

Chapel Talk By Wagner This Sunday

Dr. James E. Wagner, president of the Evangelical and Reformed Church and vice president of the National Council of Churches of Christ in the United States, will speak at chapel services at 10:55 a.m. Sunday in Schwab.

Dr. Wagner returned three weeks ago from a five-week tour of the Far East, including Japan, Korea, Okinawa, Formosa, Hong Kong and the Philippine Islands. He will speak on "Student Life in Asia."

For the service, the Chapel Choir has chosen the anthem, Praise Ye the Name of the Lord by Nikolsky.

George E. Ceiga, organist, will play as the prelude, Pastoral-Noel by Karg-Elert, and as the postlude, Christ the Lord to Us Is Born by Van Hulse.

Born in Blair county, Dr. Wagner is a graduate of Findlay College and received his bachelor of divinity degree from the Evangelical and Reformed Theological Seminary. He also has completed graduate work at Lebanon Valley College, Columbia University and Union Theological Seminary, and has been conferred honorary doctorates by Franklin and Marshall College, Ursinus College and the Reformed Theological Academy, Budapest, Hungary.

Dr. Wagner served from 1922 to 1931 as pastor of St. Peter's Evangelical and Reformed Church in Lancaster.

Prof Re-Named To NACA Post

Dr. George F. Wislicenus, professor of aeronautical engineering and director of the Ordnance Research Laboratory's Garfield Thomas Water Tunnel, has been re-appointed to the subcommittee for compressors and turbines of the National Advisory Committee for Aeronautics.

Dr. Wislicenus has served on the NACA subcommittee continuously since 1949, making him one of its oldest members.

His connection with the subcommittee's work has been made more active recently by the direct interest of the subcommittee in the hydrodynamic propulsion studies.
