

Unbeaten Lion Grapplers Host Lehigh Tomorrow

Lehigh University's matmen will be out to end a seven-year victory draught against the Nittany Lions tomorrow night when the once-beaten Engineers invade Recreation Hall.

The meet, Penn State's third straight at home, will start immediately after a freshman preliminary match at 7 p.m.

The Engineers are long-time Nittany rivals—the mat series dates back to 1911, but they haven't been able to pin a defeat on the Lions since the 1949 season.

Their closest attempt came two years ago at Rec Hall when an "inferior" Lion aggregation upset them, 15-13.

Lehigh will be carrying a 4-1 record into tomorrow's clash. They own victories over Syracuse, Penn. Franklin and Marshall, and Princeton, while losing only to Cornell in the season opener.

Three of the Engineer matmen are undefeated and one man has been beaten only once. Leon Harold, 123, and Dave Bates, 137, have five wins to their credit while Dick Santoro, 147, has three victories and two draws. Captain Joe Gratto's only loss was to a Cornell man.

On the Penn State side of the ledger, Coach Charley Speidel has four men with untarnished marks. Johnny Johnston, John Pepe and Dave Adams own 2-0 records and co-captain Sid Nodland has a 1-0 mark.

Speidel will probably start Nodland at 123, Johnston at 130, Pepe at 137 and Adams at 147. However, Speidel may move Johnston, Pepe, and Adams up a weight and insert George Smith in the 130-pound spot. In the sea-

son opener with Colgate, the Lion coach used Smith at that spot and the State College senior picked up five points with a fall.

From 157 on, Speidel's outlook isn't very bright because none of the upper-weight men have been able to win a match in two dual meets. Earl Poust, who was beaten in his first appearance last week, could get the nod at 157 if Adams wrestles in his class.

Either George Gray or Dick Phelan will probably start at 167. Gray lost a close decision to Illinois' Harold Brownstein last week and Phelan was beaten in the Colgate match.

At 177, Speidel will probably call on sophomore Bruce Gillmore—who lost both his matches to the opposing team's captain—and at heavyweight he will probably use Sam Markle.

Only four days will elapse after the Lehigh meet until the Lions swing into action again. Maryland, last year's Atlantic Coast Conference champion, will be the foe. The Terrapins are also in action tomorrow night, meeting the University of Pittsburgh at Pitt.

Two days before the second semester begins, Feb. 2, the Lions entertain Ohio State—their next-to-last home match.

Kappas Reach Coed Cage Final

Kappa Kappa Gamma defeated Kappa Alpha Theta, 42-15, in the semi-final game of the coed intramural basketball league.

Meredith Miller and Kathy Sauer shared 26 points for the strong Kappa team, while Judy Goodrich pitched in with 11.

Alpha Xi Delta beat Chi Omega in the first playoff tilt of the table tennis league and appears to be the best contender for the league title.

In other table tennis games, Alpha Epsilon Phi beat Alpha Chi Omega and Beta Sigma Omicron defeated Gamma Phi Beta.

Woes Confront Wettstone

Gene Wettstone, Nittany Lion gymnastics mentor, has more than enough on his mind at the present time to keep most men occupied. He has just started recuperating from an operation performed on Wednesday, adding to his big problem of training his gymnastic aggregation for the 1957 season.

However, the veteran coach barely shook off the ether before he was back in the groove—planning, computing and conjecturing for the coming year.

His opening match with West Virginia Feb. 2 at Rec Hall, scholastic eligibility of his performers, and improved compe-

tion are the major conflicts facing Wettstone.

"We're lucky that we open with West Virginia, a comparatively weak team. Both (Armando) Vega and (Dion) Weissend, two of our top men, are ineligible until the second semester," he said.

West Virginia, a non-conference foe, is not expected to have the depth to match that of the Nittany Lions, but could surprise in certain events.

According to Wettstone, the scholastic eligibility of his squad members after the final examinations are finished, is his number two headache.

Where do your taxes go?

You may have a pretty good idea where taxes go. But did you know that some go to help pay other people's electric bills?

They're the families and businesses that get their electricity from federal government electric systems like the TVA.

While about 23¢ of every dollar you pay for electricity from your power company goes for taxes, those other people pay much less . . . only about 4¢ per dollar if their power comes from the government's TVA, for example. As a result, you are taxed more to make up for what they don't have to pay.

Don't you think this unfair tax favoritism needs thorough study and discussion?
