What you should know about International Business Machines Corporation

A world-recognized leader and pioneer in the fastest-growing and perhaps the one "unlimited" field in electronics today: digital computer development, manufacture and sales. Builder of the world's largest computer.

IBM leadership is based on a 42-year record of steady achievement and growth, with sales doubling on an average of every five years in the past 25. Serves all industry, plus government and education.

IBM's excellent salary and employee benefit program is instrumental in achieving an employee turnover of less than one-sixth the national average.

Advancement is based solely on individual merit. Rapid growth creates positions of responsibility.

IBM Laboratories and manufacturing facilities are located in: Poughkeepsie, Endicott, Owego, and Kingston, N. Y., San Jose, California, Lexington, Ky., and Rochester, Minn. Sales and service offices in 190 principal cities throughout the U. S.
