

Lions, Cadets Vie for EIGL Crown Tonight

Rec Hall Gym Finale Rated Tossup

In perhaps the best and most evenly matched dual meet ever staged at Recreation Hall, fans will see last year's Eastern Gymnastic Champs from Army and the runner-up Lions decide the 1957 championships starting at 8 p.m. tonight.

Army Coach Tom Maloney, 1952 Olympic gym coach, and Penn State Coach Gene Wettstone, 1956 Olympic gym coach, put their thoughts on the same track and concluded that the winner of tonight's game would "definitely" determine the team champion in the East for 1957.

The undefeated Cadets have a 3-0 Eastern Intercollegiate Gymnastics League record to match the men of the Nittany Vale.

Of the two mutual opponents, Army beat Syracuse, 62-34, while the Lions polished off the Orangemen, 67-29. The Cadets smashed Temple, 67-29, but Wettstone and Company did the same by a larger score, 70½-25½.

In their other League contest, the men from up the Hudson eked out a 50-46 victory over Pitt, the Lions' next opponent.

The Lions returned the favor to give the Cadets a similar confidence of winning the title by sinking Navy, a traditional Army final League foe.

Army holds perhaps the best dual meet record of any University team in the nation. During Maloney's 27-year reign, the Cadets have won 9 Eastern Championships in comparison to Wettstone's 7 in 18 years.

Army's 1956 team handed Penn State its only defeat of that season, 58-38, to win the Eastern title.

Penn State's depth is banked on for the win tonight, although

Wettstone fears that the one deciding event of the night may be the rope climb.

In this event, the Cadets have their undefeated star, Paul Dean. Dean has been clocked in :03.5 and :03.4 at West Point. He and Bob Deegan both outclimbed Eastern Champ Phil Mullen last year in the dual meet. Mullen is still below his 1956 form of :03.5.

Wettstone's other potential athletes under four seconds include improving John Hiding and the number two man, Dick Rehm.

Army boasts a second defending Eastern champ in Bill Thomson on the horizontal bar. But Wettstone has three potential winners in Dion Weissend, Gil Leu and Armando Vega.

Weissend swung a 281 against Syracuse Saturday while Leu and Vega are consistent at 260. John Sewall and Pete Calyer will also compete for Army.

The top double threat man on the team of West Point specialists is Gar O'Quinn. O'Quinn was a runner-up in the Eastern's on the side horse and parallel bars. Bill Clements, Leo Sheehan and O'Quinn rate a tossup against Walt Heiler, Jack Beisterfeldt and Leu on the

side horse. Leu is inconsistent in this event, ranging from 218 to 260 scores this year.

The Lions' number one triple-threat man, Armando Vega, is expected to take his specialty, the parallel bars. Leu and Bob Foht complete the Lions' entrants in their perennially strongest event.

Tumbling is Army's weakest event. Mel Morrell's top score is a 250, with Jim MacGill and Joe Phillips filling the remaining spots. Dave Dulaney and Adie Stevens will fight it out for the top spot in the vicinity of 255-265. Weissend will be the third competitor.

On the flying rings Vega will face tough competition in Army's trio of J. O. Hanford, Bill Clark and Bill Giallourakis. Lions' Ed Sidwell and Jack Donahue will fill out the field. Vega recorded a sizzling 288 against Temple when he executed the highest flyaway ever seen in Rec Hall.

Starr Leads Theta Chi Cagers To Win Over Beaver House

A 15-point performance by Jim Starr led Theta Chi to a 37-7 romp over Beaver House in the highlight of Thursday's intramural basketball action.

In other fraternity cage tilts, Beta Theta Pi eked out a 19-17 victory over the Phi Delta Theta quintet. Bob Parker paced the Beta Theta Pi triumph with eight points, while Lion grid star Mill Plum topped the losing Phi Deltas with five counters.

Another close contest saw the Delta Tau Delta cagers record a 22-19 decision over Pi Kappa Phi. Paul Pritchard paced the winning Deltas with nine markers, and Vince Carocci and John Rapchak tallied six apiece for Pi Kappa Phi.

Paul Johnston, who scored 13 points, led Tau Kappa Epsilon to a 25-17 win over Sigma Alpha Mu. Joshua Lederberg was SAM's top point-producer, notching nine tallies.

Phi Sigma Kappa registered a 22-17 victory over Kappa Alpha Psi. Walt Stevenson sparked the winning quintet with eight markers, while John Robinson, with five, topped the losers' scoring

Club Skiers Score Win

In the first intercollegiate skiing competition held in Pennsylvania in several years, the Penn State Outing Club team defeated Lehigh, 10-2, last Saturday at Ligonier, Pa.

The meet was not, however, a regularly scheduled contest. Both schools were entered in the State Ski Championship at Ligonier and arranged a private agreement to compete against each other.

The University entry scored the win on the basis of 5-1 victories in both the downhill and slalom races.

Dave Boucher and Bruce Kunkel scored the five Lion points in the downhill event with times of :55 and 1:07. Boucher's time was good for second in the state race, Kunkel's an 18th.

In the slalom competition, Boucher again led the Club squad with an 11th place in the championships in 1:08.8. Bill Wild was the next Penn Stater to finish, crossing in 1:26 for a 23rd place.

Karin DeJuhasz, an Outing Club entry, topped the women's field in both the downhill and slalom

races. Miss DeJuhasz skied the downhill course in :43.5 and the slalom course in 1:05.

The Club is hopeful of scheduling a tri-college race with Penn State, Lehigh and Swarthmore later this month.

3 Shutouts Feature IM Bowling Action

Three shutouts were recorded in the fraternity "C" bowling circuit, with Pi Kappa Alpha downing Chi Phi, Sigma Phi Alpha shutting out Zeta Beta Tau, and Alpha Gamma Rho waving the whitewash brush at Delta Sigma Phi.

Other "C" scores: Acacia and Lambda Chi Alpha split four decisions; Beta Theta Pi copped a 3-1 win over Theta Kappa Phi; and Phi Kappa Sigma defeated Sigma Nu by forfeit.

"D" results: Pi Kappa Phi beat Alpha Rho Chi, Phi Kappa Tau topped Sigma Tau Gamma, Sigma Phi Epsilon beat Beta Sigma Rho, and Beaver House downed Phi Sigma Kappa, all by 3-1 scores.

A Campus-to-Career Case History

Ken Boekeloo (center foreground) at the scene of a cable installation project in Detroit.

Ten years along in his telephone career

After graduation in 1947 from Kalamazoo College with a B.A. in Physics and Mathematics, Ken Boekeloo joined Michigan Bell Telephone Company as a trainee.

Today, ten years later, Ken is a Division Plant Superintendent in Detroit. Eight district supervisors report to him, and they supervise some 1700 people. Ken is responsible for the installation and maintenance of plant facilities valued at \$135,000,000 including more than 500,000 telephones.

A big jump in ten years? Here's

what Ken Boekeloo says about it:

"The way the telephone business is growing, you can advance just as fast, and just as far, as you're able. ... And all along the way, from the student period through each assignment, the training and experience you get really prepare you for advancement.

"If you like to make contributions and take responsibility, and if you value the opportunities a growing business can offer, then the telephone company's the place to look for a career."

Ken Boekeloo is one of many young men who are finding rewarding careers in Bell Telephone Companies, Bell Telephone Laboratories, Western Electric and Sandia Corporation. Your placement officer can give you more information about all Bell System Companies.
