

2-Mile Relay Team Places 2nd in Millrose

The Nittany Lions' two-mile relay team of Fred Kerr, Don Woodrow, Ron Lewis and Ed Moran placed second behind St. John's in 7:48.6 before a sellout crowd of 16,000 at the Millrose Games Saturday night at Madison Square Garden.

St. John's, anchored by former freshman IC-4A cross country champion, Peter Close, won the event in 7:46.5.

Ed Moran, who anchored the relay, turned in a particularly impressive time of 1:53 for his 880 leg.

Other Lion times were Fred Kerr, 1:57.5, Don Woodrow, 1:58, and Ron Lewis, 1:58.1.

Former Penn State captain Horace Ashenfelter took the Millrose two-mile run ahead of Phil Coleman and Villanova's Alex Breckenridge in 9:02.3. Fred Dwyer, the favorite in the event, was forced to drop out with nine laps remaining because of an upset stomach.

Pitt's Arnie Sowell, winner of the Rodman Wanamaker award as the outstanding performer in the Golden Jubilee Millrose meet, shattered the standing indoor world's records in the 880-yard and 800-yard meter runs.

Sowell's 1:49.7 and 1:50.5 at 800 meters and 880 yards erased Mal Whitfield's indoor world marks of 1:50.1 and 1:50.9. Olympic 800-meter champion Tom Courtney, who finished second to the slender Pitt star, tied the meet record of 1:51, set by Audun Boysen.

Heftily Olympic decathlon champion Milt Campbell slashed a tenth of a second off Harrison Dillard's indoor world 60-yard high hurdles mark of

7.1 in defeating Lee Calhoun, the pre-meet favorite.

Five foot, five inch Olympic sprinter Ira Murchison equaled the indoor world's record in the semi-finals of the 60-yard dash in 6.1 seconds. Murchison took the final in 6.2.

The prime upset of the carnival came in the Mel Shepard 600. Thirty-two year-old former N.Y.U. star Reggie Pearman upset defending champion Charlie Jenkins of Villanova with a 1:11.0 time.

Permanent possession of the Mel Sheppard cup was awarded to Mal Whitfield on the basis of his previous winning time of 1:10.8. Jenkins could have gained permanent possession of the cup by winning the event for the second time. Pearman could have won the cup by bettering Whitfield's record.

Olympic pole vaulting champion Bob Richards and runner-up Bob Gutowski set a new Garden record of 15 feet, 6 inches. This is the eleventh straight year that Richards has finished first in the Millrose pole vault.

Villanova's Ron Delaney retired the cup for the Wanamaker Mile by defeating Hungarian refugee Laszlo Tabori in 4:06.7. Tabori took second in 4:07.6.

Egli May Change Starting Cage Unit

Coach John Egli may change his starting lineup for the first time since the Richmond Christmas Invitation Tournament when his Lion cagers play Bucknell tomorrow night at Recreation Hall.

Egli, in hopes of shaking the team from its second semester doldrums, used Greg Schwendeman and Tom Hancock on his first unit in place of Ron Rainey and Bob Ramsay in practice Friday night.

Bothered by Slumps
Both Rainey and Ramsay have been bothered by scoring slumps of late. Ramsay, although playing good defensive ball, has yet to reach his scoring potential this season. Rainey, on the other hand, was the Lions' top scoring threat for most of the year, but hit a slump in his last two games, scoring only six against both Army and Navy.

Egli, although pleased with the preliminary results of his player-experiment, said that he did not definitely know whether he would go with the change as yet. He preferred to wait until the last moment, probably after tonight's practice, before naming his starting team.

The Lion mentor was particularly pleased with the aggressiveness both units displayed Friday night. "They were real tough . . . they looked as though they wanted to stay in there," he said. "If we can keep it (the aggressive spirit)," he

said, "we may do pretty well the rest of the year."

Shooting, the Lions' biggest and most serious plague during the past three games, was their biggest weakness again Friday night. "We're not shooting too well. We're getting the shots but not making them," Egli said.

Tough Schedule Ahead
Faced with the additional problem of playing three games in four nights, Egli said he would not work the team too hard for the rest of the week, possibly for the night of the season "because of the schedule."

After Bucknell, the Lions play Penn at Philadelphia Friday night, only to return to University Park for a Saturday night engagement with West Virginia. Egli said that his chief interest

was getting the team ready for Bucknell. Although Penn and West Virginia are in the back of his mind, Bucknell is of the utmost concern to him and the team.

Despite the tough schedule before them, Egli feels as though the cagers are in good physical condition for the grind. They escaped the Navy encounter with only minor bumps and bruises and everyone is expected to be available for the Bison game.

Varsity 'S' to Meet

The Varsity "S" Club will hold its first meeting of the spring semester tomorrow night at 10 p.m. at Delta Tau Delta.

All letter-winners, whether members or not are invited to attend.

COUNSELLOR OPENINGS

—for Men and Women—

For established Co-ed Camp, Poconos, Pa. Group Heads. Trip and Pioneering (3-5 day out-of-camp trips); Dramatics, Music, Arts and Crafts assist; ARC assist; small craft instruction; general (Phys. Ed major). Write background, experience, salary, etc., to:

ATO Tops IM Play

Alpha Tau Omega still holds first place in League B of fraternity intramural basketball as a result of their 41-8 triumph over Phi Kappa Friday night at Recreation Hall.

Phi Kappa Psi handed Sigma Tau Gamma their fifth loss in a row, 30-27. Jack Barbieri's 16 points was tops for Phi Psi. Mark Roller threw in 11 markers for the losers.

Jack Feola and Angelo Guimeno both had eight points for Alpha Phi Delta to pave the way to a 22-15 win over Chi Phi.

Alpha Epsilon Pi won their first game in two years, defeating Lambda Chi Alpha, 24-18.

Martin Freedman and Art Cooper were high men for the victors with eight and seven points. Gene Hilty was tops for Lambda Chi with eight markers.

Chuck Steines dumped in 7 field goals for 14 points to lead Delta Sigma Phi to a 28-19 victory over Sigma Pi. Bob Brandt had seven points for Sigma Pi.

In Independent ball, the Green-smokers, aided mainly by Joe Pekarek's 16 points, squeezed by Hamilton 5, 31-27; the Dutchmen squashed AICHE 36-9; and Irvin Hall thumped the Campus Trojans, 36-13. In the only forfeited game of the evening the Schorers beat the Bulls.

An ALL PERSONNEL DIRECTOR IS VISITING YOUR CAMPUS for **PERSONAL INTERVIEWS** GRADUATES & UNDERGRADS E.E., M.E., PHYSICISTS for Positions as **DESIGN, DEVELOPMENT PRODUCTION and FIELD ENGINEERS**

He will answer questions vital to your future also outline the records of advancements and offer you similar opportunities.

AIRBORNE INSTRUMENTS LABORATORY — Founded and managed by engineers is a team effort in research and development in the fields of general electronics, automation, medical electronics and nuclear physics; for industry, communication, applied sciences not merely the military. Company policy which places special emphasis on individualism, over the years has seen many advancements from within the ranks to top managerial positions. Liberal tuition refund policy encourages furtherance of engineering studies.

REGISTER WITH YOUR UNIVERSITY PLACEMENT OFFICE TODAY — they have a complete file of information on ALL.

AIRBORNE INSTRUMENTS LABORATORY INC. 160 OLD COUNTRY ROAD MINEOLA, L. I., NEW YORK

JUNE GRADUATES

A General Motors Representative will be on hand to answer your questions about job opportunities with GM

FEBRUARY 11, 12, 13, 14 and 15

Our College Representatives speak for all of our many decentralized divisions throughout the country.

They are familiar with career opportunities throughout the entire organization, including staff and divisional operations,

and can answer your questions fully. We cordially invite June graduates, and those graduating this summer, to arrange an appointment through your College Placement Office on one of the above listed dates.

GM Positions now Available in:

- ELECTRICAL ENGINEERING • MECHANICAL ENGINEERING
- METALLURGICAL ENGINEERING • CHEMICAL ENGINEERING
- AERONAUTICAL ENGINEERING • INDUSTRIAL ENGINEERING
- CHEMISTRY • PHYSICS • CERAMICS
- MATHEMATICS AND ACCOUNTING
