

Wendall Harford and Dale Fausner, both of Pitt, finished eighth and ninth in 28:23 and 29:06. Charlie James, Pitt, was 10th in 29:14. Ron Lewis and Jay Kirby were the last Lions to finish, Lewis 11th and Kirby 12th.

The big story, as far as Coach Chick Werner and his assistant Norm Gordon were concerned, was Woodrow's performance. He was forced to remain in the background most of the season due to the showings of sophomores Moran, Kerr, and Schoenebeck. Last week, however, he gave indication that he may have found himself when he finished in a four-way tie with the three en route to a victory over Manhattan.

Although the Panthers' top runner, sophomore Vince Timon, did not enter the race, Werner felt that he could not have beaten Woodrow yesterday. Timon had suffered an attack of croup poisoning last week, causing him to miss the meet.

Looking at the win from a team standpoint, Werner feels that the victory was a big boost for the club's morale since the Panthers had carried a 4-0 record into the meet. It will definitely raise the Lions in the IC4-A pre-meet ratings. The "IC's" will be run on Nov. 19.

## Air Game Predicted

(Continued from page one) through the air—in the country since the Lions have allowed only 49 points and have intercepted 16 passes while the opposition has completed only 18. The Lions are ranked fifth in the nation in pass defense.

The Terriers are injury-laden with 18 players, ranging from fourth stringers to varsity performers, out for today's game. Buff Donelli's two front-running fullbacks—Frank Chiera

and Norm Charwick—are both in the hospital and haven't made the trip. Charley Anderson is the logical starter, now, at the fullback spot.

Engle will probably use his famed "two platoon" system to great advantage today. Wary of starting it at the beginning of the season, Engle has found that it is his most important weapon, since the second team has played exceptional ball, sometimes surpassing that of the varsity squad.

## FREUD FRAUD?

Jim was so conceited that he had cold lips from kissing mirrors. Until one day he asked himself, "Am I truly superior? Do not girls turn me down daily? Twice on holidays? Am I not, in actuality, profoundly inferior?"

So he decided to consult the famous psychiatrist, Dr. Hy Pertensive. "My boy," said Pertensive, "your Rorschach test shows you are going batty from collar wrinkosis. It is incurable. In fact, you are incurable. Nothing I can do for you. \$10, please."

Then Jim read an ad for a Van Heusen Century Shirt. He read how its soft collar won't wrinkle ever... how you can

maltreat it like a maniac and it still won't wrinkle... how without a bit of starch it's impossible to wrinkle it. "Gee whiz, I am saved," said Jim, and he ran to his haberdasher to buy one. "\$3.95 please," said the clerk.

Today Jim is as popular as money. And he still has his Van Heusen Century shirt because it lasts twice as long as ordinary shirts.
