

# U.S. Dominates Decathlon Action

MELBOURNE, Friday, Nov. 30 (AP)—Two young giants, Milt Campbell and Rafer Johnson, climaxed the two-man race for the decathlon Gold Medal today as the U.S. track and field team entered the final phase of its assignment to build enough points to carry the Yank to another over-all Olympic title in the unofficial point count.

The track and field athletes, America's workhorse crew when it comes to winning medals and points, thus far have collected 12 of the 19 Gold Medals won by the U. S. in the 1956 games. And the track and field competition comes to an end tomorrow.

After that, America will have to concentrate on the swims as its main source of points while Russia goes to work in gymnastics.

Going into today's events—with the first swimming finals scheduled in the men's 100-meter freestyle and women's 200-meter breaststroke—the U.S. holds a 318 to 219½ edge over Russia in points.

The only track and field finals today are in the decathlon and women's shot put and 200-meter sprint, and the U.S. is without a qualifier in the sprint.

Campbell, the 1952 runnerup, and Johnson, the world record holder, were in a class all by themselves through the first half of the decathlon yesterday with Campbell winning three events and placing second in the

other two for a 4,564-point total. Johnson, a UCLA student, was second with 4,375.

Going into the final five events—110-meter hurdles, discus, pole vault, javelin and 1,500-meter run—Campbell, from Plainfield, N.J., was running ahead of Johnson's pace when he set the record of 7,985 points.

The complete domination by the American pair in the decathlon and a 400-meter run victory by Charley Jenkins of Villanova were highlights of yesterday's competition in cold, blustery weather. But the big talk was reserved for the 3,000-meter steeplechase—which provided the first rhubarb of the games.

Britain's Chris Brasher—the "rabbit" who paced Roger Bannister to his historic break through the 4-minute mile barrier—first was adjudged the winner in record time, then was disqualified for "interference."

The Olympic jury of honor finally settled the case and awarded the decision to Brasher, who finished 15 feet ahead of the pack.

# Moore Choice Over Patterson In Title Bout

CHICAGO, Nov. 29 (AP)—The old man fights the former Olympic champion for the world's heavyweight title tomorrow night with Archie Moore, 39, "going on 43," pitting his experience against 21-year-old Floyd Patterson for the crown vacated by Rocky Marciano in April.

Moore, who had his first pro fight in 1936 when Patterson was only a babe in arms, hopes to make the grade on the second try in this 15-round match. He was knocked out in nine rounds last September in Marciano's last fight. The odds on Moore have been flickering from 8 to 5 to 6 to 5.

A heavyweight title fight indoors at Chicago Stadium is a novelty in an age accustomed to summer baseball park presentations for this sort of a scrap. However, television explains that. The radio-TV sponsor has tossed in \$200,000 for the rights to aim his microphones and cameras (NBC) at the ring at 10 p.m. (EST) with Chicago and a 150-mile surrounding area blacked out on TV.

International Boxing Club officials reported an advance sale of \$175,000 when business opened today. They indicate a gross gate of \$250,000 with 17,000 people present.

# 2 Fraternities Top 'B' Bowling

After seven weeks of bowling, Sigma Chi and Theta Chi are tied for the team lead in the fraternity B bowling league, scoring 24 points out of a possible 28.

Three 3-1 decisions and three 4-0 shutouts highlighted play on Wednesday night. The league leaders, Sigma Chi topped Alpha Chi Sigma, 4-0, and Theta Chi downed Triangle, 3-1.

Delta Theta Sigma tripped Phi Kappa, 3-1; Alpha Sigma Phi defeated Kappa Sigma, 3-1; and shutouts were registered by Delta Chi over Phi Epsilon Pi and Phi Mu Delta over Alpha Epsilon Pi.

Steve Flamporis, Penn State soccer captain, now of Reading, Pa., was born in Athens, Greece.

# Navy Defeat Killed Booter Title Hopes

By LOU PRATO

Penn State's soccer team's bid for a third straight national championship didn't materialize this year and the reason hinges directly to the United States Naval Academy's 2-1 win over the Lions two weeks ago.

Navy's one point victory eliminated the Lions from consideration for a playoff berth in the Intercollegiate Soccer Association's Eastern championship playoff series, which gets under way this weekend.

Four teams are included in the playoff, which is approved and recognized by the National Collegiate Athletic Association. Springfield College represents the New England states; City College of New York represents New York state; West Chester State Teachers College represents the Middle Atlantic States; and the University of Maryland represents the South.

Maryland, who the Nittany booters completely outplayed in winning a 3-0 decision, defeated the Middies, 1-0, last week in a playoff for the Southern berth.

West Chester was given the nod over the Lions even though the two teams battled to a scoreless deadlock during the regular season. The Rams lost only one game and tied one while the Nittanians dropped two and tied one.

CCNY played one common opponent with the Lions. The New York school tied Army, 2-2, while Penn State walked to an easy 8-1 win over the Cadets.

Final statistics released by the Lion soccer team show that the Lions out-scored their opponents by a 10-1 ratio. Coach Ken Hosterman's booters tallied 49 goals while limiting foes to nine. Six shutouts were recorded by the Lions including the 0-0 tie

with West Chester—which was the only whitewash the Nittanians suffered.

Both of the booters' losses were by one point, the Navy defeat and a 3-2 loss to Pennsylvania.

Tommy Nute, Per Torgeson, and Mike Stollmeyer tied for season scoring honors with 13 each. Nute had the highest individual single game with five goals in the Army rout. Torgeson's high was four against Syracuse and Stollmeyer's top single score was three against Catholic University.

Dutch Walz, three; Jim Hedberg, three; Dave Haase, two; Steve Flamporis, one; and Ward Hill, one; round out the scoring.

In shooting statistics, the Lions had 413 attempted boots and 46 corner kicks. Opponents, on the other hand, registered 197 attempted shots and 35 corner kicks.

With a strong sophomore contingent on the present roster, Penn State looks for good cross-country teams the next two years.

Penn State wrestlers, for the second straight year, finished a point behind Pitt last year in the Eastern championships.

# UP, NIC Name Valentine

Lion football captain and guard Sam Valentine was accorded additional honors yesterday when he was named to the All-Fraternity All-America first team, which is chosen by the sports writers from all major wire services for the National Interfraternity Conference, and to the United Press second team.

He was also chosen as the only Nittany lineman to participate in the annual East-West Game.

These are the fourth and fifth teams Valentine, a member of Sigma Phi Epsilon, has been mentioned on. Colliers Magazine named him as one of the country's top guards, and International News Service and NEA feature syndicate named him to their second team selections.

The 5-11, 205 senior was the Lions' top defensive performer throughout the season and was named four times to the Weekly All-East team.

Ever see  
an electric  
day bed?

You will soon: The first one is already on the market:

One minute it's a sofa. Then press a button and it unfolds into a bed—automatically. Press the button again and it folds back into a sofa.

This is just one of many new ways that electricity will be working for you in the years to come. Electricity will heat your home in winter, cool it in summer... cook your food in seconds instead of hours... open your garage doors at the approach of your car.

You'll need plenty of power for this new electric age—and it will be waiting when you want it. Independent electric companies like this one build ahead of your needs so you will have plenty of electricity *always!*
