

Chaplain, Professor To Direct Seminars

By LINDA SEGAR

Dr. John E. Pixton and the Rev. Robert B. Starbuck will serve as directors of the two European Seminars which the University Christian Association will conduct this summer.

Pixton, assistant professor of history, will direct the "Introduction to Europe Seminar" to be held from June 20 to July 31.

Starbuck, Evangelical and Reformed chaplain and an associate director of UCA, will direct the "International Relations Seminar" to be held from June 27 to Aug. 16.

The early response to these seminars has been good, Starbuck said. Students who would like more information about these seminars may obtain it at the UCA office in the Helen Eakin Eisenhower Chapel.

Studied at Swarthmore
Pixton received his bachelor of science degree from Swarthmore College, his M.S. from the University of Connecticut, and his Ph.D. from the University of Chicago, majoring in recent American diplomatic history.

During World War II he served in the Navy as a carrier-based fighter pilot and was awarded the Distinguished Flying Cross twice.

He has had experience as a test engineer, sales engineer, and junior high school teacher. He became a member of the University faculty in the fall of 1954. His wife, who will accompany him on the tour, has traveled widely in Europe and has had experience in work camps and with refugees and displaced persons.

Studied at Yale
Starbuck received his B.A. degree from the University of Pennsylvania and his B.D. degree from Yale Divinity School.

He has had experience in summer projects, including combination study and work projects in Oregon and Chicago. He served as co-director of the European Seminar which UCA conducted last summer. He has been on the staff of UCA since August of 1953.
