IFC to Get Constitution For New Buying System

By BOB FRANKLIN

The Interfraternity Council in two weeks will receive a proposed constitution for a fraternity buying association as drawn up by the council's executive committee.

Joseph Eberly, IFC parliamentarian, said a constitution for the "IFC Purchasing Association" will be presented to the council for tentative consideration at its next meeting.

The purchasing association would take over the functions of the Fraternity Marketing Association, which will discontinue operations by the end of the semester.

Trustees' Action

IFC President Daniel Land read a letter from C. S. Wyand, assistant secretary of the Board of Trustees, explaining the board's Jan. 26 action which enables the council to establish a fraternity buying organization.

Wyand's letter said the board voted to offer the organization the consultation services of University specialists, to recommend to the Senate Committee on Student Affairs that it issue a charter to the buying agency, and to offer the services of Associated Student Activities in auditing the agency's books.

New IFC Member

IFC last night readmitted Omega Psi Phi by a 48 to 0 vote, bringing the membership of the council to 55. The fraternity was reactivated last fall after being inactive since the spring of 1955.

Hugh Moore, IFC rushing chairman, announced that freshmen may be pledged at any time after noon on Saturday, Feb. 23. He said the time for the issuance of formal bids was changed from 8 a.m. to noon because of Saturday morning classes.

Fraternities Booklet

John Spangler, chairman of the public relations committee, reported that a booklet, "Fraternities at Penn State," would be issued within the next few weeks. He said the booklet was partially aimed at aiding the IFC in com-

Walker's Schedule Shows Busy Week

President Eric A. Walker will meet with the Graduate Student Association at his home tonight, the first event on his schedule for the week.

Tomorrow night Dr. Walker will be a guest at a dinner of the Pennsylvania Nurserymen Association and Thursday night will speak at a reception-dinner of the Penn State Lions of Allegheny County at Pittsburgh.

Saturday he will attend a meeting of the Penn State Foundation and an Alumni Fund luncheon at the Nittany Lion Inn.

New Friendship Era

Russian Premier Promises Friendship to West Germany

MOSCOW, Feb. 11 (AP)—Soviet Premier Bulganin dangled promises of a new era of friendship before West Germany in a letter published tonight. He proposed "profitable" trade with the Bonn Republic and Moscow's good offices in seeking German reunification. "War or peace in Europe depends first of all on how we settle the relations between us," he declared.

Soviet Promise

The promise was made in a letter delivered to West German Chancellor Konrad Adenauer last Friday. It came as Adenauer was preparing for an election tilt in West Germany with the Socialists, who believe closer relations with

'Chat Dates' To Continue For Coeds

The first set of "chatter dates," which began yesterday as the second function of spring formal rushing, will continue this afternoon and tonight.

The "chatter dates" will begin at 1 p.m. today, an hour earlier than yesterday, and continue until 5 p.m. Evening hours will be from 6:30 to 8 p.m.

Invitations to this round of "chatter dates" were received and answered by the rushees yesterday noon. Invitations to the second round, which will begin tomorrow and continue Thursday, will be ready for the rushees tomorrow noon. Five may be accepted.

New Hours Announced

The Panhellenic post office in the lobby of Women's Building, distribution point for invitations, will be open from 10:30 a.m. to 12:30 p.m. Yesterday's hours were from 11 a.m. to 12:30 p.m. The half hour extension was necessary because of the number of rushees who jammed the post office waiting to receive their invitations, Barbara Nicholls, Panhellenic Council president, said.

Rushees must pick up and return invitations on time, Mrs. R. Mae Shultz, assistant dean of women, said yesterday. Sororities receive the answers to their invitations at 1:30 p.m., and tardy invitations can not be processed in time.

Invitation Forms Available

Sorority rushing chairman may obtain invitation forms for the second "chatter dates" in the dean of women's office between 9 and 12 a.m. today.

The "chatter dates" will be held from 2 to 5 p.m. and from 6:30 to 8 p.m. tomorrow; and from 1 to 4 p.m. today.

Sign Installed By Borough

The borough installed a stop sign yesterday afternoon at Beaver Ave. and Pugh St., one of the most dangerous intersections in State College.

The sign was installed at about 2 p.m., and during most of the afternoon an officer was stationed there to halt the many motorists who, unaware of the new restriction, traveled right through the intersection.

No traffic tickets were issued; the patrolmen merely warned the drivers and asked them to notify others of the new sign.

The question of a stop sign at that corner has long been a topic of discussion in the borough council.

Mollet, Macmillan To Meet with Ike

WASHINGTON, Feb. 11 (P)—President Dwight D. Eisenhower will hold separate conferences with British Prime Minister Macmillan and French Premier Mollet in a bid to warm up chilly relations between this country and its two traditional allies.

From his vacation headquarters at Thomasville, Ga.,

Eisenhower disclosed today he would meet March 21 with Macmillan for four days on the British resort island of Bermuda, 600 miles from the Carolina coast in the Atlantic.

Mollet Visit

Mollet accepted an invitation to meet with Eisenhower at the White House for a two-day conference beginning Feb. 26.

Press secretary James C. Hagerty, in announcing the long-expected Eisenhower decision to talk personally with British and French leaders, refused to provide any information about problems which would be discussed.

The continuing American differences with Britain and France over the Middle East crisis, however, promised to top the list of issues to be reviewed at both meetings.

Dulles Talk

Eisenhower talked by telephone for 20 minutes with Secretary of State John F. Dulles this morning to hear a first-hand report on American efforts to persuade Israel to heed the United Nations appeal that it withdraw its forces from the Gaza Strip and the Gulf of Aqaba area seized from Egypt.

Abba Eban, Israel's ambassador, met afterward with Dulles and reaffirmed his government's determination to hold onto these areas until it gets "concrete and tangible guarantees."

Eban said these guarantees (Continued on page eight)

Godayte Appointed Lion Clique Head

John Godayte, senior in business administration from Clarks Summit, has been appointed temporary clique chairman of the Lion party following the resignation of Byron LeVan.

Godayte will serve as clique chairman until All-University elections are completed. He was Lion party publicity chairman last semester.

LeVan gave personal reasons for resigning the position. With his resignation, the steering committee was dissolved.

A new steering committee will be appointed at an organizational meeting to be held probably within two weeks, Godayte said.

Half-Holiday Supported By Frosh

The Freshman Class Advisory Board Sunday night passed a resolution favoring a permanent half-holiday in the University calendar.

The board's action followed a similar resolution last week by the Sophomore Advisory Board and other campus organizations last semester.

Dance Tickets On Sale

George Smith, class president, announced that tickets are on sale for the "Sno' Ball" to be held Feb. 23 in the Hetzel Union ballroom. Tickets may be obtained at the HUB desk. Only freshmen and their dates may attend the dance.

Smith also said that pictures of candidates for "Sno' Ball" queen may be submitted at the HUB desk. Men and women may submit pictures of candidates. Included with the photograph should be the candidate's name, semester, curriculum and telephone number. Friday is the deadline.

AIM Band to Play

The Association of Independent Men dance band will provide music for the affair.

Trophies will be presented to the freshman queen and the other finalists.

The advisory board has obtained permission for use of the Waring Hall display case for a "Sno' Ball" display.

500-600 Lack Matric Cards

Approximately 500 to 600 students have not obtained their new matriculation cards, according to Harry A. Sperber, assistant scheduling officer.

Students may obtain their cards until Saturday in 4 Willard. The temporary white cards will not be valid for athletic events after that time.

Sperber said the process moved slower than the administrative officials had expected, but the system will be refined for the Fall semester. Originally, students were to have obtained their new matric cards by last Saturday.

Under the new system, if the matric card is lost it will be replaced for \$1. The athletic fee for another ticket amounts to \$9. Replacing the athletic ticket is optional.

Yale Philosophy Prof To Lecture Tomorrow

Dr. Henry Margenau, Eugene Higgins professor of physics and natural philosophy at Yale University, will speak at 8 p.m. tomorrow on the "Philosophical Perspective of Modern Physics."

His lecture, scheduled for 10 Sparks, is open to the public and is co-sponsored by the Graduate School Lectures Series and the Society of the Sigma Xi graduate science honorary.

BX Calls Candidates

The Book Exchange has issued a call for candidates to meet at 7:30 p.m. tomorrow in 215 and 216 Hetzel Union.

First, second and third semester students are eligible.

PiKA Given Two Week Social Pro

Two weeks social probation and eight weeks board of control probation for Pi Kappa Alpha was approved yesterday afternoon by the subcommittee on discipline of the Senate Committee on Student Affairs.

The recommendation for the action came last week from the Interfraternity Council Board of Controls because the fraternity had violated a regulation of the IFC pre-initiation practices code.

Pledges Sent for Waste Paper

Richard Shillinger, board chairman, said that last semester four pledges of Pi Kappa Alpha were sent out in the early hours of the morning to gather waste paper as a penalty for untidy rooms and for not studying. The students were apprehended taking paper from campus disposal facilities by the campus patrol.

Two sections of the IFC code provide that pledging activities must be confined to the chapter house and that adequate time must be allowed for sleeping and studying, with special consideration being given for examinations.

No Social Functions Permitted

During social probation, the fraternity may hold no social functions whatsoever. Board of Control probation will begin at the end of the social probation period. It involves a strict surveillance of the fraternity by Board of Control members.

Although the case was heard by the subcommittee on discipline yesterday afternoon, the penalty officially went into effect Saturday morning, according to Frank J. Simes, dean of men.

Good Weather Inspires Lion

All was not well in the vicinity of the Lion's den today.

It seems that the breath of spring which touched the campus yesterday, plus the added impetus of a rather wild party, had filled him with more than his usual energy.

It came to the Lion early in the morning that he could fly. He announced to the noisy group in the den that he was the King of Beasts, and that the King of Beasts can do anything, and consequently he saw not reason why he could not fly.

Good weather was predicted for his recovery, however. Today should be fair, with clear skies. The high is predicted at 34, with a low tomorrow night of between 20 and 25.

Pershing Rifles Smoker

Pershing Rifles will hold a smoker for freshmen at 7 p.m. tomorrow in the Armory.

Freshman Air or Army cadets may attend, and class "A" uniform is to be worn.
