

Indie Coeds To Revamp Organization

Leonides council members will distribute questionnaires to all independent women in an effort to receive more support of the organization. The questionnaires will be filled out at compulsory dormitory meetings.

Rosetta Kearney, Leonides president, said that the purpose of these questionnaires is to further evaluate the organization, and to single out all interested independent women who wish to become active Leonides members.

2 Meetings Required
Women wishing to become active members will be required to attend two meetings each month. One meeting will be a mass meeting, and the other will be a dormitory meeting.

Personal contact will be directed toward these women in reference to scheduled meetings and committees.

Confidence Cited
Miss Kearney pointed out that the Leonides Council will know it can count on these women to support and work on committees.

Council members also voted to hold their annual housemother's Christmas party on Dec. 17.

They also voted to plan a future mixer with Panhellenic Council.

Reactor Director To Submit Paper

Robert G. Cochran, acting director of the Research Reactor Project, has been invited to present a paper at the annual meeting of the American Institute of Chemical Engineers Sunday to Wednesday in Boston.

His paper, which will be presented to the symposium on laboratory facilities for nuclear engineering education, will be on "Nuclear Science Laboratory Facilities at the University."

CLASSIFIEDS

"Ad must be in by 11:00 a.m. the preceding day."
RATES
17 words or less: \$0.50 One insertion
\$0.75 Two insertions
\$1.00 Three insertions
Additional words 3 for .05 for each day of insertion.

FOR SALE
FAMOUS HOSIERY replaced free if holes from any cause appear within definite guarantee periods for each style listed. For details phone AD 7-2588.
ONE MIL BALL ticket—\$4.00. Call Don Alcorn AD 7-2661.
DRUM TRAPS, complete set. Excellent condition. \$130. Ext. 1170, ask for Oren.
WINCHESTER 75 22 cal. target rifle. Bolt action, 9 lbs. Lyman 77 aperture front. Redfield 75 rear sight. In good condition. Cost \$72.00 new. Will sell for \$60. Call Mike McLaughlin AD 8-5061 ext. 298.

LOST
MATH 43 Notebook. Call EL 5-9304 after 6 p.m.
REWARD FOR information leading to recovery of black and white "Humber Sports" English Bicycle. Call Eastman AD 7-4161.
K&E SLIDE RULE in brown case. Name, Lynn Thomann on flap. Call Jerry Dunlap ext. 1189.
EVERSHARP PEN and Schaeffer pencil in case. Lost in 19 Sparks last Friday. If found call AD 7-7106.

FOR RENT
PARKING SPACE—2 automobiles at 243 South Pugh.
SINGLE ROOM, 1 1/2 blocks from campus, clean, good heat, reasonable. \$6.00 weekly. Inquire 619 W. College.

WANTED
STUDENTS TO come to Delta Zeta Knit and Bake Bazaar—Friday, Dec. 7 at the Corner Room.
FOUR-MAN COMBO to play for West Hall dances. Any interested readers contact Mike Roberg ext. 1185.

WANTED TO BUY
DEER HIDES — \$1 each, unless damaged. Phone AD 7-7159 for pickup or bring to 314 S. Burrows St.

WORK WANTED
EXPERIENCED SECRETARY desires typing of thesis, reports, etc. Fast, reasonable service. Dial AD 8-6843.

MISCELLANEOUS
WANT REALLY good round and square dancing? The Serenaders have an opening Dec. 16. Call Dan AD 7-7621.
FOR PROMPT and expert radio and phonograph service stop at State College T.V. 232 South Allen Street.
IS YOUR typewriter giving you trouble? If so, call AD 7-7492 or bring machine to 633 W. College Ave.

Approved Fraternities

The following fraternities are approved for the entertainment of women guests for Military Ball weekend.

Acacia, Alpha Chi Rho, Alpha Chi Sigma, Alpha Epsilon Pi, Alpha Gamma Rho, Alpha Phi Delta, Alpha Rho Chi, Alpha Sigma Phi, Alpha Tau Omega, Alpha Zeta, Beaver House, Beta Sigma Rho, Beta Theta Pi, Chi Phi, Delta Chi, Delta Sigma Phi, Delta Tau Delta, Delta Theta Sigma, Delta Upsilon, Kappa Delta Rho, Kappa Sigma, Lambda Chi Alpha, Phi Delta Theta, Phi Epsilon Pi, Phi Gamma Delta, Phi Kappa, Phi Kappa Psi, Phi Kappa Sigma, Phi Kappa Tau, Phi Mu Delta, Phi Sigma Delta, Phi Sigma Kappa, Pi Kappa Alpha, Pi Kappa Phi, Sigma Alpha Epsilon, Sigma Alpha Mu, Sigma Chi, Sigma Nu, Sigma Tau Gamma, Sigma Phi Alpha, Sigma Phi Epsilon, Sigma Pi, Tau Kappa Epsilon, Tau Phi Delta, Theta Chi, Theta Delta Chi, Theta Kappa Phi, Theta Xi, Triangle, Zeta Beta Tau.

The following fraternities have been approved for Saturday only: Pi Lambda Phi, Pi Sigma Upsilon.

The following fraternities have been approved for import housing for the weekend:

Alpha Chi Rho, Alpha Chi Sigma, Alpha Sigma Phi, Alpha Zeta, Beta Theta Pi, Rho, Phi Kappa Sigma, Pi Kappa Phi, Sigma Pi, Tau Kappa Epsilon, Theta Chi, Theta Kappa Phi, Theta Xi, Triangle.

Around the year 1890, the charge for room rent, furniture, and light at the University was \$37 for the session. Board ranged from \$2 to \$3 per week, the usual price being \$2.50.

Valentine--

(Continued from page one)
The only thing Valentine did all year was lose the toss of the coin seven out of nine times. But the witty star has this to say: "I didn't lose it, the other captain won it."

Valentine is the third Lion guard to receive All-America honors. Steve Suhey, 1947, and Joe Bedenk, 1923, were the other two. Other Lions to make All-America were William "Mother" Dunn, 1906; Bob Higgins, 1919; Charley Way, 1920; Glenn Killinger, 1921; Leon Gajewski, 1940; and Sam Tamburo, 1948.

Mil Ball--

(Continued from page one)
in Philadelphia, sponsored by Jesse Brewster, NROTC.

3 Officers to Judge
The Queen will be chosen by representatives of the three different divisions. The judges are Lt. W. C. Haskell, Navy; Capt. Erwin F. Albrect, Army; and Capt. Dick Hickson, Air Force.

Air Academy Chooses
The finalists were chosen by the 1959 class of the United States Air Force Academy, Denver, Colo. The Mil Ball is sponsored annually by Scabbard and Blade, Pershing Rifles, Arnold Air Society, and Quarterdeck Society.

Refugees Welcomed

CAMP KILMER, N.J., Dec. 6 (AP)—America gave a bright St. Nicholas Day gift today to 131 Hungarian refugees — freedom in a new homeland — and prepared a historic air-and-sea lift for thousands more.

The 131 came in on two planes at McGuire Air Force Base near here, after weather-forced delays, and were brought here by Army buses to join others already at this "Camp Mercy."

And as they came, tired from the long flight from Europe, President Eisenhower's headquarters in Augusta, Ga., announced that the Air Force and Navy will bring 15,000 more by around the first of next year.

The announcement was a climax to a happy St. Nicholas Day— "Boldog Mikulas" — for the Hungarians, who traditionally observe Dec. 6 as the time when St. Nicholas brings small gifts to their children.

Earlier 72 children at this camp had awakened to find their shoes stuffed with dolls, games, candy and the small switches symbolic of punishment to the naughty.

But the 131 refugees who arrived during the day were given something far more substantial— food, clothing, shelter, prospects of new jobs and new homes.

Camp Kilmer has 994 refugees still billeted of the 1,619 who have arrived since Nov. 21.

*interested in Missile Systems
research and development*

The technology of guided missiles is literally a new domain. No field of engineering or science offers greater scope for creative achievement.

<p>Research and development at Lockheed Missile Systems Division cover virtually every field of engineering and science and have created new positions for graduates possessing outstanding ability in the following fields:</p> <p>Electronics Research and development as applied to missile systems and associated equipment.</p> <p>Computers For solution of complex problems and missile guidance.</p> <p>Systems Engineering Research and development in missile systems.</p>	<p>Antenna Design Related to missile guidance.</p> <p>Communications In the broad area of information transmission.</p> <p>Electromechanical Design As applied to missile systems and related equipment.</p> <p>Instrumentation Associated with aerodynamics, physics and electronics.</p> <p>Physics Theoretical and experimental— aero-physics, upper atmosphere research, optics and nuclear physics.</p>	<p>Structures Structural design and analysis of missile systems.</p> <p>Thermodynamics Aerodynamic heating and heat-transfer problems.</p> <p>Aerodynamics Concerning performance of missile systems.</p> <p>Dynamics As related to missile body flight problems.</p> <p>Operations Research Applied to tactical weapons operations.</p>
